A STEP FORWARD

Believing in the City of Medford, McPherson's, one of Medford's leading exclusive men's shops takes another step forward. This firm started in the clothing business five years ago in our present location and by constantly watching every step, has grown with the city until now it becomes necessary to move to new quarters at 212 E. Main street. We are making radical changes. When our new home is ready for us we are going to have a strictly modern store with modern fixtures manufactured and installed by the Trowbridge Cabinet Works of Medford, a HOME INDUSTRY. We are going to have a store that we will be proud of and the city of Medford will be proud of. We are going to change everything except our business policy, that of giving the people the best of merchandise at all times at the lowest possible price, striving always to give the best service guarding always the confidence and welfare of our customers, always doing just what we advertise and making no promise that could not be fulfilled. Now we are moving to our new home in the very near future. Just as soon as the room is remodeled and fixtures are installed and we want to open with a sparkling new stock second to none in Southern Oregon. For this reason only we are launching this Great Removal Sale, for not one dollar's worth of our present stock do we want in our new store. We are entering into the sale determined to make it the greatest sale in the history of this firm both in volume and value giving.

FRED McPHERSON.
