## CUBS OUTSHINE RIVALS AFTER BELATED START

### Winning Streak Goes to Seven Games — Cuyler and Wilson Snare Homers to Break Up Game.

By Hugh S. Fullerton, Jr., Associated Press Sports Writer.

It took the Chicago Cubs a couple of weeks to get started in the chase for another National league pennant, but once they did get under way, they promptly began to outshine every other team in the league.

The Cubs ended their stand against their western rivals May 2 by defeating Pittsburgh to gain a .560 average. Since then they have not lost a game, running their winning streak to seven straight games by beating the Phillies and Brooklyn each three times.

The Cubs did it again yesterday in the only game of the seven in which they have had to call on two pitchers. After seven innings of a close battle between Bob Osborn and Ray Phelps, big Brooklyn rookie moundman, the Cubs put two men on base and Kiki Cuyler routed the Tobins with a home run. Hack Wilson followed with another and Chicago wound up with a 7 to 4 victory.

The Cincinnati Reds made it three victories in their four-game series with the Boston Braves, winning 2 to 1.

"Wild Bill" Hallahan of the St. Louis Cardinals continued his pursuit of the National league strike-out crown for the year as the Cardinals handed the Phillies their sixth straight defeat, 4 to 2. He fanned eight, bringing his total to 33.

Bill Shores of the Philadelphia Athletics also pitched a four hit game against the St. Louis Browns to gain a 7 to 3 victory.

Jack Russell turned in another of the day's good pitching feats by holding the Chicago White Sox to six thurly scattered hits while Boston touched Al Thomas for 13 blows and a 3 to 1 victory.

"Sad Sam" Jones was as effective as usual on the mound though not particularly brilliant in hurling Washington to an 8 to 5 victory over the Detroit Tigers. The New York Yankees and Cleveland managed to play only one inning before a shower drowned out the fourth American league game.

The New York Giants again produced the day's heaviest hitting although they had to go ten innings to beat out Pittsburgh by a 13 to 10 count.

## NOBODY NEEDS TO HAVE GRAY HAIR AND LOOK OLD ANYMORE

This Man Aged Sixty-five, Once Old Looking and Gray, Looks Like Only Forty Now

### GRAY HAIR DISAPPEARED AFTER USING REMARKABLE NEW TONIC

#### Has Made His Hair Look Well Groomed, Thick and Youthful

"I had occasion to apply for a position not long ago and I noticed the men though gray haired themselves, took one look at my gray hair which gave me an aged appearance and my chances for that job were gone. The minute folks see your gray hairs they class you as old. It isn't fair, but it's true, no matter how much a person desires it," declares Mr. Max Gabler, well known Florist of Oshkosh, Wisconsin, Route 6.

"My general health and appearance is good, but the gray hairs gave away my age (65), so I quietly began rubbing a little Lea's Hair Tonic into my scalp each night with my finger tips. I figured that even the friends recommended it, that it was some sort of humbug, dye or pure bunk, but to my surprise my gray hair began gradually getting darker and like the rest. After using three bottles all my hair was the same youthful color, full of life and splendid looking and the change came so gradual folks seeing me every day never noticed the change although people who hadn't seen me for sometime remarked right away how much younger and better I was looking. I'll admit it made me look more like forty than sixty-five, and so I've got no kick coming. Nearly every gray hair in my head changed back and so I've continued to use it now and then. Nobody can tell you are using anything—not even the barber, so to everybody I recommend Lea's Hair Tonic," continued Mr. Gabler.

Lea's Hair Tonic is a clear, colorless, liquid oil massaged into the scalp and seems to stimulate nature back on the job of giving you a healthy, vigorous growth of hair in place of streaked or gray patches. It is amazing how one's appearance is improved. It takes years from your age and so harmless and simple to use no one should hesitate. It is sold on positive guarantee by druggists, near by everywhere now, or send \$1 in cash, check or stamps for both directions, return mail; backed up by printed guarantee of money back without question if it fails. You are sole judge. Sent C. O. D. parcels post, 12c extra. Lea Tonic Co., Brentwood, Md.

## MENDENHALL IS HIGH GUNNER IN TRAP PRACTICE

### Local Man Breaks 98 Clay Pigeons in 16-Yard Warm Up Feature of Portland Trap Tournery.

PORTLAND, Ore., May 9.—(Sp.) Attendance at the Portland Gun club traps yesterday which was designated as practice day for the annual tournament of the Northwest Sportsmen's association which started today indicated a record entry for the only major tournament to be held here this year.

Fifty shooters availed themselves of the opportunity to sharpen up their shooting eyes and also to familiarize themselves with shooting conditions at Everding Park. Practice scores also indicated that there probably will be marks hung up before the three day tournament is over.

Two scores of 98 were shot in the 160 16-yard target practice. One was made by S. S. Mendenhall of Medford, Ore., and the other by Bill Hixon, nationally known professional gunner of Denver, Colo. Frank Troeb, Portland, another nationally and internationally known shooter, broke 49 out of 50. E. Nitscheim, Klamath Falls, Ore., who broke 32 out of 100, lost but one target in the 50 bird handicap and R. F. Miller, Coquille Ore., shattered 47 of the handicap targets.

Gunners from Seattle, Spokane and cities in Idaho will participate.

## 1932 OLYMPICS MIGHT BE SHY OF EUROPEANS

BERLIN (Sp.)—Unless the costs of participating in the Los Angeles Olympic Games of 1932 are greatly reduced, European attendance will be disappointingly small.

The warning was sounded by Former State's Secretary Theodor Lewald, president of the German Athletic Federation and member of the international Olympic committee.

"At recent meetings of the executive committee of the international Olympic committee," he said, "in which, unfortunately, our American colleague, General Sherrill, and our English colleague, General Kentist, could not participate, there was unanimity of opinion as to the great difficulty of raising the means for sending European entries to Los Angeles.

"Unfortunately we have no information whatever as to whether the organizing committee in Los Angeles will be in a position to supply free or even reduced railway transportation from and to New York.

**Costs High**  
The mere ticket with sleeper New York-Los Angeles and return costs almost \$200. The steamship companies offer a 25 per cent reduction, so that the ocean voyage, both ways, would not cost more than about \$140.

"I doubt very much whether the number of participants from Europe, including physicians, massagers, judges, officials, etc., will exceed 1,000.

"If the full railway fare must be paid, the expense per person will be at least \$1200. You know Germany's economic and financial position well enough to realize that, at a basis of 150 participants, it would be impossible to raise 750,000 marks in Germany. What is true of Germany applies with equal force to all European countries, large, middle-sized, and small.

"Hence, if America, and especially the organizing committee in Los Angeles, desires strong European participation, it will have to make considerable sacrifices—sacrifices which, however, would be counter-balanced by increased gate receipts."

## CRIPPLED ATHLETE WILL HURL SPEAR

OMAHA, Neb., May 9.—(Sp.) The sight of a javelin tussler hobbling forth on crutches to do battle for Tech high of Omaha, may greet spectators at the Nebraska state high school track meet at Lincoln Friday.

The athlete, Glenn Jones, recently suffered an injury that put him on crutches.

New Tech coaches, who believe Jones is capable of winning the event and the star's doctor are considering seating his right leg in a plaster cast, taping it heavily and letting him hobble to the line or crutches.

Once on the line, Jones says he will toss the crutches aside, balance himself on his left leg and heave the spear.

## JOCKEY KILLED IN FALL AT BARRIER

BALTIMORE, May 9.—(Sp.) Jockey Alfred Williams died last night from injuries received yesterday when his mount in the Glenmore steeple chase at Pimlico Royal Downs fell going over the club house jump.

Williams was riding close to Lizard, with P. Watkins up at the jump. Royal Town failed to clear the barrier, fell, and rolled over on his jockey. Lizard was unable to clear the barrier and Royal Town also fell throwing Watkins to the side of the course. Watkins was uninjured.

Williams was taken to a hospital and an emergency operation performed but he died soon.

## CHAMPION FIELDS WILL RISK TITLE

It will be the first time in 29 years that a negro will have an opportunity to win the 145-pound title. It also will be Fields' first defense of the crown, which he won in Detroit last July by defeating Joe Dundee on a foul in two rounds.

## OREGON FOOTBALLERS END SPRING PRACTICE

## BEAVERS LOSE TWIN BILL TO SEATTLE NINE

### Victories Put Indians in Tie With Missions for Fifth Place — Angels Again Drub Missions.

By the Associated Press

Seattle took a doubleheader from the lowly Portland Beaver-Ducks yesterday, winning the first 7 to 5 and the nightcap, a 12-inning affair, 7 to 2. Their victories put the Indians in a tie with the Missions for fifth place in the standings.

Carl Mays and Wilbur Hubbell battled thirteen innings with the score deadlocked before Seattle broke through to score five runs. The break, between second and third place standings had widened considerably today, the Angels and Sacramento Senators both having won their games of yesterday while the teams next in line, San Francisco and Oakland, were losing.

Los Angeles made it three straight over the San Francisco Missions here by winning 4 to 0 while Sacramento was defeating Oakland 8 to 2 in a protracted affair across the bay.

The Senator-Acorn contest lasted two hours and 20 minutes but it went only the regulation nine innings. The outstanding feature of the game was the pitching of Fay Thomas, former University of Southern California athlete, who fanned 11 Oaks and held them to nine scattered hits.

At Los Angeles, Hollywood duplicated the Angels' feat here, making it three straight over the San Francisco Seals. The Stars won yesterday's encounter 5 to 2. This despite the stellar performance of Frankie Crosetti, Seal shortstop, who averaged two bases in each of five trips to the plate. Crosetti collected a homer, triple, double and single for a total of ten bases in his first four times at bat.

**What this Doctor did for Humanity**

As a young man the late Dr. R. V. Pierce practiced medicine in Pennsylvania and was known far and near for his great success in alleviating disease. Finally he moved to Buffalo, N. Y., and set up in ready-to-use form, his GOLDEN MEDICAL DISCOVERY, the well-known tonic to the blood. This strength builder is made from a formula which Dr. Pierce found most effective when in private practice.

It aids digestion, acts as a tonic and enriches the blood—clears away pimples and annoying eruptions and tends to keep the complexion fresh and clear. All druggists. Tablets or liquid.

## JACK WILL FIGHT IF ABLE TO GAIN GOOD CONDITION

ROCHESTER, Minn., May 9.—(Sp.) Jack Dempsey, former world's heavyweight boxing champion, reiterated that he would fight again if he can get in condition, in a talk and "informal quiz" before a joint meeting of the Rochester Kiwanis and Rotary clubs yesterday.

"Shortly after I leave here I will go into training," the former champion said. "But I will not fight unless I get in 100 per cent shape. I want to be sure of it before I re-enter the ring."

Dempsey is recovering at the Mayo clinic following a minor operation.

"Carnera," Dempsey said when questioned about the big Italian, "has not fought anyone tough enough to give a real indication, but a man of his size must be considered."

"Max Schmeling will be close match for Jack Sharkey," Dempsey continued. "The fight will be so close that only when all the little things that happen during the training period have been considered we will be able to guess accurately on the winner."
