Crawford-Maddox Engagement Announced

The engagement of Miss Aileen Crawford, daughter of Mr. and Mrs. Oris Crawford, and Mr. George Maddox, formerly of Medford, now of Seattle, was announced to a group of friends last evening at the Crawford home on Laurel following several hours of bridge.

The wedding will be an event of June 24th at the First Presbyterian church of this city. The engagement message was brought to friends in a telegram from Mr. Maddox which was delivered to Miss Dee Scheffel, one of the guests, as they were leaving the bridge tables for the dining room.

Miss Scheffel read the message and the guests entered the dining room to find the table beautifully decorated in rosebuds and maiden hair fern with two large cakes adorned with a miniature bride and groom placed at each end. The place cards were centerbury bells and lilies of the valley.

During the evening the guests were entertained with one of Mr. Maddox' songs broadcast from station KR, Seattle.

There were four tables of bridge in play and prizes were awarded Miss Scheffel and Mrs. Edward Leach.

Miss Crawford, who has always participated in musical activities, recently returned to Medford from Chicago, where she attended the Rush conservatory of music. What infinite relief to know Kotex deodorizes

DAINTINESS makes one important demand which some women overlook. And Kotex answers that demand. It deodorizes, by a special process, as it is worn. You've no idea what a relief that is! And Kotex gives you—too—the relief that comes with safe protection. It is filled with Cellucon—not cotton—absorbent wadding. Cellucon is the very same absorber that is used today by 85% of America's leading hospitals. Kotex is not only soft to feel, but soft to wear. And that softness lasts. Once you use it, you'll find it indispensable. One reason is the fact that it is so easily disposed of. Kotex Company, Chicago, Ill.

Prize Winning Flowers In Garden Club Display Are Chosen By Judges

The Medford Garden club flower show will remain open until 10 o'clock tonight to allow all people of the city to view the beautiful blossoms on display in the former Browne hardware store at the corner of Main and Grape streets, Mrs. Leland Mentzer, club president, announced this morning.

The 350 exhibits entered by local gardeners include flowers in 30 many varieties and colors visitors could spend several hours in the building without thoroughly appreciating the show. Many, who went through the aisles yesterday, pausing in front of lovely roses in bud and full blossom, fragile delphiniums and tall, graceful delphiniums, were going through again today, devoting more time to small garden flowers and glistening sweetpeas, which fill the place with a refreshing fragrance, that the flamboyant poppies with their heavy aroma are unable to destroy.

Each flower in the exhibit is deserving of attention but the great number on display make it impossible for the quantities of all to be noted. The more modest blossoms are unable to compete

with their haughty sisters, whose orange, red and bright blue faces draw the crowds. As a grand finale to the show the last meeting of the season will be held by the Garden club tomorrow evening at Hotel Medford, opening at 7:30. At this time reports will be given by the delegates, who attended the meeting of the state federation in Eugene.

Prize winners in each classification, announced last night by Judges of the flower show, follows: Class I—Roses. A. Climbing roses—First, Mrs. W. D. Welch, Silver Moon; second, Miss Berte Porter, Paul Scarlet Climber; third, Mrs. Cameron, Henrietta.

B. Pillar roses—First, Mrs. Van Hovenberg, Kirsten Paulsen. C. Polyanth bush roses—1. No entry. 2. Hybrid teas, three in a vase, first, Mrs. H. D. McCaskey, Betty Upchurch. 3. Class II—Irises. A-1. Rhizomatous, German—First, Mrs. Fred Cummings; second, Mrs. Fred Cummings. A-4. Oriental—First, Mrs. L. E. Williams.
