

THIS GROWER GOT

90% LESS CULLS IN 1929 THAN IN 1928

"In 1928 we averaged better than 65 per cent worms in our apples. In 1929, after three applications of ORTHOL-K and Lead, we averaged less than 5 per cent worms and stings. Furthermore, we quit spraying in July, and as you know some of the worst worm damage occurred after this date." So writes a well-known grower of Brewster, Washington, whose letter is on file at our office.

His experience, like that of many other growers, proves that it pays to get real control of the first brood... and that ORTHOL-K and Lead in combination does give real control. ORTHOL-K kills the eggs and the Lead kills the worms.

The school children, excepting the seventh and eighth grades will have a three days' vacation this week. Wednesday and Thursday being examination and Friday the school house will be used as a polling place.

HEADACHE?

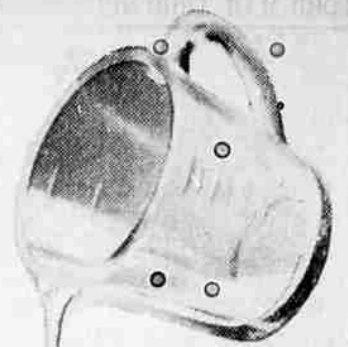

Why suffer when relief is prompt and harmless:

Millions of people have learned to depend on Bayer Aspirin to relieve a sudden headache. They know it eases the pain so quickly. And that it is so harmless. Genuine Bayer Aspirin never harms the heart. Look for the Bayer Cross stamped on every tablet.

BAYER ASPIRIN

You can't go wrong in making biscuits if you add the milk

only a little at a time

Biscuit dough must be light and spongy. And the way to get that consistency is to add the milk a little at a time. To give coffee a rich, uniform flavor every berry must be roasted evenly. That's the reason Hills Bros. discovered and patented Controlled Roasting. This continuous process insures uniform goodness in every ounce because only a few pounds at a time pass through the roasters. Bulk-roasting methods can never produce the same delicious flavor that Controlled Roasting does.

Tasting is believing. Ask for Hills Bros. Coffee by name and be sure to look for the Arab—the trade-mark—on the can. Hills Bros. Coffee is packed in vacuum tins in which is sealed all the wonderful flavor and strength produced by Controlled Roasting.

Hills Bros never go wrong in developing perfect coffee flavor because they roast only a few pounds at a time—continuously

HILLS BROS COFFEE

GRANDMA CANTRALL RELATES PAST DAYS

JACKSONVILLE, Ore., May 15.—(Spl.)—Grandma Cantrall, 84, who is recovering from a long illness, had as dinner guests Mother's day Mr. and Mrs. Bill Ray at the home of her daughter, Amy, where a splendid dinner with turkey and refreshments was greatly enjoyed.

JACKSONVILLE P. T. A. POSTPONES ELECTION

JACKSONVILLE, Ore., May 15.—(Spl.)—A meeting of the Parent-Teachers' association was held in the high school auditorium Friday afternoon.

As there was not a quorum present, the election of officers was postponed until the first meeting in the fall. A nominating committee was appointed by the presi-

dent. Members of this committee are Mrs. Archie Bowman, Mrs. Henry Miller and Mrs. G. O. Sanderson.

Mrs. Crump's room, having the largest representation of parents

and friends present, won the book to be awarded this month.
