

Jones Will Play Wethered Tomorrow For Amateur Title

DEFEATS VOIGT FOR CHANCE AT BRITISH CROWN

Two Down at 13th Hole, Bobby Exhibits Great Golf to Square Play on 17th Green.

ST. ANDREWS, Scotland, May 29.—(AP)—Bobby Jones advanced to the final of the British amateur golf championship this afternoon by eliminating George Voigt, one up.

The open champion of the United States had to come from behind to win from his fellow countryman, Jones was two down at the 13th, reduced his opponent's lead to one with a birdie four when Voigt was trapped and took five.

At the critical 17th hole, Jones cut all the distance possible over the projecting buildings. He had an advantage of 15 yards in distance. George had to play a dangerous second shot, risking being short on "the road." He elected to play safe in a little hollow before the green. Jones followed, sending his ball into the same dip. Bobby then played first and ran his up over the treacherous dips and waves of the green. The ball took them all but stopped 15 feet from the hole. Voigt ran his stone dead. Jones stepped up and, surveying the line, very deliberately plumped the ball straight into the cup. There was a great cheer from the crowd as the match went home all square.

The 17th was halved in birdie four and then Jones won the 18th to take the match and leave only one match standing between him and the one major championship he never has been able to win. Jones' opponent in the final tomorrow, at 36 holes, will be Roger Wethered, former British amateur champion and, like Jones, captain of this year's Walker Cup team. Wethered won his way to the final by defeating later Hartley, two up and one to play.

Another double-header baseball program has been scheduled for Sunday at the Grants square station on the Crater Lake highway. The Stickers will play Table Rock at 3 a. m. and Big Stickers will meet Sams Valley high in the 2 p. m. contest.

Last Sunday Kenwood defeated Talent, 17 to 15, in a morning game, while the Stickers swamped Lake Creek, 14 to 2, in the night-cap.

LOMSKI-LENHART BATTLE TO DRAW IN TEN ROUND GO

PORTLAND, Ore., May 29.—(AP)—In one of the best boxing cards seen in Portland, Fred Lomski, Spokane, and Leo Lenhart, Aberdeen, light heavyweights, put on a battle last night that had the big Coliseum crowd on edge throughout and which terminated in a popular draw.

Lenhart's ruggedness and fighting heart stood him in good stead. For the first six rounds Lomski had a decided edge. In the second Leo opened a bad cut over Lenhart's left eye and in the fourth did the same thing to his right eye. From that time on Lenhart was handicapped by the blood getting into his eyes. But he never let up and in the sixth round he caught Lomski on the jaw with a hard overhand right swing and charged him like a wild man. Lomski plainly sagged at the knees, but the bell rang. Lenhart had another good round in the seventh and was forcing the fighting in the tenth. The crowd roared for a draw.

Lenhart weighed 178, Lomski 173. Another hummer was the six-round semi-windup between Fritco Metale and Jack Kentworth, popular Salem, Ore., southpaw. It was a slam bang affair with McGale taking an early lead and Kentworth coming from behind to earn a draw.

Joe Calder, Aberdeen, took a four-round decision over Johnny Hall, Los Angeles. Al Trimmans, San Diego, won over Eddie Herman, four rounds and Johnny Garvey knocked out Jack Turner in the second round of the curtain raiser.

SALEM, Ore., May 30.—(AP)—Washington county people are more interested in the Bible than those in any other county in the state, according to the number of high school students who took the Bible examinations May 2, conducted by the state educational department. A total of 33 Washington county students took the tests, 15 in the old testament and 18 in the new testament.

MID-SEASON OF MAJORS SHOWS 2 CLOSE RACES

Robins and Cardinals Tied for Lead in National—A's Press Solons for Top Spot in American.

By Hugh S. Fullerton, Jr., Associated Press Sports Writer. The first big holiday of the baseball season, Memorial day, is in many ways the first milestone of the pennant race. Coming in the middle of the second month of play, it marks the turn into that part of the campaign known as "mid-season."

The standings today bring promise of two fine races in the major circuits with the National league's contenders probably more closely matched. The Brooklyn Robins and St. Louis Cardinals come up to the milepost tied for the lead as the result of yesterday's one game. The Robins overcame a half-game deficit by beating the New York Giants, 4 to 1, while St. Louis was idle.

Behind them, Pittsburgh, Chicago, New York and Boston are in a close group, the Pirates just three games to the lead.

Brooklyn Takes Giants. Brooklyn found a two-man combination effective in beating the Giants for the sixth time in eight meetings. Babe Herman produced the Robins runs, driving in three with two homers, while Bill Clark prevented Giant scoring by allowing only six hits.

Washington has a clear margin of leadership in the American league, but the champion Philadelphia Athletics are pressing the Senators hard while seven of the eight clubs have averages of .400 or better.

Philadelphia sent the Boston Red Sox deeper into the cellar with a 2 to 1 victory in a pitching duel between Leroy Mahaffey and Milton Gaston, while the Senators again found George Piggars of the Yankees a bit too tough for them and went down to a 4 to 1 defeat. Mahaffey and Gaston each yielded five hits in their battle, but the Red Sox could get only one man past second base while Tegan saved the Athletics an extra runner on a bad error that was followed by Cochran's double in the seventh inning.

TITLE MAT MATCH WILL ATTRACT BIG THROUNG MONDAY

The first world's championship wrestling match in Medford in two years will present Henry Jones of Provo, Utah, holder of the middleweight belt, and Yaqul Joe of Sonora, Mexico, former holder, next Monday. This match is the first since Ed (Strangler) Lewis defended his heavyweight title here against Bill Shaw of Ohio two years ago.

Jones, who has held the belt longer than any other man in the ring is one of the brainiest men in the business and has had little difficulty in the continued successful defense of the diamond studded belt, on display at Brown's.

The match is expected to draw fans from all parts of southern Oregon because of the well known ability of the challenger and conditions which promise one of the hardest fought matches seen here this year.

HORNSBY SUFFERS INJURY TO ANKLE

CHICAGO, May 29.—(AP)—Rogers Hornsby, star second baseman of the Chicago Cubs, was injured during the first game of today's doubleheader with the St. Louis Cardinals and it was feared his left ankle was fractured. He was rushed to a hospital for an X-ray examination.

Hornsby's injury came in the third inning when he was forced between second and third bases. He attempted to slide into the bag and was blocked in such a manner his leg was twisted. Examination in the club house indicated the ankle might be fractured.

Hornsby has been playing under a handicap this season with an ailing right heel.

WATERS DEFEATS PROVO WRESTLER

EGGNE, Ore., May 30.—(AP)—Texas Teddy Waters, Amarillo, Texas, middleweight wrestler, won two out of three falls from Henry Jones, Provo, Utah, champion junior middleweight, here last night. Jones won the first fall with a whip wristlock. Waters took the other two with head scissors. The title was not at stake.

MRS. MOODY REACHES SINGLES SEMI-FINAL

AUTEUIL, France, May 30.—(AP)—Helen Wills Moody reached the semi-finals of women's singles in the French hard court tennis championships today, defeating Fraulein Helena Rost of Germany, 6-0, 6-1. The German girl, who reached the quarter finals through the default of Eileen Bennett Witting-stall, hardly gave the American, French and British champion a workout. She failed to win a single game in the first set, losing three games at love, and bringing only one to deuce.

SPORT SLANTS Alan J. Gould

The experts appear somewhat skeptical of the announcement that the Giants obtained Hughie Critz from the Reds in exchange for nothing more than the right-handed pitching services of Larry (the Red) Benton.

The best guess is that it cost the New York club anywhere from \$25,000 to \$50,000 in cash or certified check to get the one article of baseball ivory that it has needed more than anything else this year.

Critz, with Terry, Jackson and Lindstrom gives McGraw not only the best infield in either major league but the greatest the famous chieftain has had since the palmy days of Tenney, Doyle, Bridwell and Devlin. This latter quartet of stars played together for only two years, 1928-29.

In more modern times, the combination of Kelly, Frisch, Fletcher and Groh was considerable help to McGraw's forces.

It is still open to argument, however, whether any infield quartet, past or present, rivals the famous four of old Athletics—McGraw, Collins, Harry and Baker—appraised at \$100,000 but worth a million at current prices.

Consistency does not always have its own reward, as witness the case of Ed Hamm and Sabin Carr. Hamm for the past three years has broad-jumped every rival he has met into submission. He has cleared 25 feet more times than any other leaper, but one big jump by Silvio Cator, a Haitian, has cost Hamm possession of the world's record.

Carr, the Yale pole vaulter, always had something of an edge

on his great southern California rival, Lee Barnes. They met five times, in major competition and Carr won four times, including the Olympic competition, but Barnes now is the world's record-holder.

"George Piggars," said Lucky Harris, "ought to be as nearly unbeatable as any pitcher in the league. He has speed, stamina and a great curve. When right he is as fast as Grov." Frank Wykoff, if he is on edge, may be one of the toughest of all the college sprinters to beat in the closing spring campaign. Flying Frank was unbeatable on the Cambridge cinders two years ago in the final Olympic trials. Max Stiles, from his conning tower in Los Angeles, reports:

"Wykoff ran 9 3-5 twice at Fresno and I never saw any man run as fast as he did yesterday (May 19) when four watches had him in 2 2-5. He made that record by virtue of his speed between 25 and 50 yards. He was even with Hables at 25 and four feet ahead at 50. He won by a little more than two yards. Hables himself is a great runner to be heard from in years to come. He runs with the smoothness of Borah. I think that Dyer can beat him (Hables) a majority of times now but, as you know, Hables beat Dyer in 9.5 at San Francisco."

So much for Wykoff and Brother Stiles might have added that no one else anywhere has been observed traveling any faster, with or without starting blocks, unless it was during the flight of the natives from the vicinity of Mt. Vesuvius.

Postoffice cat-batters added another win to their list with a 9 to 6 victory over the Gold Seal creamery in last night's game. Itay Singler, pitching for the Federals, handled the game nicely, while the offerings of Geo. Witter were hit hard and often.

J. V. Elliott, regular hurler for the butter-makers went in for the last innings of play and held the postmen to no more scores. Dick Singler clouted the pill for a circuit drive with bases full.

The Lamport-Jennings Tire game was postponed.

FEDERALS DEFEAT CREAMERY, 9 TO 6 CALIFORNIA OILS PACIFIC HIGHWAY

Oiling operations have been begun on the Pacific highway in California, reports the touring bureau of the Oregon State Motor association, which contains the following information:

The first stretch is 13 miles north of Redding, where half the highway will be oiled at a time in sections of from a half to one and a half miles. This work will be handled under control, and cars should experience no difficulties, the report advises. The section between Gazelle and Yreka also is being oiled, and this is being handled under control. In Oregon traffic is being detoured from Talent into Medford for a distance of 10 miles. This detour is reported in fair shape, though somewhat checky in spots and winding.

"Mounted Stranger" Thrills at Rialto

Hoop Gibson proves again that "Action" is his middle name. In "The Mounted Stranger," all-talking thrill-packed picture of the hard-driving, hard-fighting west, which is now playing at the Fox Rialto theater.

Hoop provides all of the old thrills which put him by himself in the class of western stars, and adds plenty of new ones for good measure. Hoop, after playing around with automobiles, airplanes and such modern contraptions in recent pictures, returns to his first love—the horse.

He proves easily that he is unsurpassed as a horseman, and even has added to the skill and cunning that won the all-around championship at the famous Pendleton Roundup.

The action of "The Mounted Stranger" is laid in the old romantic Southwest, down near the border. Hoop plays the part of a daredevil cowpuncher, who single-handed sets out to avenge the death of his father at the hands of a gang of bad men.

EUGENE FIELD HOME WILL BE MEMORIAL

DENVER, Colo., May 30.—(AP)—The old home of Eugene Field, author and poet, is to be moved to one of Denver's city parks this summer for use as a new branch of the public library.

A move by Joseph G. Brown, close friend of Field's, to have the home made a permanent public memorial to him fell a bit short of its goal, but Mrs. J. J. Brown, Denver society matron, purchased it at Brown's instance and offered it to the city.

Rookie Gone Wild

TOM OLIVER.

BOSTON.—(AP)—The Boston Red Sox, without a heavy slugger since old Ike Boone, despite his hitting, was released for being down in the field, apparently have found their man at last.

He is Tommy Oliver, who climbed near the 400 class in the American league after three weeks of the campaign. During the third week he hit well over .500 to reach that altitude.

Oliver was obtained by the Red Sox from the Philadelphia Athletics, who had selected him from the Little Rock club of the Southern league. One year in the minor league Oliver drove out 216 hits, for leadership in the department.

The slugger broke into baseball at Laurel, Miss., in 1923. He played with Shreveport, Monroe, La., Vernon, Decatur, Ill., Beaumont, Tex., Nashville, Tenn., and Little Rock, Ark.

Oliver carries 163 pounds on a six-foot frame. He was born January 15, 1904.

Paramount Revue at Craterian Today

A sensation! That's "Paramount on Parade," which is now playing at the Fox Craterian Theatre. The audience go for it like nothing that's ever been seen in this town before. It is easily one of the cleverest, smartest motion pictures ever made. Some of it is in technicolor.

Every important player in the Paramount company is in the picture, and every one of them does something big, grand, delightfully entertaining. There is none of the business of dragging in names just to swell the cast. Each member of this cast entertains.

A spirit of the most charming intimacy pervades the picture. The performers meet the audience more than half way and lead it into the joyful frolic of fun and gaiety. It's like nothing so much as a great, big, jovial Hollywood party with the greatest entertainers in the world on hand to provide the amusement and act as over-thoughtful hosts.
