RETAIN TROOPS IN OHIO PRISON TO KEEP ORDER

Thirty Days Needed to Repair Damaged Locks—Undercurrent of Unrest Requires Caution.

COLUMBUS, O., May 1.—(AP)—Troops will be kept on guard duty at Ohio penitentiary for at least two weeks, it was indicated today as prison officials surveyed the damage done by revolting convicts in the White City idle house, scene of numerous disorders since last week's fire disaster.

Thirty days will be required to repair the locks and doors broken by the mutineers, according to Colonel Robert Haubrich, commander of Ohio National Guardsmen, who put down the mutiny after two convicts were wounded, one seriously, when prison guards fired on them last Wednesday.

Although Col. Haubrich was unable to say when it would be possible to withdraw the soldiers, he intimated that the under-current of unrest among the prisoners would require extreme caution for fourteen days or longer.

While the work of repairing the idle house is going on, the unruly prisoners will be kept in temporary quarters. Approximately 600 have been transferred to a barbed wire stockade in the prison recreation grounds, while the remainder, numbering about 700, have been either placed in a warehouse recently converted into a dormitory or taken to other [illegible].

The march to the stockade took place last night after the evening meal. Other than a little grumbling, the transfer was made without trouble under the supervision of hundreds of national guardsmen.

Diverting Comedy Now at Rialto

Good entertainment is the order of the day at the Rialto theater, where the newest Fox Movietone musical extravaganza, "Let's Go Places" began a three-day engagement yesterday.

Amusing in its swift-moving story and containing many glittering scenes of Hollywoodites at work and at play, the production is of a different type from anything yet appearing on the vocal screen, and is so diverting as it is funny and tuneful. Joseph Wagstaff and Lola Lane share the leading honors with Frank Richardson, Dixie Lee, Charles Judels, Walter Catlett, Sharon Lynn and Ilka Chase, all of whom render outstanding performances. Both the song numbers and the ballet sequences are distinctive and [illegible].

Wall Street Report

NEW YORK, May 1.—(AP)—The New York Federal Reserve bank today brought its rediscount rate to 3 per cent from 3½.

The reduction was unexpected in financial circles, although the Bank of England and the Bank of France had cut their rates earlier in the day.

NEW YORK, May 1.—(AP)—The stock market went into another headlong decline today, under the influence of acute weakness in the railroad shares, more than a dozen of which sold at new low levels for the year or lower.

Losses of $2 to $6 a share were numerous in practically all groups of stocks, and a few extreme declines ran to $15. The liquidation of the rail issues reflects unfavorable earnings reports for the first quarter.

Pere Marquette dropped $14 a share, and New York Central, Atchison and Northern Pacific lost $6 a share or more. Missouri Pacific and Southern Railway declined about $3 to $4 a share. In the industrials J. I. Case was bid up $7.25 to $352, only to fall back to $330. U. S. Steel lost more than $4, sagging below $180. Eastman Kodak dropped about $7. Sales approximated 4,600,000 shares.

Democrat Endorses Williams

To the Editor:

I am sending you the following statement for publication:

"In both the great parties of the United States today there are men who, altho affiliated with a party and representing it, can look beyond the limitations of personal and party interests to the larger welfare. Honorable Ralph E. Williams has had this larger vision, and in his work at the nation's capital he has on all occasions vigorously supported every project that would secure aid from the federal government for the development and upbuilding of the state of Oregon.

"In matters pertaining to the advancement of shipping and commerce in Oregon he has at all times given the fullest cooperation both to the shipping interests and to the United States Shipping board. This has been unusually valuable because of the experience, standing and wide acquaintance his long service as national committeeman has given him.

"As a commissioner of the United States shipping board, I esteem Mr. Williams' cooperation, and wish to express my appreciation of the assistance he has given me in dealing with all matters of interest to Oregon."

JEFFERSON MYERS,
Commissioner.
