 Open to florists and professional flower growers.

Recital Enjoyed Saturday
 An interesting and enjoyable program was presented Saturday afternoon at the piano studio of Mr. Noel L. Erskine. All numbers were played by boys of Mr. Erskine's class and, according to expressions from those present, were very well presented.
 Appearing on the program were Olaf Anderson, Jack Wood, Wayne Wickes, Ival Moore and Andrew Anderson. Mr. Erskine played two selections by request.
 Mr. and Mrs. Bert Anderson were Sunday dinner guests of Mr. and Mrs. S. S. Smith at their cabin at Edgewood Park.

Color Transforms the Bathroom Into the Modern Mode
 The bathroom with white fixtures can be converted into the modern mode merely by giving a little attention to its walls and ceiling, the largest color areas. Some of the most colorful bathrooms are actually built, like this, around white fixtures.
 And, through careful color-planning, a most charming atmosphere can be obtained. For instance, cool colors, with touches of the warmer colors for contrast, can more freely be used in rooms that are bathed in sunshine for long portions of the day.
 On the other hand, a room will appear much brighter if done in the warm colors, such as yellow, orange, cream or buff.
 You may obtain authoritative information as to the ideal color scheme for any room in your home free from the Zenith Decorating Service, 301 Mission Street, San Francisco. She will also send upon request, free booklets on "Color Ideas."

Fire Guards at Training Ground
 The annual three days fire guards training camp at Union Creek this morning, at which approximately 50 men will be in attendance, comprising the personnel of the fire protective association, road foremen, a few of the co-operators in forest fire work, etc. The regular all the year-round rangers will give the instruction at the camp, along with Supervisor H. E. Rankin. Instruction will be given in fire prevention, fire chasing, fire fighting methods, problems of dummy fires, campers, smokers and others, and on minor troubles in the field and how to locate and repair.
 Instructions will also be given in telephone construction, maintenance and instrument troubles, care and use of equipment, packing, lookout work and on keeping accounts and diaries.

 Edmiston and Reddy, Medford, beat Duncan and Sams, Grants Pass, 6-1, 6-4.
 Ratu caused considerable delay.
 Chauncey Florey now located 123 East Main St. Insurance and Real Estate.

BACCALAUREATE TALK STRESSES 3 MAIN POINTS

"A Three Fold Discovery" was the topic of the baccalaureate sermon delivered by Rev. Christian E. Mell, pastor of the First Christian church, to members of the high school graduating class at the Presbyterian church last evening. The building was packed to capacity.
 The high school orchestra, under the direction of E. Wilson Waite played march from "Taunhamser" by Wagner, while the members of the graduating class proceeded to their seats.
 The invocation was given by Rev. W. H. Eaton of the First Baptist church. "The Heavens Are Telling" by Haydn was sung by the Girls' Glee club, directed by Miss Margaret Arnold, after which the scripture lesson was read by Rev. C. B. Porter of the Presbyterian church. Rev. A. G. Bennett of the First Methodist church, delivered the prayer following the singing of "America" by the congregation.
 The Girls' Sextet, including Jennie Ferguson, Barbara Wall, Margery Hon, Sibyl Jeanne Young, Luella Corn, and Levee Sinkins sang "Just for Today," by Ambrose.
 The three points brought out by Rev. Mell in his sermon were "find yourself, find humanity, and find your soul." Each of these "discoveries" was enlarged on, and their essentiality a successful life was brought out. In closing he told the students that with a good education and a firm foundation they would be successful.
 The closing hymn, "I Would Be True," was sung by the congregation. Rev. W. E. Hamilton, of the Episcopal church pronounced the benediction. Dr. H. C. Frank of the Lutheran church presided during the service.

ADD TRAFFIC COPS SOUTHERN OREGON
 With the addition of six more men, the state traffic force for that district of the state composed of southern Oregon and western Oregon counties, Lieutenant O. O. Nichols now has 19 men under his direction.
 One of the six men was assigned to Grants Pass, making two men for that district, with one spending most of his time on the Redwood highway. A new man as also added to be stationed at Burns, Harney county, which until this time had not had a traffic officer on duty.

DIAMOND'S SALE WILL CONTINUE TWO DAYS

The closing out sale at Diamond's jewelry store will be continued for two more days, Tuesday and Wednesday, June 3 and 4, and during that time shoppers will be given an opportunity to purchase high grade jewelry at very low prices, according to Fay E. Diamond.
 C. E. Bradford of Canon City, Colorado, is in charge of the sale which offers special gifts of jewelry and silverware for the graduate, June bride or the home at sale prices.
 Clean cotton rags wanted at Mall Tribune office.

DIPLOMAS GIVEN TRIO IN ACADEMY GRADUATION RITE

At a very beautiful and impressive ceremony, characteristic of graduation exercises at the Sacred Heart church in this city, three students of the St. Mary's academy received their diplomas Sunday evening. They were James Paul Smith, Lenore Augustus Estes and Estelle Bohette Woodcock.
 The program opened with the processional march, Romaine, by Gounod. Graduation honors were conferred upon the class of 1929 by Father Francis W. Black of the Sacred Heart church, assisted by Father Wm. J. Meagher of the Sacred Heart hospital and Rev. Thos. R. Jackson of Ashland. The address to the graduates was also given by Father Black.
 The program in detail follows:
 Our Lady of Good Counsel—S. H. N.
 Conferring of Graduation Honors—Class 1929.
 Veni Creator—Ravanello.
 Address to the graduates.
 Solemn Benediction of the Most Blessed Sacrament.
 Adoro Te—Gregorian.
 Tantum Ergo—Antone Ignoto.
 Laudate—Gregorian.
 Processional March.

WEDDING BELLS

James E. Lovejoy and Vivienne Dunphy, both of Yreka, Calif., were married at 11 o'clock this forenoon at the parsonage of Rev. Alex Bennett in the presence of friends and relatives. The newlyweds will make their home at Yreka, where Mr. Lovejoy is connected with the Siskiyou News. He has been a resident of the city for the past two years.
 The bride is the daughter of Mr. and Mrs. Frank Dunphy of Yreka, who were present at the wedding along with Miss Betty Dunphy, William Dunphy, George J. Armstrong and Edith Dunphy. Betty and William Dunphy acted as bridesmaid and best man, respectively.

Laura Drury and William Dougherty were announced this morning as being the outstanding boy and girl in the 1930 graduating class, following a vote taken in a recent assembly. These students will have their names engraved on separate cups, presented to the high school by the county fair board. Laura is valedictorian of the class, and William salutatorian.
 Dorothy Pittinger, Laura Drury, William Dougherty, Alan Carley, Josephine Power, Josephine Taylor, Amy Dorf, George Winne and Virginia Gregory were awarded gold torch pins by Miss Eula Benson, faculty advisor of the Torch society, an honor organization carried on throughout the United States.
 Tennis awards were given to James Edmiston, Hamilton Law, Alan Carley, Howard Dougherty, Joe Patton, John Reddy and Harry Garfield by Principal C. G. Smith.
 Installation of the new student body officers for the school year of 1929-30 was carried out in the assembly, with Richard Applegate, president, Ivan Harrington, vice-president, Gertrude Latham, secretary, Bill Walker, treasurer; Franklin George, business manager; Bob Boyd, Crater editor and Fred Colvig, HTimes editor.

ATWATER AUDITION ON KMED JUNE 9

June 9th has been announced as the date for the Atwater Kent audition contest over KMED, Mrs. George Andrews stated this morning. The broadcast will be between 9 and 10 o'clock that evening.
 All local artists planning to participate may obtain whatever information they desire by calling Mrs. Andrews, who has been named chairman of the contest in this district, at 731-Y.

SOIL SCIENTISTS WILL MEET HERE

The annual convention of the Association of Northwest Horticulturists, Plant Pathologists and Entomologists will be held in Medford July 13, 14 and 15. Prof. F. C. Reimer of the Southern Oregon Experiment Station announced today. The session will bring from 150 to 200 men to this city and will include only college faculty members, fruit experts and other men high in these fields of endeavor.

THREE INJURED IN AUTO ACCIDENTS

Two auto wrecks yesterday south of Medford resulted in injuries to three persons and damage to automobiles. Mrs. Jack O'Connor of Grants Pass sustained a badly injured forearm when a car in which she was an occupant skidded off the Pacific highway near the Emigrant dam south of Ashland. On the highway detour between Medford and Talent, Mrs. Mary Cleveland and daughter, Gertrude, received cuts and bruises when their car was struck by a machine driven by Richard Tyler.

PROTECT YOURSELF

When You Buy Aspirin look for the Name BAYER
 It pays to be careful when you buy Aspirin. Genuine Bayer Aspirin is safe as well as sure. These tablets are always reliable—they never depress the heart.
 Know what you are taking for that pain, cold, headache or sore throat. To identify genuine Bayer Aspirin look for the name BAYER on every package and the word GENUINE printed in red.

FRUIT GROWERS

Save Your Lead! Improve Your Sprays!
 HOW?
WITH FLUXIT FIXATORS
 Not a Spreader Not a Calcium Caseinate
FLUXIT FIXATOR No. 1 For straight lead arsenate sprays.
FLUXIT FIXATOR No. 2 For all summer oil combination sprays.
WHY TWO FIXATORS—BECAUSE
 The importance and benefit of oil-lead-arsenate and oil-nicotine cannot be too strongly emphasized not only from the standpoint of ovicidal value for codling moth control, but also as auxiliary measures for the control of red spider, summer scale, mites, etc. The experience of Northwest fruitgrowers over the past three years has shown that a fixator or spreader that will efficiently deposit a high load of arsenate in the film type of coverage without oil, will not give the same results if used in oil-lead combination sprays.
Fluxit Fixators are the First Answer to this Problem
FLUXIT FIXATOR NO. 1 (For Lead Alone) SAVES YOUR LEAD because
 It deposits from two to three times more lead than calcium caseinate spreaders which cause a run-off. (Most all spreaders are calcium caseinate).
 Spreads the lead evenly and uniformly over the entire surface. Eliminates spots and blotches against which the worm braces itself to gain entry or produce a sting.
FLUXIT FIXATOR NO. 2 (For Oil Lead and Oil Nicotine Combinations) SAVES YOUR LEAD because
 It deposits two to three times more lead than when no spreader or fixator is added.
 Eliminates the lead spots and blotches which cause so much difficulty in residue removal.
 In oil nicotine combinations after seven days shows three times the amount of nicotine deposit compared to oil nicotine alone.
FLUXIT IS THE ONLY FIXATOR
 Use One Pound to 100 Gallons (Costs but a few cents per tank)
 Read the Fluxit booklet—"The Spray Problem"

This business of being a mother . . . takes time
 It's amazing, isn't it . . . the amount of time that's required to care for growing children—amazing how little time there is for other things. . .
 For the woman who does her own housework the only answer is . . . electric servants. There's the Electric Cleaner which makes so simple a matter of her house-cleaning . . . there's the Electric Range which requires so little time and assures such perfect meals . . .
 Go into your dealer's shop today and let him show you how, at very moderate cost, you can avail yourself of the priceless convenience that complete electric service brings.
