STARS BATTER DUCK HEAVERS FOR 15-5 WIN

Mays, Chesterfield and Beck Unable to Stem Tide of Hits—Oaks Trounce Los Angeles in Hot Tilt.

(By the Associated Press.)
The Hollywood Stars unlimbered their heavy artillery on Carl Mays' offerings to defeat the Portland Ducks, 11 to 5, yesterday. Chesterfield and Beck followed Mays to the mound after the seventh and found the going just as hard. Rumber added to the Portland rout by hitting a home run with a man on in the seventh. Turner followed Hollerson to the box for Hollywood to get credit for the victory.

The league leading Oaks had a firmer hold on the favored position in the Pacific Coast league standings today by virtue of a terrific eighth inning at Wrigley field yesterday in which they tallied six times to defeat the Angels, 6 to 3.

The Oaks had drawn seven blanks in a row from Clyde Barfoot while Skiff and Schulerich clouted Daglia around the lot to give the Angels a three-run lead. Then came the wild eighth. Skiff singled and Devlin repeated. Griffin slammed one to center for a single, scoring Uhalt. Buzz Arlett caught the fever by hitting past Schulerich to score Divilrovo and Griffin. With the score tied and Arlett on second, Verzh hit one to deep left. Arlett was out at the plate, but Verzh wound up on third.

Seals Beat Solons
The San Francisco Solons unbarred in May day at Recreation park in impressive fashion to overwhelm the Sacramento Senators, 13 to 2. Sheely found the bases full in the first and slammed one into the bleachers to give the Seals a three-run lead, which grew rapidly at the expense of three Sacramento hurlers.

McQuaid held the Seattle Indians to a single run while the Mission Reds found Paul Zahniser for four tallies. Zahniser walked the lead-off man in the second and third innings and the Missions rang the bell once as a result of each stanza. Seattle counted its only run when Barrott doubled to left, went to third on Zahniser's safe punt and came home when Ellisworth's fly to center was caught.

Dr. Willing of Portland Veteran of Walker Golf Cup Competition

By Brian Bell, Associated Press Sports Writer

NEW YORK—(AP)—Dr. O. F. Willing, runner-up in the last amateur golf championship of the United States, is the veteran in action on the Walker cup team.

The Portland, Ore., dentist, however, asked no consideration on a golf course on account of his years.

He entered Walker cup competition with a great thrill in 1923 when the international matches were played at St. Andrews. The score was tied at 1 to 5 with the match between Dr. Willing and W. A. Murray left to decide the issue. The American won the match, two up and one to play.

He won his singles match the following year as he did not play in the foursomes in 1923 or 1924, his Walker cup score stands at two points single-handed.

The Oregonian went to the final match in the amateur last year where he was defeated by Jimmy Johnston, four up and three to play, after Willing had stopped Cyril Talley, the British amateur champion, among others.

"I am looking forward with much interest to my Walker cup matches at Sandwich," said Dr. Willing. "I believe the British team this year will be the strongest they have ever assembled."

MAJORS FACING REAL TEST AS EAST, WEST VIE

Opening of Intersectional Games Gives First Hint of Relative Strength for Season.

By Hugh S. Gallerton, Associated Press Sports Writer

The opening of the intersectional play in the major leagues is generally considered as starting the first real tests of relative strength among the teams. Prior to the first East-West games, they engage in a sort of round-robin affair which may give one team a long winning or losing streak for no particular reason, but when one division is lined up against another there usually are important changes.

The intersectional action of 1930 campaign begins in earnest today after a two-game preview yesterday which gave an exciting hint of what may happen.

In the American league contest, the father battered world's champion, the Philadelphia Athletics, opened their first real attack of the year to trounce the Detroit Tigers, 19 to 2. The Athletics are in fourth place after the eastern series, due principally to their inability to make progress against Washington. Of the five games they lost, four were to the Senators. But Washington outclassed every eastern opponent to take the league leadership.

Athletics in Batfist
Against Detroit, the Athletics played a vastly different brand of baseball. They started slugging with the first pitch as Max Bishop opened the action with a home-run, and they showed up in only two runs in the first.

Some of the most thoughtful of the professionals are outspoken in favor of the metallic shaft for all clubs. One of them, Harry Stephens, an English professional stationed in the last eight years at the Druid Hills golf club, Atlanta, has devised a coupling by which the standard iron-club's socket or head is fitted without change to a steel shaft. Harry is one of the very finest club-makers in America, and his wood shafts are things of beauty and a joy forever; but he told me the other day he was inclining more and more to the steel.

So far as I can observe, it doesn't make a lot of difference to either expert or duffer, beyond his fancy. But one's fancy often means a good deal, in golf.

OUT & KEELER'S GOLF BAG

Horton's swing is so beautifully grooved and so mechanically perfect that I really do not believe it makes much difference what he uses for the shafts of his clubs. Some of the critics explained his not very impressive showing in the British open last summer by the fact that he was compelled to use wood shafts, playing in British events, while he had been employing steel shafts in his wood clubs over here. Recently the Royal and Ancient Golf club of St. Andrews approved the steel shafts for all competitions in Great Britain, so that Horton Smith's entry this season will not encounter any mechanical handicaps on his prospective invasion.

SEPIA FIGHTER GETS SHOT AT WELTER CROWN MEET

By CHARLES W. DUNKLEY, Associated Press Sports Writer

JACKIE Fields defends his welter weight crown against Young Jack Thompson here on May 2, boxing fans will be watching the first negro contender to get a shot at the 147-pound title in 29 years.

Joe Walcott, the Barbadoes Deacon, was the last negro to get a chance at a title holder. He made good, knocking out Rube Fern in two rounds at Toronto on December 18, 1901. From Honey Melody, who won from Walcott in 1904 and on down, all the welter weight title holders have drawn the color line.

The Detroit bout will be the first in which Fields has risked his title, for he won it 10 months ago from Joe Dundee on a foul in two rounds.

The champion chose Detroit for his promoters because he thinks it is his lucky spot. Thompson's manager liked Detroit because Michigan permits 15 rounds. Thompson, always a fast finisher, believes he can whip Fields at a longer distance.

Fields has shaded Thompson in two previous bouts. One of them, a roaring battle in Chicago, was interrupted in the eighth round by a panic that resulted in the death of two spectators and the injury to several scores.

For a year Thompson has been camping on Fields' trail. The negro was not generally recognized as title timber until a few weeks ago when he gave Jimmy McLarnin a hard fight in a Madison Square Garden bout. McLarnin, however, won a close decision.

SEATTLE, Wash., May 2.—(AP)—The eighteenth annual northwestern international bowling congress will open here tonight for a 16-day stay with 216 men's and women's teams competing from Washington, Oregon, California, Montana and British Columbia. The 196 men's combinations will compete from tonight until May 11 and the women will roll from May 9 to 11.

SEATTLE, Wash., May 2.—(AP)—Sixteen Seattle bowlers five will start the tourney tonight with the out of town pros—smashers getting under way tomorrow night.

STRANGLER DEFEATS ZIKOR TWO STRAIGHT

VANCOUVER, B. C., May 2.—(AP)—Ed "Strangler" Lewis defeated Martin Zikor in straight falls here last night. Lewis took the first with a double wristlock and the final fall with a double wristlock. Ted Thye and Gene Lesdoux wrestled to a draw with one fall each in the semi-final.

MEDFORD TEAM RATED STRONG IN S. O. LEAGUE

The Medford Merchants team of the Southern Oregon Baseball league will make its opening bow to the fans of this section Sunday at the fairgrounds, playing the Ashland team, Klamath Falls and Bend will play at Klamath Falls. The season opening was scheduled for last Sunday, but rain interfered.

The Medford team is rated as strong as any that have represented this city in recent years, and there are many familiar faces in the lineup. These include Cliff Best, who will do the hurling; Chester, moved from behind the plate to third base, and still hitting long drives; the Dunn boys—Harry and Clarence, and Valencia on first base. George Markle will officiate in the outfield, along with Dye and Bohls. Al Roulette will catch Sunday.

Ivan Harrington, high school catcher, and Montgomery, pitcher, are on the reserve list, and may see action.

As soon as the University of Oregon term ends, Jack Hughes, freshman pitching star of that institution, will join the locals. Hughes let the Eugene high school down Wednesday with two hits, and is regarded as the likeliest pitching prospect in years on the campus.

A special attraction Sunday, the Elks' band, under the direction of E. Wilson Walte, will render sweet music before and during the game, which starts at 2:30 o'clock.

The lineup:
Ashland—1B.....Valencia
Conlin.....2B.....C. Dunn
Tulen.....3B.....Chester
Mahoney.....4B.....H. Dunn
Hans.....RF.....Bohls
Keaton.....CF.....Brackett
Ludwig.....LF.....Markle
Marvin.....P.....Best
Kaufman.....C.....Droulette
Utility: Ashland—Hoxie; reserve pitchers, Montgomery, Reed and Kanasta; Medford, Dye, Silvers.

THREE KNOCKOUTS SEEN IN PORTLAND; GARNERA EXHIBITS

PORTLAND, Ore., May 2.—(AP)—Three knockouts featured last night's boxing card with the Mickey Dolan-Jean Boireau bout carrying off first honors. Dolan was awarded a technical knockout at the end of the fourth round when Boireau was unable to continue owing to a badly broken nose. It was a slugging match with both boys doing effective work. Dolan floored the Frenchman twice in the third round. Jack Silver made short work of Tommy Hogan when he planted a hard right behind Hogan's ear in the first round, Hogan going down for the count. Spud Murphy scored a knockout over Kid Dennis in the second of a four-round preliminary. Jimmy Dolan took a 10-round decision over Ivan Laffineur of France.

Primo Carnera, the Italian mountain man, boxed two rounds each with Peter Jackson, Tom Moore and Art Shearer in an exhibition, but he forgot himself in the first round of his tilt with Shearer and dropped the ex-amateur with a blow from one of his pillow gloves.

ORANGEMEN DEFEATED BY WASHINGTON STATE

CORVALLIS, Ore., May 2.—(AP)—Washington State baseball team evened the count with Oregon yesterday when the defeat-streaked Orangemen 5 to 4 on home runs by Jones and Mitchell, in the fifth inning. Score: Oregon State.....5 7 1
Washington State.....4 3 0
Nelson, Jones and Mitchell; Boutlinghouse and Mack.

HIGH SCHOOL NINE HAS TWO GAMES

The Medford high school baseball team will have a busy week-end. Today they play Myrtle Creek, at the local fairgrounds, and Saturday afternoon they play Klamath Falls at Klamath Falls. Montgomery and Wisley will constitute the battery against Myrtle Point, and Caldwell and Harrington, in the Klamath Falls game.

The lineup as given out by Coach Hagan includes Clay, Davisson, outfielders; Montgomery and Caldwell left fielders; Gray, Smith, infielders; Harrington, Wisly, catchers.

YOUTH WON 100 RACES, BARRED AS UNDER AGE

CHICAGO, (AP)—Verlyn Smith is just a little boy; he looks like a little boy, and that is why he is on the ground, instead of riding thoroughbreds to victory. Kentucky barred Smith because he was under age, taking a cue from Louisiana which found he was 17 instead of 16, the lowest riding age.

Smith, a jockey with a fine seat on a horse, possessing nerve and judge of pace' rode more than 100 horses to victory in Illinois last year, most of them in Chicago. He started at Fairmount, near East St. Louis, last year.

COLUMBUS, O.—(AP)—The golfing form of Bobby Jones, said to be the most perfect in the game, and that of other stars, is to be shown in its entirety by slow motion pictures during the annual meeting of the Professional Golfers' association here next February.

ZACH'S WIN STRING BROKEN BY PROXY

NEW YORK (AP)—Old Tom Zachary won 12 straight ball games for the Yankees last year, his last one. His last victory, however, really was 13, because he won the third game of the 1928 world series between the Yankees and the St. Louis Cardinals. Now he has lost one.

Zachary pitched himself into a hole in a recent game with Washington, and Rob Shawkey, Yankees manager, wouldn't let him pitch himself out again.

Shawkey, desperate for a victory, after the Yankees made a pedestrian start in the early games of the season, nervously removed Zachary when the Senators batted up to tie the score. Roy Sheard was sent in there. A base hit followed. Then Gordon Rhodes went in. Another hit came, meantime, a Washington batsman, whom Zachary had placed on first, scored the winning run. Consequently, Zachary was charged with the loss, and his string of games won was broken.

Hill Crest Slope Conquered by Hepburn and Powerful Erskine

Another mark in motor car supremacy has been established. And Ralph Hepburn, racer of national fame, in the new dynamic Erskine Standard sedan, handled by the Studebaker-Erskine agency of this city, did the work. Stopping in Medford yesterday for a short conference with G. V. Myers and other members of the local agency, he decided to give them a treat by showing what the new Erskine can do. They picked the toughest hill available for the test run and Hepburn started out. He conquered the Hill Crest Orchard hill, east of Medford, in high. This morning he went on to Klamath Falls, leaving local auto fans to think about it.

Before starting the test trip Hepburn, who has been demonstrating Erskines on all difficult hills of the United States, coming to Medford from some steep climbs in California, unloaded the newspaper representatives who went along to view the feat.

He tied the gear in high. Took the corner, always do. I'd just like to see any other car make the climb. That's a challenge."

Hepburn has been driving the same model up unconquered hills for several months and there is not a rattle in the body. He will continue with similar test drives in other parts of Oregon for the Studebaker-Erskine agency of the United States before returning east, where he may enter the summer races.

WISCONSIN MAN DISCOVERS AN EASY WAY TO GET RID OF PILES

Got Disgusted with Nasty Salves, Suffered Terribly
EVERYONE WITH PILES CAN DO SAME THING
"I hope nobody else in the world suffers six long years with piles and wastes all the time I did on salves and such stuff," declares Mr. John Lunde, well known Wagon Maker, 213 South Center Street, Beaver Dam, Wisconsin.

"I had to keep trying something to keep from suffering. My case was bad, but a thing helped me until I read the testimonial of a man suffering with piles who claimed he was helped by Colac Pile Pills. I sent away for a couple bottles and began using them; you swallow a couple three times a day—and strange as it seems, they helped me from the start and today my piles are gone and I feel more like a human being. Life is worth living again. Thousands of men and women who suffer with piles are discovering that such troubles can be quickly, easily, painlessly, internally way. No body suffer another day? Doctors prescribe these pills, which you may now obtain, 45 pills in a bottle, sufficient for a full week's treatment, for 75c at drug store, Colac Chemical Co., 325 North 1st St., Milwaukee, Wis. Money back without quibble or question if Colac Pile Pills fail to banish your troubles. You are sole judge."

Mother of Five Healthy Children Speaks

Everett, Wash.—"There is nothing so helpful in our household as Dr. Pierce's Favorite Prescription. I am the mother of five as fine, healthy children as any one could wish for and I give this medicine great credit, for I took it each time and it kept me in such good physical condition that I was always able to do my own work up to the last—never lost my strength at any time. I would not think of going thru expectancy without taking this tonic."—Mrs. C. E. Armstrong, 2811 Victor Place.
