BEAVERS TAKE EDGE IN SERIES AGAINST STARS

Sunday Double Header Divided—Bean Ball Causes Battle in First Tilt—Senators Take Lead.

By the Associated Press
The Portland Beavers won the series from the Hollywood Stars, four games to two, splitting a double header with the movie city team yesterday. The Beavers took the forenoon game, 8 to 7, after a spirited contest which was featured by a fight between Chatham and Pitech. The Ducks felt that Wetzol was a bit too careless in "beating" O'well in the eighth. Walter "The Great" Mails shut out the Stars for seven innings in the second game only to have Hollywood rally in the eighth to score five runs and tally four times again in the ninth to win, 5 to 2.

The Sacramento Senators not only broke a two-year losing streak to the San Francisco Seals last week, but also moved into the favored position in the Coast league standings by virtue of a series victory over San Francisco, four games to three.

The Senators wound up the series in impressive style, taking a double-header from the Seals at Recreation park yesterday. Ray Thomas pitched masterful ball to give the Senators the morning game 7 to 2 while Zinn and Freitas gave a fine exhibition to win the nightcap, 4 to 3.

Angels Climb.

The Los Angeles Angels also climbed up a few notches and settled in second place after walling the Oakland Oaks, league leaders last week, in a double header. Truck Hannah homed over the left field wall of Wrigley field with two men on bases to give the Angels the morning game, 3 to 2, while Ballou held the Oaks to six scattered hits with his teammates punching timely bingles to win the nightcap, 5 to 2. The last game was a seven-inning affair. The double victory gave the Angels the series, four games to two, with the game being rained out.

The Seattle Indians broke even in a six game series with the Mission Reds, after taking both halves of yesterday's double header, 9 to 3 and 1 to 3. The Tebbelmen outplayed the Reds, scoring five runs in the eighth inning to win the morning fray, which was featured by Paul Zahniser's fine pitching. Elmer Hanson, making his first start for Seattle this season, took the seven-inning nightcap in an impressive manner, pitching five no-hit, no-run frames before the Missions found the range.

Strangler Lewis Says Bob Kruse Is Coming Mat Star; Lacks Caution

Bob Kruse, Portland wrestler, has all the possibilities of developing into one of the nation's top-notch men, but at the present is a little inclined to become excited and give his opponent too many openings for victory, Ed (Strangler) Lewis, ex-world's heavyweight champion wrestler, said Saturday evening upon the completion of his final match with Kruse. Lewis was alone in his dressing room, rubbing himself down with alcohol and was still breathing hard from the effects of the 35-minute tussle with Kruse. Lewis opened a short conversation referring to Kruse. "That boy gave me hard work and he's a comer, but he loses his head when he becomes too anxious for victory. I worked hard to throw him as soon as I did," Lewis said. The ex-champion went on to tell of the revival of wrestling as a favorite sport, out-shadowing boxing in many cities throughout the nation. Lewis had six matches last week and is billed ahead until June 23 in California and throughout the middlewest. Fighting has gone back to a stage of inactivity and there are no especially outstanding fighters in the business, Lewis said, and probably not until there are willougham regain its former footing. Lewis thinks that Gus Sonnenberg is due for defeat when he meets the Montana wrestler, Young Marshall, in a match at Los Angeles tonight. Marshall defeated Lewis recently and did it better than Sonnenberg, whose flying tackle is his big selling point. The flying tackle, the ex-champ explained, strikes the opponent right over the heart and renders the victim helpless. The tackle is more effective than the rabbit punch, a favorite of Lewis. The ex-champ weighs 225 pounds and despite his over 40 years is still in the pink of condition. He remembers his last match in Medford when he defeated Bill Shaw in five minutes. He inquired for the whereabouts of Sailor Jack Wood, who promoted the bout and passed a few bouquets in his direction. Wood left Medford a year ago and is now in the middlewest, Lewis was told.

3 TEAMS GIVE MAJORS THRILL BY LATE RALLY

Robins, Cardinals and Indians Furnish Fireworks for Fans—Indians Gain American Lead.

By Hugh S. Fullerton, Jr., Associated Press Sports Writer.
Three clubs which have been thrilling the fans by scoring their runs in big bunches and at the last possible moment in the games have been accomplishing surprising feats in the major leagues during the past few days. These three are the Brooklyn Robins, St. Louis Cardinals and Cleveland Indians. Brooklyn and the Cardinals have staged a series of slugging battles at St. Louis that never were decided until the final out was made but on each occasion, the Robins came out ahead by a run or two to sweep the four game series and to carry their winning streak to seven games. A double victory yesterday put the Robins in fourth place in the National league standing. On Saturday, St. Louis tied the score in the ninth inning and barely missed again in the tenth, when Brooklyn scored five runs and St. Louis four. Yesterday, Ray Phelps, Robins rookie, outpitched Bill Hallahan to win the first game, 2 to 1, without any Cardinal rallies but in the second the Cards repeated their act of getting four runs in the ninth and carried the battle in 11 innings before the Robins scored three runs to win, 11 to 19. Cleveland rallies. Three times in succession, Cleveland put on late rallies against the Boston Red Sox and won three games by doing it. They came from far behind yesterday, scoring five runs in the ninth inning and one in the tenth for an 8 to 7 victory. This sixth successive triumph put the Indians in first place in the American league as the St. Louis Browns won their second game in succession from Washington by an 8 to 6 score. The New York Yankees brought another change in the American league standing, moving into sixth place ahead of Boston by beating the Chicago White Sox, 7 to 4. Babe Ruth's third home run of the year helped the Yankees considerably. In the fourth American league game, Bill Shores of the Athletics and George Uhle of Detroit staged a battle that remained a 1-1 tie for six innings, then the Philadelphia slugger got started and they pounded out six runs and a 7 to 1 victory in the last three frames. The Cincinnati Reds altered the National league standing considerably by downing the New York Giants, 8 to 4, behind the good pitching of Jackie May. The Giants dropped into second place behind the idle Pittsburgh Pirates thru the defeat while the Reds jumped from last place to sixth. The Chicago Cubs won another close game from Philadelphia 8 to 7 when Lou Koupal made a costly wild pitch inning and let Day Taylor cross the plate with the deciding run. The Phillies had just completed an uphill struggle to tie the score with two runs in the first half of the ninth.

ANGLERS REPORT POOR LUCK OVER SUNDAY IN RIVER

Fishing in Rogue river yesterday was not good and tributary streams while somewhat better, were also not up to the average, anglers reported today. However, quite a number of trout were caught in Fish lake but the number there, too, was under average. Elder Conner and Al Piche caught the limit in a few hours. Another fishing party, E. R. Living and Robert Stevens failed to catch the limit. There was still snow on the ground and boats were not in demand as they have been on other Sundays, Piche reported. Aubrey Norris fished in Butte yesterday and took out 15 trout and fishing in the same stream, Bert Rostel landed a 15-inch trout and several smaller ones. The creek attracted many local fishermen, but the most of them just fished and went home with very small catches. Savage Rapids attracted the usual number of salmon fishermen and several were caught, though they were not hitting as they were last year at this time. However, a big run is in progress and better catches are anticipated. With the arrival of more sunshine and warmer weather, angling is expected to improve and be as good as it was before the recent rains when anglers hooked the limit of 30 fish in the river easily in a forenoon. Californians are making their appearance along the river and lower streams and yesterday found several California parties at choice fishing holes.

MEDFORD WINS OPENING GAME FROM LITHIANS

Medford defeated Ashland in the opening game of the Southern Oregon Baseball league yesterday, 16 to 11, in a rancid game, before a fair-sized crowd of the faithful. Both teams showed a lack of practice, and the eyesight of the umpire also showed the same weakness. Errors were responsible for most of the runs. Ashland scored three runs in the first inning, and it took the locals four innings to take the lead. They then ran the score up to 16 to 5, giving Pioneer Reed a bombardment. Cliff Best started on the mound for Medford, and retired in the fifth for Montgomery, high school hurler. He did fairly well all the final inning, when the Lithians started to peek his offerings freely. They ran in five scores, aided by errors. Medford tightened, however, and held their lead. Klammath Falls defeated Bend, 8 to 5, in the other game on the league schedule.
