

Local and Personal

No Definite Plans Made
According to Mayor A. W. Pipes of this city no definite plans have yet been made as to the improvements of the city playground at the foot of the Bear creek bridge. The playground has been enjoyed greatly by all the children in Medford and during the time it has been closed many little tots have had nothing to amuse them. It will again be opened to the public as soon after school is out as possible, after which a supervisor will be appointed by the mayor with the applicant's consent.
