

# Willing and Moe Eliminated In British Amateur Tourney

## SCOTCH BREEZE IS HANDICAP TO COAST GOLFERS

Portland Dentist Bows to Scot in Second Round—Rex Hartley Beats Young Moe, Four Up.

ST. ANDREWES, Scotland, May 27.—(AP)—Two members of the American Walker cup team, Dr. O. F. Willing and Donald K. Moe, both of Portland, Ore., were eliminated in the second round of the British amateur golf championship this morning. Two other Walker cup players, Francis Outmet and George Von Elm, advanced to the third round after comparatively easy matches, while a third, Roland MacKenzie, advanced without playing when his scheduled opponent scratched his entry.

Willing was removed from the competition early in the day by William Spark, a Scot, two up and one to play, while Moe was beaten by Hartley, four up and two to play.

Quimet from a fellow Bostonian, Joshua Crane, five up and four to play, and Von Elm stopped Dr. Gardiner Hill, St. Andrews, four up and two to play.

Other Americans to advance were J. H. Cavanaugh, New York, and Walter G. Fovargue, Aberdeen, Wash., the latter by default.

Chambers Defeated Other Americans defeated included Howard C. Davis of Salem, Mass., and Eric H. Chambers of Portland, Ore.

Frank C. Stevens, Jr., of Hollywood, Cal., won a third round match from F. P. McConnell of Port Rush, five up and four to play.

George Voigt of New York won his way into the fourth round of the championship by defeating J. R. A. Stroyan of Sunningdale, six up and four to play.

Moe, like his fellow townsman, Dr. Willing, was first puzzled and then dismayed by the wind sweeping across the St. Andrews fairways. He found trouble in controlling his iron shots and his putting was below his usual form.

Moe started with a rush, winning the first hole and playing his woods and irons with characteristic fashion to the fifth, where he almost holed from far off the green.

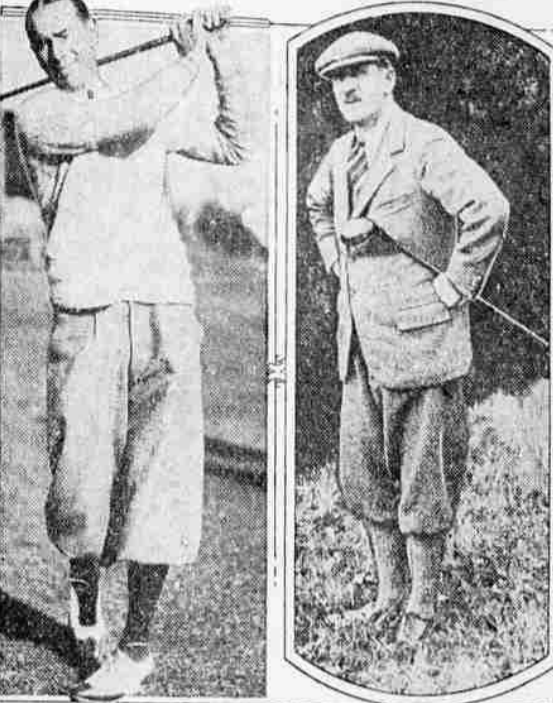

Puzzling conditions of play began to affect him entering the "looph" district, and from the turn Hartley's star was in the ascendancy all the way.

Willing's trouble really began at the eighth, where his tee shot found an impossible lie, and he lost the hole. He followed this by losing the tenth, where a difficult putt would not drop, but his birdie-two at the 11th was brilliant for this short hole, and under prevailing conditions was the most difficult one at St. Andrews today. He sank a curling seven-footer to get the deuce, but Hartley was putting well. A 15-footer at the 15th made the British player dormant.

Moe's drive reached rough on the 16th and his second round over the crowd back of the green. The ball slipped past the cup when he chipped back and he then missed his putt. Hartley had two for the hole from six feet, so Moe knocked his ball aside, conceding the hole and the match.

## Old Musket "Adopted" By Sturdy Oak

A peculiar quirk of nature resulted from the placing of an old muzzle-loading musket in the crotch of an oak tree by a pioneer in 1879—the tree grew around the gun until it was eventually imprisoned in a grasp of ten inches of hardwood. Pictures show the gun and tree as they were originally discovered near Chehalis, Wash., and a 1930 Buick sedan sent out with a scout party to ascertain the true story of the gun and oak tree.

## CLOSE RACE BY LEADING TEAMS COAST LEAGUE

Senators Leading Sixth Place Stars by Only Four and Half Games—Oaks Crowd Sacs.

(By the Associated Press) A remarkably close race is on among the six leading teams of the coast league at the end of the seventh week of play, with only four and a half games separating last year's champions, the Hollywood Stars, now in sixth place and this year's leaders, the Sacramento Senators.

Carl Zambach's Oakland team is something less than a half game behind the Sacs, three points in the percentage column. The Oaks lost a series to San Francisco during the week, but remain the chief threat to the pace setters. Just a half game out of first place are the Angels, who moved up by taking four out of seven games from the Sacs and tying one.

The Sacs, returning from a prosperous road trip, are in fourth place, two games behind Sacramento, having won two out of three series they played on the road. First in the second division, but so close as to make the distinction between divisions useless, are the Missions, who just finished taking Seattle for six out of eight games.

Hollywood, a team which was expected to be higher in the standings this year, though in sixth now, appears to have set a winning pace.

## WILDCAT PETE IN FAST MAT FINISH DEFEATS WATERS

A bit of brain work and speed by George (Wildcat) Pete brought defeat for Teddy Waters of Columbus, Ohio, in a finish match at the armory last night when Pete took two out of three falls.

Waters failed to measure up to the pace set by the Eugene man, although he managed to break punishing holds repeatedly and place quite a number on Pete.

The Scals, returning from a prosperous road trip, are in fourth place, two games behind Sacramento, having won two out of three series they played on the road. First in the second division, but so close as to make the distinction between divisions useless, are the Missions, who just finished taking Seattle for six out of eight games.

## SENATORS HOLD VICTORY MARCH AS FOES FALTER

Home Runs by Judge and Goslin Defeats Yankees, 10-7—Cleveland Regains Third Position.

(By Herbert W. Barker, Associated Press Sports Writer.) While their highly touted brethren falter and stumble, the Washington Senators proceed blithely on their victorious way in the American league much as the St. Louis Cardinals and Brooklyn Robins, "dark horses" both, are doing in the National.

Picked in advanced predictions to finish no higher than seventh, the Senators, under great leadership by Walter Johnson, were leading the pack by four full games to-day and giving no signs of cracking under the amazing pace they have set.

Yesterday they scored their sixth successive victory and their 15th in 19 games, beating the New York Yankees, 19 to 7. Struck a leaf from the Yanks' own book, the Senators won on home-run, Joe Judge and Goose Goslin hit successive home-runs in the fourth and repeated the feat in the fifth, thus accounting for six runs.

Cleveland Moves Up. Cleveland bounced back into third place with a double victory over the Chicago White Sox, 7 to 3 and 3 to 2. Wes Ferrell, out of the Red Faber by a wide margin in the opener and Clint Brown had an edge on Cecil Caraway in the nightcap.

Lefty Grove chalked up his 6th win without a defeat as the Athletics beat Boston, 8 to 5.

The Detroit Tigers made good use of eight hits to beat St. Louis, 7 to 3, and moved into sixth place while the Browns fell back to seventh.

In the National league, Brooklyn and St. Louis each recorded victories to keep the Cardinals on top of the league standings by half a game.

Dodgers Down Giants. The Dodgers gave the Giants their fifth straight defeat, 7 to 6, as Dazzy Vance turned in his best effort of the year.

The Cardinals turned back Pittsburgh, 10-4, for their eighth straight win and their 17th in 18 games.

Despite Hack Wilson's 13th homer of the year with one on, Cincinnati beat the Cubs, 6 to 2. Jackie May gave the Cubs only six hits.

## SPERRY FLOURS STAGE RALLY TO DEFEAT TRADERS

In a seventh inning rally that swept Medford Exchange completely off its underpinning, the Sperry Flour battalions took last night's game, 8 to 1. The score was 1 to 6 in favor of Medford Exchange until the opening of the seventh. Cliff Lord, hurler for Sperry, allowed but three hits and himself knocked two homers in the last inning.

Lamparts won from Gates Auto Co., 11 to 9, in a hectic contest. The victories for Sperry and Lamparts were the first since the beginning of the second round.

Tonight's games are between Gold Seal and Jennings Tire, and Post Office and Your Office Boys.

## MOIST BALL BOYS GROWING SCARCE IN COAST LEAGUE

LOS ANGELES.—(AP)—From the baseball picture of the Pacific Coast league, slowly but surely is passing from the ranks of hurlers the spittball artist.

This fact was revealed when the managers of the various clubs, complying with rules of the circuit, registered with President Harry A. Williams, the moundmen who will include in their pitching repertoire the moist ball delivery.

Only three were named; three less than a season ago. Of these, Frank Shellenback, Hollywood, leads the list as the most effective. The Stars' hurling expert turned in a record of 26 victories against an even dozen defeats last season for a .584 average.

Ray Keating and Al Gould, both with Sacramento, Cal., are the other two. Keating won 12 and lost 11 games while Gould was less fortunate, winning 10 against 18 defeats.

The latest of the old school to pass from the loop were Doc Crandall and Harry Krause, both of whom saw service last year. Russell "Buz" Arlett, Oakland, still stands registered as a spittball pitcher, but he is now an outfielder and first baseman by profession. Vean Gregg retired from the list in 1928.
