CHERISH THOSE LOVELY ARMS

"Coming events cast their shadows before"

When tempted to over-indulge "Reach for a Lucky instead"

Be moderate—be moderate in all things, even in smoking. Avoid that future shadow* by avoiding over-indulgence, if you would maintain that modern, ever youthful figure. "Reach for a Lucky instead."

Lucky Strike, the finest Cigarette you ever smoked, made of the finest tobacco—The Cream of the Crop—"IT'S TOASTED." Lucky Strike has an extra, secret heating process. Everyone knows that heat purifies and so 20,679 physicians say that Luckies are less irritating to your throat.

LUCKY STRIKE CIGARETTES

"It's toasted"

Your Throat Protection—against irritation—against cough

*There is only one remedy for fat, and that is eat the right food... There are at least one hundred so-called obesity cures. None of these is permanent. All of these are injurious," says Vance Thompson in his famous little book, "Eat and Grow Thin," published by E. P. Dutton & Company. We do not represent that smoking Lucky Strike Cigarettes will bring modern figures or cause the reduction of flesh. We do declare that when tempted to do yourself too well, if you will "Reach for a Lucky instead," you will thus avoid over-indulgence in things that cause excess weight and, by avoiding over-indulgence, maintain a modern, graceful form.
