The Bishop Walks Out. Mr. Rockefeller Advises. Mr. Ford Visits Mr. Curtis Brain, Money vs. Babies.

Copyright King Features Synd. Inc.

Bishop James Cannon, Jr., yesterday declining to answer the senate lobby committee, walked out, disregarding orders to remain.

Senator Walsh called it "an open case of contempt."

Another case of contempt sent a well known oil man to jail. But any lobby committee would realize that an oil man playing the races is different from a bishop "playing" the stock market.

John D. Rockefeller lives younger than 91 to run Standard of H. S. Merriam, member of the world and when he advises he advises wisely. Much wisdom was condensed into the few words he said to a player in his foresome, "be deliberate" and "talk less and play better." That is a good "how to succeed" recipe.

Hat acting Governor Hamilton demand of H. S. Merriam, member his resignation or a complete retraction of his statement here on Wednesday that a "mysterious discase" heretofore known to exist indicated here Friday. Confirmation of the reported movement was made by Max Gehlar, a leader in cherry growing circles, who said that he was aware of the agitation, and O. E. Brooks, who said that he was younger than 91 to run Stand-

Henry Ford, going to visit Cyrus H. K. Curtis, arrives just tion. in time to read an editorial published by Mr. Curtiss that will hearing before the Marion county court on charges he had brought in time to read an editorial pubsurprise Mr. Ford.

It says: "Prohibition reform is going over." And "Nothing can stop the growing intent of the people of the United States to preserve the good of the experiment, noble in motive, but to end its unexpected and unpecessary evils."

Henry Ford has said that if

Henry Ford has said that if Henry Ford has said that if prohibition went and beer came back he, Mr. Ford, would close his factories, because men with beer can't work fast enough to keep pace with modern ma-

Cyrus H., K. Curtis also owns modern, rapid machinery. He federal and Mr. Ford might have an interesting discussion if they could get their minds off advertising.

Young ladies, graduating in a college for women, are urged by the Rev. Dr. Robert Parrish to "be brain and money

We owe much of education. science and art to rich men. says the doctor, and must not "despise wealth."

No tendency to despise wealth is visible in th try. But many still maintain that the "brain and money woman" is not as desirable as the "church and baby woman."

bathing and bathing costumes

The regulations state that women's bathing costumes should not be cut like men's, that the costumes for both sexes should cover the person, that women's and men's dressing cabins should be sep arated, that there should be no dancing in bathing suits and that there should be polbathing beaches.

Supreme Court Grants Release of Millionaire Showman On \$100,000 Bond, From Sentence.

LOS ANGELES, June 6 .-- (P)-The California supreme court to day ordered the release on bail of Alexander Pantages, millionaire showman who is in the county jail awaiting action on an appeal from his one to fifty year prison sentence for criminal assault

The order, handed down in The order, handed down in a brief rulling provided for the 54-year old theater man's release un-der bond of \$100,000 which must be approved first by the presid-ing judge of the superior court Pantages had appealed to the high court from superior court rulings against his release, which he had sought on the contention that jail confinement was endangering his life. He has been confined to the county jail hospital for several months as the result of recurrent heart attacks.

Pantages was convicted of crim-inally assaulting Eunice Pringle, 17-year old co-ed danger, in his theater building office

## Henry Ford Says Business Gaining As Stock Speculators Go To Work

Allen Informs Traffic Assn. Present Policy to Continue-No Drastic, Autocratic Or Arbitrary Rulings Are Intended.

There will be no changes in inspection rules for fruit and fruit River Valley Traffic association was informed today noon at a spe cultural commissioner for southern

It was stated that the inspection policies would continue in the fu-ture as for the past seven years, and that there was no intention of applying "drastic, autocratic or artrary rulings," as intimated in a cries of rumors circulating in fruit circles, fruit circles, Inspector Fish informed the

inspector Fish informed the meeting that there would be no change in regulations or none contemplated, and that inspectors were instructed to use wide discretion and cool judgment and to confer with superiors before decisions o

imporance.

Commissioner Allen sent word to
the session conforming with the assurances of inspector Fish and urg ing that any instance of inspecto-rial "officiousness" be reported to him at once.

Season Activity.

It was the opinion of the meeting that, since there was to be no change in the inspection rules, armond upon the point would be used to be a change in the inspection rules.

useless.

ing that a carroad could be condemned for one, worm, referred to
shipments of cull fruit, when the
fruit was in bulk or unboxed. The
question was broached to the attorney general upon cull fruit.

The issue concerned the point,
"is a pear or apple still worms,
if the worm has left the fruit."

Marion county inspectors held that Marion county inspectors held that it was, though nothing was left but the hole, and growers and canners took the opposite view.

The traffic association has taken

steps for the securing of the at

torney general's finding.

The meeting discussed the proposed new cannery pear grades standards which will be considered at a meeting of the state horticultural board to be held at Salem the context.

WASHINGTON, June WASHINGTON, June 6,—(P)-President Hoover vetoed today the louse bill which would authorize house bill which would authorize the United States to be made a defendant in litigation by the state of Oregon for the determi-nation of the title to lands con-stituting the beds of Malheur and lakes and lands riparian thereto.
