Miss Ruth Leary
For New York City

Miss Ruth Leary, well known local soprano soloist, left Medford on the noon Shasta yesterday for New York City, where she will be married to Mr. William Bunch of the Washington Heights Presbyterian church, Friday, May 30.

She stopped yesterday evening in Eugene to visit Mr. and Mrs. John Gore, and will be guest of friends at the University of Washington, Seattle, where she is a member of Kappa Kappa Gamma sorority for a short while before continuing her trip east. Miss Leary has played a prominent part in musical activities of this city for several years and will be greatly missed when she makes her home in New York. She was heard in her farewell concert, broadcast from station KMEMB, last week.

Miss Ruth Lay
To Present Revue

Program for the dance revue to be presented by Miss Ruth Lay, local dancing instructor Saturday night, May 24, at the Rivoli theater in Grants Pass has been announced as follows:

Chinese Dance—Shirley Riebel, Nellie Gebers, Louise Letcher, Maxine Jester, Eleanor McQuitty, Elsie Jane Brownell, Flora Dale Campbell, Doris Martineau, Lorraine Jester.

Lincoln P-T, A. Has Successful Luncheon

Members of the Lincoln Parent-Teachers association, through their president, Mrs. J. E. Schreengost, wish to thank all persons who made it possible for them to serve the delightful lunch at the track meet last Saturday, and Mr. C. E. Gates in particular for allowing them the use of the Agricultural hall. Mrs. Schreengost was assisted in arranging the luncheon by Mrs. Chas. Luman, chairman of the committee.

The next meeting of the association will be held Friday afternoon, May 23, at 3 o'clock. At this time the class, which will graduate into the junior high school, will be entertained. Mothers of the sixth A will furnish the refreshments.

Mrs. T. D. Miller of Port Townsend, Wash., is guest in this city of her sisters, Mrs. H. C. Fredette and Mrs. Clifford Foster, having arrived last Friday from the north.

A card party will be given by the Royal Neighbors at the W. O. W. Hall tomorrow afternoon at 2 o'clock.

Obituary

ROWE—Helen Flint Rowe died at her home in Central Point, Oregon Tuesday evening after a brief illness from cerebral hemorrhage, aged 69 years, five months, four days. Mrs. Rowe was a native daughter of Jackson county, born in the Willow Springs district, December 16, 1861, daughter of one of the early pioneers, Mr. and Mrs. James McDonough.

Helen Flint McDonough was married to Marcellus I. Rowe fifty-one years ago at the old home. Four children were born to the union. She is survived by her husband Marcellus I., and the following children, Mrs. Gus Samuels, of Medford; Mrs. Ben Scroggins, Canyon City, Ore.; Mrs. W. A. White, Portland, Ore., and son James A. Ray, of Portland Ore., and three grandchildren.

Mrs. Rowe was a member of the Woman's Relief Corps of Central Point. She is also survived by one sister, Mrs. John Linnville, Medford and two brothers, Carlos McDonough of Venatche, Wash., and George McDonough of Sams Valley.

Funeral arrangements in charge of the Perl Funeral Home will be announced later. Interment will be in Jacksonville cemetery.

ADAMS—Ada J. Adams died at Sacred Heart hospital, Tuesday morning after a brief illness since May first, aged 58 years, nine months, four days. Born in Linn county, Oregon, August 16, 1871, Ada J. Fredenburg was married to Frank M. Adams of Central Point, Oregon at Jacksonville, January 2, 1893 and to this union were born eight children, four sons and four daughters. One daughter, Nora, died in infancy.

Mrs. Adams is survived by her husband Frank M., and the following children: Archie E., Marlon A., of Ventura, California, Earl C., Ralph E., daughters, Zella M., Elva E., Georgia M., all of Central Point, Ore., and seven grandchildren and three brothers, B. F. Fredenburg of Butte Falls, Ore., T. H. and S. J. Fredenburg of Klamath Falls, Ore.

She was a member of Mt. Pitt Rebekah lodge No. 147 of Central Point and the Christian church. Mrs. Adams was a woman of fine Christian character and a devoted wife and mother, and will be mourned by a host of friends and her family.

Funeral services will be held at the Christian church in Central Point, Friday at 2:00 p. m., Rev. Carmen E. Mell officiating. Interment in Central Point cemetery. Funeral arrangements in charge of the Perl Funeral Home.

Local Girl Pledged
Alpha Phi, Seattle.

Miss Elow Mae Wilson, well-known soprano of this city, who is now attending the University of Washington, Seattle, has been pledged by Alpha Phi, women's national social sorority, on the northern campus, according to news received here.

Since entrance at the university during the winter Miss Wilson has played a prominent part in musical activities on the campus and in Seattle, where she is frequently heard in programs broadcast from stations KJL and KOMO. She recently presented a feature act in the annual Junior Varsity, an honor seldom conferred upon a freshman at the university.

Miss Wilson will return to Medford to spend the summer vacation with her parents, Mr. and Mrs. H. G. Wilson next month.

Ryans Return to Rogue River Valley

Mr. and Mrs. Luke Ryan and sons, Homer and Robert, and daughter Elizabeth, former residents of Medford, arrived last evening from San Diego, Cal., and are house guests of Mr. and Mrs. R. V. Williams of the Old Stage road. They plan to locate on their ranch in the Griffin Creek vicinity soon.

They are accompanied by Mr. and Mrs. Weston McBee, who plan to make their home in Medford. Mrs. McBee was formerly Miss Lenore Ryan, popular member of the local younger set. Her marriage to Mr. McBee, who is also well known here, was a recent social event in San Diego.

League Presents Interesting Program

Two plays were presented by members of the Epworth league of the Methodist church in the recreational hall Tuesday evening under the direction of Miss Barrett of the high school. A musical program was also given.

Invitations have been sent by the Misses Winifred and Margaret Warner to a number of their friends to be guests at their home for tea, Saturday, May 24.

Births

Born to Mr. and Mrs. Rudolph Singler, a daughter, weighing six pounds and 14 ounces, at the Sacred Heart hospital, Tuesday, May 20th.

Brevities

Took Jim Grieve Food

Taking with them fresh peas and new potatoes, a party of Medford men including W. F. Isaacs, Johnny Johnston and Humboldt Greig, motored to Prospect Tuesday to visit James E. Grieve, who had been seriously ill and is now recuperating.

If it's Lumber and Building Material at the cheapest price, combined with courteous service and the limit of accommodation, by all means see the Medford Lumber Co., dealers in high grade building materials exclusively. We don't serve lunches yet.

Word was received from Albany that the Golden Slipper will be back after the local speed boat artists' sculls Sunday. The Golden Slipper was piloted by Geo. Hurley and took second to Helme Flutrer in three races in the last meet.

Why buy Saturday's baking when you can get pies, cakes, buns, bread and cookies baked on Sundays? We also serve 35c dinner and complete chicken dinners for 50c. Sundays. The Delicatessen Bakery and cafe, 410 E. Main.

When you buy a house bill from you may include all hardware, paint, screens, plumbing and electrical equipment. Medford Lumber Co.

Special Communication Medford Lodge No. 103, A. F. & A. M., Friday, May 23rd, 7:30 p. m. Work in the E. A. degree. Visiting members welcome. H. J. FIELD, C. M. HOUSTON, Secy. W. M.

HEAVY SNOWFALL AT CRATER LAKE STILL CONTINUES

The storm which set in yesterday morning at Crater Lake, has brought one of the largest individual snowfalls of the season at that high elevation, which while it may add to the difficulty of opening the park roads later on in plenty of time for the season's opening July 1st, surely will add to the irrigation moisture in the valley.

The snow, which began falling during a blizzard in the national park yesterday morning continued all day yesterday, last night and this forenoon, had amounted near noon today to 12 inches of fresh snow on top of the six or seven feet of old snow at the rim, and less old snow at lower elevations throughout the park.

It was still snowing at the time the phone message was received here today by Superintendent Solinsky from the lodge, with no signs of the storm ceasing.

COVER SPRAY FOR CODLING MOTH IS ADVICE OF AGENT

The second cover spray for codling moth control should be on by May 28 or shortly thereafter. Codling moth eggs laid May 11 are developing slowly due to the prolonged cool weather. However, if warmer temperatures are experienced young worms should hatch toward the latter part of the month. A few warm evenings will bring the peak flight of moths and the rapidly flying fruit should have protection.

Use 3 pounds of powdered arsenate of lead per 100 gallons of water. In wormy orchards it may be advisable to use an oil-lead combination as follows: 2 pounds powdered arsenate of lead plus 1 gallon of high grade summer oil emulsion, plus 1/2 pound of caseinate spreader.

Pears.

The second cover spray for pears should be applied as in case of the apples, application to be made by May 28 or shortly thereafter. Use 3 pounds of powdered arsenate of lead per 100 gallons of water. Oil-lead combinations are not necessary on pears at this time, as it is too early to spray for spider mite control.

Be thorough with your spraying cover all foliage and fruit. A few pears and apples saved from the cull pile will more than pay for the extra time and material.

L. P. WILCOX, County Agent.
L. G. GENTNER, So. Ore. Exp. Sta.

"FRESH FROM THE ROASTER" FLAVOR IN EVERY CAN

M·J·B HI-TEST VACUUM COFFEE

To preserve for you the fresh, richer flavor of M·J·B Coffee a special vacuum process is necessary. 12-cylindrical vacuum machines, owned, patented and used exclusively by M·J·B guarantee the "Fresh from the Roaster" flavor.

Buy a can of M·J·B Coffee today. You'll make a pleasant discovery. And because M·J·B is a richer blend you may use slightly less coffee per cup. Your grocer has it in the green and gold can.

FIELD MEETINGS FRIDAY TO CHECK DRAINAGE METHOD

Two very important field meetings are to be held Friday, May 23 by the county agent for the purpose of observing drainage systems and discussing methods employed. The first will be held at Paul Scherer's orchard near the Rogue river at 9:30 a. m. The second gathering will be at O. Olson's orchard on the Old Stage road just north of Ross lane, at 1:20 p. m.

High water table in a number of valuable fruit trees and if this condition is to be remedied drainage systems will have to be installed.

Mr. A. Work, federal drainage engineer, will be present and aid in the discussion of the engineering features involved. It will be very much worth while for every orchardist who has drainage problems in his orchard to attend. Others who are interested are invited to be present.

Sincerely,
A. W. PIPES, Mayor.

TOM AND WASH RADIO PROGRAM IS POPULAR

Tom and Wash, clever comedians whose adventures are broadcast by station KMEMB every night from 7 to 7:15 by means of electrical transcription from Hollywood, Cal., are among the most popular entertainers featured by the local radio station.

Telephone calls and letters are received daily from southern Oregon and northern California radio fans telling how much they appreciate the Associated Oil company's Tom and Wash adventure programs.

Another favorite electrical transcription program, which includes the Brunswick Brevities and is sponsored by the Associated Cleaners, is also broadcast by KMEMB daily.

BUSINESS WOMEN TO HEAR CONFAB COST

Members of the Business and Professional Women's club will meet at Hotel Holland tomorrow noon for their regular luncheon.

No program has been announced but important business matters will be considered. The finance committees met last night to check convention costs and will make a report at tomorrow's luncheon.

AID TO FIREMEN BRINGS THANKS OF MAYOR PIPES

The most destructive fire in Medford since the conflagration of 1922 which consumed the Page theatre, occurred last night destroying another of our substantial business blocks, and only through heroic work of our fire department and a large number of volunteer citizens the flames which were under great headway when the alarm was given, were confined to the one structure. In the heavy loss sustained by the Deuel estate, owners of the building, and J. D. Russell, owner of Russell's incorporated, department store, which was a total loss to the last fragment of stock and fixtures, we extend our deepest sympathy, and assure them of any co-operation possible upon the part of the city to aid them in getting re-established. To the fire department and the scores of citizens who worked so faithfully and efficiently in bringing the fire under control, we express sincere appreciation.

Sincerely,
A. W. PIPES, Mayor.

WILL STEEL HAS BEST OF HEALTH

Friends of Will G. Steel were somewhat alarmed to read in a local newspaper today that he had been taken very ill here a few weeks ago, but was now able to sit up at his cabin in Crater National park.

This alleged news item was all the more surprising because since his serious illness of over a year ago Mr. Steel's health has been steadily improving and during the past few weeks he has felt better than for years. Mr. Steel was on duty almost every day in his office in the federal building a week ago he went up to the park to actively perform his duties as United States commissioner of Crater national park.

Word from the park today stated that he has been exceptionally well and spry ever since he arrived at the park.

MR. POULTRYMAN:— Are You Helping to Pay the Other Fellows' Taxes? Yes, You Are If You Buy Shipped-in Feeds

Shipped in feeds do not contain an ounce of local grain, so far as we can find, so when you buy outside feeds you are helping farmers in Washington, Idaho, Montana and as far east as the Dakotas, pay taxes, while our local grain raisers are holding the sack. And while you are doing so—you are paying a premium for your feeds. If you don't believe it just compare our prices with what you are paying for outside feeds.

BRAND MADRONA BRAND FEEDS

Are made of local grains wherever and whenever possible to obtain them. And—Madrona brand feeds are made in the finest feed-milling plant in Southern Oregon, a plant second to none in the state for milling efficiency.

COMPLETE PROGRAM FOR BACCALAUREATE

The program for the baccalaureate services to be held in the First Presbyterian church Sunday evening, June 1, has been completed, with Rev. Carman E. Mell delivering the sermon. He has not announced the topic. Rev. J. E. Conder of the First Methodist church was chosen by the Ministerial association to deliver the address, but due to an out-of-town meeting it is necessary for him to attend. Rev. Conder is unable to address the graduating class.

Music for the service will be furnished by the high school orchestra under the direction of P.

LARRY BENTON GOES TO CINCINNATI CLUB

Wilson Waite, and the girls' golf club, directed by Miss Margaret Arnold. Dr. H. C. Funk will preside during the service.

NEW YORK, May 21.—(AP)—The New York Giants today completed a trade with the Cincinnati Reds, which sent Larry Benton, star right handed pitcher, to Cincinnati, in exchange for Hughie Critz, one of the outstanding second basemen of the National league. John McGraw, Giant manager, announced it was a straight trade with no cash involved.

Mermald Tavern Elects New Members

Nine new members were voted into the Mermald Tavern Monday evening at the meeting of the club members with Miss Roberts Stearns at her home, 836 East Main street. Norris Porter and William Dougherty entertained the group with readings by Vachel Lindsay.

Those elected into the club were Anna Mae Fuson, William Dora, Maxine Hagen, Adra Edwards, Peter Winne, Kathryn Stearns, Fred Colvig, Richard Applegate and Susan Dyan.

W. C. T. U. Will Not Meet Tomorrow

The regular meeting of the W. C. T. U. has been postponed from Thursday afternoon, May 22, until further notice, on account of the death of Ernest Jaqua.

Teeth Suffer When the Diet Lacks Vitamins

Menus Should Be Planned to Include Vitamins, Minerals and Roughage

Dental authorities say that a child must have a balanced diet to insure proper development of the teeth. Furthermore, such a diet must be continued in adult life to maintain tooth structures already developed.

Vitamins "C" and "D" play an important part in promoting the health of teeth. Many familiar foods contain one of these vitamins. They are tomatoes, peas, leafy vegetables, yellow turnips; oranges, apples, raspberries, peaches; egg yolks, butter and whole milk.

The taste-appeal of many of these foods can be increased by the use of sugar. Put a dash of sugar to a pinch of salt in the vegetables as they cook. Sprinkle sugar on the fresh fruits or add it when stewing them. And of course, puddings made of eggs and milk need sugar for palatability.

In meal planning, jellies and jams should be included frequently. They are delicious accompaniments for meat as well as for bread. Their fruit content is also healthful. Good food promotes good health and teeth. The Sugar Institute.

How Kotex protects your nerves and health

KOTEX IS SOFT...

- 1—Not a deceptive softness, that soon packs into chafing hardness. But a delicate, lasting softness.
- 2—Disposable, instantly, completely.
- 3—Kotex filler is far lighter and cooler than cotton, yet absorbs 3 times as much.
- 4—Deodorizes, safely, thoroughly, by a special process.

Kotex is made of the very same material that is used today in 85% of the leading hospitals in America! This is Cellucotton (not cotton) absorbent wadding... a cellulose substance which, for sanitary purposes, performs the same function as cotton, with 5 times the absorbency.

Your health deserves this sanitary protection. Kotex Company, Chicago, Illinois.

The most critical eyes admire her Lovely Skin

Corinne Griffith, like 9 out of 10 other stars, uses Lux Toilet Soap

"A SCREEN STAR must pass the most merciless test. But the owner of a skin which can pass the close-up test has the support of an immense adoring public."

So says William A. Seiter, prominent First National director, summing up what 45 leading Hollywood directors have found out from their experience with motion pictures.

"The great close-up lights find out even the slightest flaw in the skin," he goes on to say. "No beauty is more important to a girl than alluring smooth skin."

It is because alluringly smooth skin is so vital for success on the screen that of the 521 important actresses in Hollywood, including all stars, 511 are simply devoted to Lux Toilet Soap. And all the great film studios have made it the official soap for their dressing rooms.

The Broadway stage stars are equally enthusiastic about this soap, so daintily fragrant and white. And now, too, the screen stars of the European capitals have adopted Lux Toilet Soap! To keep their skin as faultlessly smooth as the American stars keep theirs.

You will love the way it keeps your skin silk-smooth! And such generous lather as it gives, even in very hard water. Order several cakes of Lux Toilet Soap—today.

Photo by D. H. Kere, Hollywood.

CORINNE GRIFFITH, First National's charmingly beautiful star, says: "The thing I like best about Lux Toilet Soap is the wonderful smoothness of my skin after it!"

Princess Griffith

The terrific glare from the huge incandescent lights used for the close-up finds Corinne Griffith's fair skin beautifully smooth, without a single flaw.

First Sweeping Hollywood—then Broadway—and now the European Capitals—10¢
