

Bend Team Is On the Rocks; Will Attempt a Reorganization

REPLACEMENTS IN LINEUP MAY SAVE SITUATION

Defeat Sunday By Medford Final Blow to Tottering Club—Must Play Locals Sunday.

BEND, Ore., May 22.—(Special.) Reorganization of the Bend Athletics, losers of two games in three starts so far this season, and now definitely "on the rocks," will be attempted at a meeting this week.

According to tentative plans outlined, E. H. (Spec) Kennedy, who has seen considerable service in organized baseball, will appear before local business men with a proposition which, it is believed, will meet with favorable consideration.

According to information from underground channels, Kennedy will offer his services to the disorganized club as player-manager, with the understanding that he will have full control of the work of selecting players to replace those who have recently migrated from Bend. Also, it is said, Kennedy will promise the business men that the reorganized team will play a brand of ball equal to that played by the fastest nines in the Southern Oregon league.

Save Fee, Lose Game.

Developments in the local baseball situation today revealed that the shattered Bend team which played Medford Sunday was placed on the field primarily for the purpose of saving Bend's \$100 league entrance fee. If Bend had not had a team on the Medford diamond last Sunday at game time the \$100 would have been forfeited. Bend lost the game, 10 to 1—the most one-sided defeat of a local team in the past three years. In order to secure a complete team for last Sunday's game, Bend was forced to use a Medford player.

Although Kennedy's plans are not known, it is believed that he hopes to secure the services of some of the Central Oregon league boys who have been playing a high class of ball this season. For the

past two Sundays, Kennedy has played the role of a scout and has been looking over mid-state circuit players.

However, it is believed that the Athletics will have some difficulty in signing up Central Oregon league players, for most of the boys have announced that they will stick by their teams until the mid-state season is at an end.

Some of Players Stick.

Reorganization of the Athletics does not mean that an entirely new nine must be secured, it is explained. Local business men interested in the Athletics hope that Pete Allen, Johnny Logan, Ralph Russell, Ray Eubanks, Hurley Burdge and others will continue to play, but replacements must be sought for Pete Hepling and Clyde Rentfrow, now with Kelso in the Timber league. Dick Bramlette may still be available as a pitcher and Red Donovan is now a resident of Bend.

Regardless of the outcome of the meeting, local baseball fans and players realize that some sort of a reorganization must be effected before Sunday, when Medford will come here to play the Athletics.

JUNIOR BASEBALL AT LEGION MEET

BAKER, Ore.—(Special.)—On the first day of the 1929 department convention of the American Legion, which will be held in Baker August 14, 15 and 16, four baseball teams representing the cream of the boyhood of the states of Montana, Washington, Idaho and Oregon will battle for the coveted championship of the western semi-finals.

In addition to the baseball tournament, many other spectacular features will be presented during the three days, including a drama in fire, depicting the "Days of '49." Along with the bombs and rockets the visitor will see huge set pieces in brilliant colors. During the entire drama, the story, historically accurate, will be broadcast through a system of loud speakers to every corner of the field.

Other major features of the convention are Drum Corps competition, inter-post relay, distinguished guest program, aerial circus, night and day parades, dances, stunts and a thousand and one impromptu entertainments.

Blazes Through 4

CINCINNATI, (AP)—With most players taking out of the park swings, fans no longer are startled when a recruit makes a debut in the majors with a swarm of base hits.

But the appearance of a young pitcher, who mastered these same slingers four straight times, is something else again. Benny Frey, Cincinnati newcomer, is the man, and two of the games he won by scores of 1 to 0.

The success of the 24-year-old pitcher comes during his first year in fast company. Last year he played with Nashville in the Southern association and before that he was with Toledo in the American association. Frey is a Midwest product. He was born in Dexter, Mich.

TACOMA, Wash., May 22.—(AP)—Dr. Karl Sarpolis, Cleveland heavyweight, won from Bob Kruse of Portland in the main event of the wrestling program here Tuesday night, raising the lone fall of the encounter in the sixth round with a flying scissor.

Chet Wiles, Portland light heavy, and Harry Demetral of Chicago drew in the semi-final.

SACS AND OAKS CONTINUE LEAD COAST LEAGUE

League leaders continued their stride as Sacramento and Oakland both won to remain in first and second place, respectively, separated still by only a half game.

Pete Daglia's revenge for the previous day's clouting by the Seals and Johnny Vergez's dramatic 12th inning home run made the 9 to 6 victory of the Oaks over San Francisco the feature of the day. Daglia allowed 13 hits, but the day was saved for him in the third overtime period when Vergez slammed a circuit clout with two on bases to break a 6 to 6 tie.

The Angels failed to dislodge the pace-setting Seals, losing by a 5 to 2 score in a game featured by play on the bases and mediocre pitching.

The Missions won a second successive victory over Seattle in a bang-up game, by 3 to 2. Out of the total of nine hits in the game, three were homers. Knothe of the Indians and Monroe of the Missions each knocked a homer with one on, tying the score at 2 to 2 at the end of the fourth inning. George Burns settled the issue in favor of the Missions by a homer in the seventh.

Frank Shellenback, last year's league leading pitcher, was credited with his first full-game win of the year when Hollywood downed Portland, 6 to 4.

WHOLE HOLD HAS FANS IN UPROAR IN WATERS BOUTS

Direct from Columbus, O., comes Teddy Waters for his match here next Monday night; with Wilcast Pete of Eugene, in keeping with Promoter Herb Owen's plan of presenting middleweight boys in the Medford wrestling ring for a few weeks, Waters was in Eugene last year and at that time showed the fans more thrills and kept the crowd in suspense that the matches always ended too soon.

Waters gave Yaqui Joe two of the greatest thrills of his life and lost a thrilling match to Pete. The Ohion is in big demand at Eugene and although he vexed ring fans because of the holds and tricks he used, presented some of the best wrestling seen in Lane county. The "whole hold" is one of his specialties and when he demonstrated it, half of the crowd wanted to break into the ring and lay him out while the other half whooped and hollered until they were nearly hoarse.

"I will not exactly say what it is," writes Herb Owen from Eugene, "for he may want to pull it, but the word 'whole' may suggest something. Waters has a way of pulling his toes up under his back when in a headlock, and with this leverage throws himself with great force straight out and lands on his feet. He is a real boy, this Waters, and Medford will like him!"

Ray Frisby will appear in the special event and Harry Elliott of the University of Oregon will referee.

YACHT WHIRLWIND LATEST DEFENDER IN WATER FRIDAY

NEW YORK, May 22.—(AP)—When the Whirlwind, the last of the potential defenders of the America's cup to take the water, is launched tomorrow or Saturday more than \$1,500,000 will have been expended in the preliminary defense of American yachting prestige against the challenge made by Sir Thomas Lipton.

Probably twice this sum will be needed before the completion of trials to decide which yacht shall sail against the Shamrock V for the trophy, which originally was valued at less than \$1000. Then another \$500,000 will be added either vainly or triumphantly by the time of the actual race in September.

SARPOLIS SLAMS KOSTANAROS FOR DECIDING TUMBLE

PORTLAND, Ore., May 22.—(AP)—Dr. Karl Sarpolis, Cleveland medic-wrestler, defeated George Kostanaros, Hollywood, Cal., here last night, two out of three falls. Sarpolis surprised the California when he applied his famous flying scissors hold to take the first fall in 22 seconds, as the referee stepped back after giving his instructions. Kostanaros came back to win the second fall in 25 minutes, 30 seconds with flying maers, after wounding the doctor down with almost every hold known to the game, including Sonnenberg's flying tackle. Kostanaros resumed his flying ma'e attack in the final session, but grew careless and left himself wide open for a body slam, to which he succumbed after three slams. The time was five minutes.

Sarpolis weighed 210 pounds. Kostanaros 192 1/2.

Harry Demetral, Chicago, defeated Kara Arslan Pasha, the Turk, when he slammed the latter to the floor head first with a crotch hold. Kara was unable to resume.

KITZMILLER CAPTAINS 1930 FOOTBALL TEAM

EUGENE, Ore., May 22.—(AP)—Johnny Kitzmiller, the University of Oregon's "Flying Dutchman," today was named captain of the 1930 football team after Dr. Clarence Spears, grid mentor, expressed the hope that a captain would be named this spring.

SHERWIN-WILLIAMS PAINT HEADQUARTERS

Specify SWP and engage a good painter

Why SWP costs less on your house than any other paint

What will it cost to paint your house? This is what concerns you—not what the paint costs per gallon.

While fine old SWP costs more per gallon, it costs less on your home than any other paint. Why? Because one gallon of SWP will thoroughly paint almost twice as much surface as a gallon of cheaper paint. Therefore fewer gallons of SWP are needed.

So—ignoring the fact that SWP lasts twice as long as cheaper paint, and that its weatherproof colors retain their beauty to the very last—the first cost of painting your house with the world's best house paint is actually less than that of cheaper paint. Buy your paint on a job basis and save. Let us prove it to you by simple arithmetic.
