

PRODUCTS DINNER SET FOR JUNE 12 BY C. OF C. GROUP

The Medford chamber of commerce will hold its annual meeting and home products dinner June 12 at the Hotel Medford, according to a decision reached by the annual meeting committee in session yesterday afternoon. Efforts are being made to obtain a good speaker for the occasion. The committee

is composed of John Anderson, H. W. Hamlin, Charles Burfield, Jack Thompson, William Bolger and Jack Carle. A meeting of the publicity committee Wednesday resulted in plans for the publication of a new chamber of commerce booklet including late views of southern Oregon scenic attractions and of Medford. The committee is anxious to have as many new pictures as possible and will welcome the receipt of same from local and county residents. This committee is composed of S. S. Smith, L. A. Banks, Horace Bromley, E. C. Gaddis, C. L. McDonald and William Gates.

Nothing like 'em, was the verdict of the fans who saw the first Legion speed boat race. Don't miss the second regatta next Sunday.

WEATHER FAVORS STRAW HAT MODE ON OPENING DAY

Today is straw hat day and the weather man in keeping with the meteorologist's forecast put out some real sunshine to start the first exodus of buyers into local stores. The highlight of the annual event, which is anticipated by all dapper young men, who long to

desert their felts and velours for the light and snappy headgear, was the parade staged during the noon hour by the high school band and members of the Junior high school. The younger generation appeared in straws of all sizes and colors, ranging from what the proper young man will wear this summer to the fetching sombreros bedecked with tassels, and marched down Main street to the Chamber of Commerce building to strains of hand music. Bringing up the rear the Junior high school boys carried banners, which informed the world of straw hat day and the advantages to be gained by wearing a summer hat. "Desert your felts" some read, "Extremely comfortable" was the slogan on others. After a short concert by the

Southern Pacific railroad tracks the participants turned in their borrowed hats and dispersed to go on a buying tour of their own, having convinced themselves that straw hats should be worn.
