

Valley Trap Gunners Will Shoot For Mail Tribune Trophy

EVENT WILL OPEN FINE CLUB TRAPS

Rogue Valley Gun Club and Greater Medford Club Cooperate in Inaugurating Annual Tourney—Many Prizes Are Listed.

The Mail Tribune Trap Shoot, an event which each year will hold a place in the sport spotlight of southern Oregon, will be staged at the Rogue Valley Gun club's fine new grounds on the Medford airport on Sunday, June 22nd. This outstanding sporting event will mark the formal opening of the club's new \$3000 trap grounds and scores of Rogue Valley Valley shooters will be for the handsome Mail Tribune trophy as well as countless other cups and prizes. Proceeds of this shoot will go to the Greater Medford club, which is joining with the Mail Tribune in sponsoring the first annual tournament.

The northern part of the municipal airport has been devoted to the Rogue Valley Gun club and members of that organization have invested approximately \$3000 in clubhouse, traps and equipment, making the local trap grounds one of the very finest in the northwest. Three of the newest and best type traps are being installed, although but two will be used in staging the Tribune's first annual shoot. Extensive beautification and landscaping is planned to further add to the beauty of the club's excellent grounds.

Beautiful Trophy
The Mail Tribune's beautiful trophy, chosen for the Tribune by S. G. Mendenhall, vice-president and manager of the Rogue Valley Gun club, is in the form of a large silver shield with appropriate trophy design and inscription. The winner each year of the Tribune shoot will have his name engraved upon this trophy and the winner, three times in succession, will become the permanent owner of the coveted shield. It will be placed upon the wall of the new clubhouse.

In addition to the Mail Tribune trophy, there will be awards for runner-up, high novice and low gun as well as special merchandise awards for every shooter in the Tribune shoot. A nominal entry fee will be charged and revenue in excess of actual expenses of the clay pigeons will go toward the Greater Medford club's building fund.

Enrollment Open
There are no special qualifications necessary for enrollment in the Mail Tribune first annual trap shoot. Experience is unnecessary and every shooter will participate in the large list of prize awards planned for the opening event. An enrollment blank will be published in this paper or contact may be made with S. G. Mendenhall, manager of the Rogue Valley Gun club.

SENATORS FIND HOT RIVALRY IN AMERICAN RACE

Indians Creep Up On Second Place, While Athletics Continue Lead—National Rained Out.

By Orlo Robertson
Associated Press Sports Writer
Baseball games won in the spring count as much as the ones won in September but the Washington Senators are discovering that it takes more than an April and May winning streak to keep in the midst of the American league fight.

True, the Senators are still clinging tenaciously to second place in the junior circuit but every day sees the Indians creeping closer and closer. Today Cleveland is only a half-game away while out in front, setting a burning pace, are the Athletics with a three game lead.

The Indians today stood within grasp of "runner-up" honors as the result of a 5 to 4 victory over the Senators yesterday. With Eddie Morgan providing the big gun of the offensive power and Walter Miller hurling good ball in the pinches, Cleveland came from behind to nose out their rivals in the eighth inning. Morgan hit a home run with one on and then added a triple later in the game.

A's Strengthen Hold
Taking advantage of the Senators' defeat, the Athletics strengthened their hold on first place by eking out a victory over the White Sox 3 to 2.
Chad Kinsley turned in a brilliant bit of relief hurling at St. Louis but holding the Yankees to five hits in six innings failed to stop them from defeating the Browns 8 to 5. The Yanks scored seven of their runs off Crowder in the first three innings.

In the only other game played in the major leagues the Red Sox nosed out Detroit 7 to 6 by a five run rally in the seventh. Gaston held the Tigers to nine hits. All National league games were postponed either because of rain or wet grounds.

THURSDAY FRAY ATTRACTS FANS TO BOX OFFICE

May Exceed \$700,000 Gate Is Indication—Principals Will Rest Tomorrow—Referee Unnamed.

By Herbert W. Barker.
Associated Press Sports Writer.
NEW YORK, June 10.—The Jay Sharkey's heavyweight championship ship battle with Max Schmeling on Thursday night will not draw a million dollar gate, but there are indications it will pass the \$600,000 total that has been predicted for it.

Mr. J. C. Public is showing unmistakable signs of getting excited about the whole business. The boys on the street are talking about it, arguments as to the respective merits of a left hook and a right cross are common and that's what made Jack Dempsey's various title battles draw millions.

At the end of the day the Garden announced the coffers of the Milk Fund, sponsors of the show, had been swelled by \$40,000. Recalling that \$100,000 had been taken in on Friday and Saturday, the Garden was not slow to estimate that the total gate would pass \$700,000.

Good Workouts.
Just to make the day one of unalloyed bliss for the promoters, Sharkey and Schmeling both put on great workouts at their training quarters in Orangeburg and Endicott, N. Y.

The boys will rest Wednesday and come to New York in time for weighing-in ceremonies at the stadium at 2 p. m. Thursday. Principal interest here turned on the question of a referee. Neither Sharkey nor Schmeling has offered objection in the New York state athletic commission's plan to select the third man in the ring just before the 15-round title affray begins. A guessing contest among the experts nominated Ed Forbes, Jim Crowley and Kid McPartland as the most likely candidates.

There were indications that Lou Magnolia, referee of the "foul-no foul" contest between Sharkey and Phil Scott at Miami, has been ruled out of consideration. The latest betting odds favored Sharkey 2 to 5. Odds of 1 to 3 had been offered against Sharkey scoring a knockout and 1 to 7 against Schmeling accomplishing the feat. Golf Drive From Crater Rim Fails To Reach Water

CRATER LAKE NATIONAL PARK, Ore., June 10.—(Special)—Among the many other interesting and interesting visitors at the park recently were Mr. and Mrs. Maurice J. McLoughlin.
It seems as though it were only yesterday afternoon that Mr. McLoughlin, known as the "Red Comet" crossed the ten-foot firmament carrying everything with him. He may have laid aside his racket, but he swings a wicked golf club.
Up on the rim in front of the lodge, he hit seven golf balls as sweetly as Walter Hazen at his best. But he could not drive one to the lake below.
Ward P. Webber, associate park engineer, calculated that an array of about 25 yards might do the trick.
