VETERANS HOLD BATTING HONOR AMERICAN LOOP

Babe Ruth and Old Sam Rice Set Hot Pace—Latter Has Hit in 44 Games Current Season.

By Hugh S. Fullerton, Jr., Associated Press Sports Writer.
The younger batters of the American league haven't much chance to make names for themselves as long as those two old-timers, George Herman Ruth and Edgar Charles Rice, continue to hit at their present rates. The Babe and Old Sam have almost a monopoly on the league's batting leadership, with Rice holding the highest honor.

Rice, a veteran of some 28 summers, 14 of them spent playing baseball for Washington, has made a record for consistent hitting this season that no younger rival has ever threatened. The Senators have played 45 games so far; Rice has taken part in 44 of them; and only once has he failed to get at least one hit. Sam connected safely in 28 consecutive games before his streak was broken. Rice leads the league's batters with a current average of .401.

Main Yesterday.
Rice had no chance to continue his hitting streak yesterday, nor did his rivals do much hitting, as wet grounds caused the postponement of two American league games.
Joe Sewell of Cleveland and Russ Scarritt of the Boston Red Sox had perfect days with three and four hits respectively, as the Indians gained a 9 to 4 victory over Boston. The blow of the Philadelphia Athletics and St. Louis Browns were pretty well distributed in the 5 to 4 triumph of the world's champions.
Denny Southern of the Philadelphia Nationals turned in the best batting feat of the day to help the Phillies to a 14 to 15 victory over the Cincinnati Reds. In five times at bat he hit five times and scored five runs.
Giants Get 17 Hits.
The New York Giants hit 17 times, 13 of the blows being divided between Critz, Leach and Terry, and defeated the St. Louis Cardinals, 1 to 7, to move into a three-way tie in games with the Cards and Pittsburgh for third place in the national league. Pittsburgh gained the post by a one-point margin, defeating the Boston Braves, 4 to 3.
Chicago's Cubs scored their ninth successive victory at the expense of the Brooklyn Robins and Dizzy Vance, 13 to 0, and cut the Robins' lead from two games to one.

Baseball Scores

BROOKLYN, June 7.—(AP)—Hack Wilson of the Chicago Cubs gained a tie with Babe Ruth for major league home run leadership by hitting his 18th homer of the year today in the third inning of the Chicago-Brooklyn game. Johnny Morrison was the Brooklyn pitcher and Cuyler was on base.

ST. LOUIS, June 7.—(AP)—Babe Ruth slugged his 19th home run of the season today in the first inning of the Yankee-St. Louis game to regain the major league lead soon after Hack Wilson had tied with him. The homer came off the delivery of Walter Stewart, after the first two men had walked.

Graduating Twins Prove Problem in Presenting Award

PORTLAND, Ore., June 7.—(AP) The which-is-which question of twins was solved here yesterday in a surefire manner.
The 13-year-old twins of Dr. and Mrs. David Breuer are so identical in appearance, qualifications and deportment that the Rose City post, American Legion, could not select the one to present a merit award.
The twins were graduating from the Alameda grammar school. Merit awards finally were given both.

TRIBUNE STORY CLUE TO BIRDS

The lost carrier pigeons, which turned up here this week at Diamond lake, are probably two of the missing pigeons from a Portland loft and will be returned to that place, as their identity has been discovered through a news item in the Mail Tribune from the Diamond lake resort last Thursday, to the effect that two lost carrier pigeons had come to the store at the resort.

WYKOFF SETS NEW CENTURY DASH RECORD

University of So. California Speedster Cuts Tenth of Second From Mark — Hurdle Time Matched.

By Charles W. Dunkley, Associated Press Sports Writer.
STAGG FIELD, Chicago, June 7.—(AP)—Frank Wykoff, university of Southern California defeated George Simpson, Ohio State and six others, in the 100 yard dash opening the national collegiate track and field championships today. The time was .09.4, a tenth of a second faster than the record.
Wykoff won by a foot and a half, and did not use the controversial starting blocks. Neither did Simpson nor Eddie Tolan, University of Michigan star, holder of the world's record of .09.5. Edwin Toppino, Loyola University, New Orleans, finished third with Tolan fourth.
Claude Bracey of Rice Institute, Houston, Texas, was fifth and Cy Leiland, Texas Christian university was sixth.

Perfect Start.
Off to a perfect start, Wykoff led from start to finish, with Simpson snapping at his heels all the way. Wykoff was favored by a slight wind at his back, but the breeze was not sufficiently strong to ruin his chances for official acceptance of his performance as a new world's record.
Stephen Anderson, University of Washington hurdler, tied the world's record of 14.4 in defeating Lee Sentman, Illinois, in the 120 yard high hurdles by a foot. Sentman and Anderson ran neck and neck until they reached the last hurdle, when Anderson, in a furious drive, lunged into the tape a winner.

Hill was sixth.

SHANGHAI.—(AP)—Twenty cents silver is the standard sale price for unwanted Chinese babies in Shanghai.
A year ago babies could be had for nothing, but the nuns of St. Cecilia's convent, to keep Chinese mothers from throwing infants into the river, started paying for children brought to their doors.
In the Virgin's Garden of the convent, a large basket is kept beside an open door. Twice or maybe three times a day a screaming bit of human life is deposited therein and an eager woman holds out her hand for a piece of silver.

The business of buying unwanted babies came into existence when a sister, seeing a woman on the point of tossing her newborn daughter into the Whangpoo River, tried to explain to the mother the seriousness of her offense.

Offered 20 Cents.
The Chinese woman failed to see why she should not throw her baby away, whereupon the sister offered to buy it for a 20-cent piece. All argument ceased. The woman took the coin and disappeared.

The next morning there was an eager clamor outside the convent. Nearly a hundred women were there waiting to bargain with the sisters for their babies. It mattered little that most of them had been told that the foreign women killed the babies and made them into medicine. Twenty cents loomed large to the Chinese mothers and a baby is only a baby.

Babies Very Young.
The majority of the children left with the sisters are very young. Two or three hours span the majority of their lives in the outside world. They are brought wrapped in dirty clothes, some of them mutilated. The sisters give them immediate medical attention, then feed them.

The Helpers of Holy Souls, a French organization, is in charge of the work at the convent. They have been at the business of saving Chinese children for 60 years and although they started in the face of grave danger and handicapped by the ignorance of the women they tried to help, they have succeeded in carrying on their work unhampered.

Boy babies brought to the convent are placed in Chinese homes soon after their arrival. At the age of seven they are sent to a boys' school run by the society, where they are taught wood-carving, printing, photography, sculpture or painting.

The girls are kept by the sisters. They are taught to pray, read and write, sew and make lace and embroidery.

Relieved by the double defeat of the menacing Angels, Sacramento built up a two-game lead in the Coast standings yesterday by routing Portland, 14 to 7, using Tony Freitas on the mound. Mads had the Stars controlled until the sixth, when they cut loose and drove him to the showers. McDonald suffered the same sort of treatment and was replaced by Diehl at the opening of the seventh chapter. The Senators getting to him for five more runs.

San Francisco answered the day's most aggressive challenger, taking its second straight from the Missions, 11 to 3, and moving into a tie in games with the Angels.

CANADA INVITES VACATIONISTS

1—A scene on one of Vancouver's many golf courses; 2—The Canadian Pacific "Princess Marguerite"; 3—Interior of the Canadian Pacific "Crystal Gardens" in Victoria; 4—A Vancouver island stream.

With advance indications pointing to the greatest tourist season in history, British Columbia this year offers a wider range of activity and entertainment for vacationists than ever before, according to officials of the Canadian Pacific Railway and the British Columbia tourist agencies.

Every type of recreation is available in Canada. Golfers will find many fine courses in Victoria, Vancouver and on Vancouver Island. Fishermen will find ideal streams, lakes and salt water fishing to intrigue them. Sightseers and motorists can drive for many miles over fine highways to some of the continent's most remarkable scenic locales. Everywhere there is swimming, boating, tennis, horseback, hunting, hiking.

To reach Canada is a simple matter, also. From Seattle the Canadian Pacific company again operates the magnificent "Princess" liners, the "Kathleen" and "Marguerite" on a twice-daily schedule. Each morning one of these liners leaves for Victoria and Vancouver at night for Vancouver direct. Motorists may take their cars aboard with no inconvenience or "red tape."

Also, beginning June 13, Canadian Pacific announces the "Princess Victoria" on a daily run from Seattle to Victoria at 5:15 p. m., arriving in the British Columbia city at 9:30. This

new motor ferry will make the return trip from Victoria at 1:00 a. m., arriving back in Seattle at 7 o'clock.

In Victoria the Canadian Pacific Empress Hotel has recently been enlarged and remodeled in preparation for the coming summer tourist and vacationist influx. In Vancouver, the Vancouver Hotel affords superior accommodations and service, also.

Whatever your vacation demands, Canada can satisfy them, according to officials in that country, who are extending to local residents a cordial invitation to visit British Columbia this season.
