

## CONFIDENT TARIFF ACT WILL PASS

### Senate Republican Leaders See Enough Votes for Final Success—Roll Call On Thursday Or Friday—Debate Continues.

WASHINGTON, June 10.—(AP)—Senate republican leaders continued today to express their confidence in the Smoot-Hawley tariff bill by a narrow margin. The final roll-call, concededly close, was expected to come on Thursday or Friday. Chairman Smoot of the finance committee, in charge of the bill, predicted the earlier date.

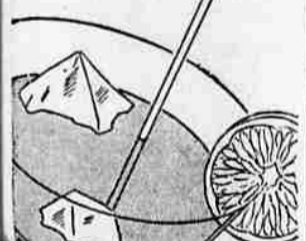

Meanwhile, the members of the senate were given a last opportunity to express their attitudes for or against the measure. To expedite action, the two sections of the conference report—one dealing with all of the rate schedules and the other with the flexible provisions and the lumber tariff—were combined.

Thus a single roll-call will determine the fate of the bill. It will be necessary, thereafter, if the measure is approved, for the house to vote again on the rates section of the conference report.

Final house action is expected early next week. All factions in the tariff dispute were still waiting today for an announcement from the two Pennsylvania senators of whether they will vote for or against the bill. Senator Grundy is comparing the measure closely with the present law, to see which, in his opinion, affords better protection for American industries. Senator Reed was in London attending the naval conference throughout most of the debate.

With both the Pennsylvanians voting against the measure, it was estimated that it would be defeated by a single ballot. The old hard republican leaders, however, showed no alarm and were confident of support from both.

## BANKERS GIVEN GOLF AWARDS DURING FEAST

Over 300 bankers, their wives and guests were present at the annual banquet of the Oregon State Bankers' association at the Hotel Medford last evening. An interesting program was prepared, featuring Rome Stephenson of South Bend, Ind., vice president of the American Bankers' association, who furnished an interesting series of after dinner stories. Dancing followed the banquet in the hotel dining room. The distribution of golf prizes was also made during the program.

Several well rendered quartette selections were sung by Dr. E. W. Shockley, Clarence Meeker, Dr. W. D. Howard and A. J. McDonough. The singers were heartily applauded. Piano solos by Miss Aileen Crawford, daughter of Mr. and Mrs. Oris Crawford, recently returned from a year's piano study at Chicago, thrilled the listeners with the remarkable ease and fine technique with which they were played. Miss Montana Mahue, also recently returned from Chicago, played several difficult violin selections. A. K. Cass of Grants Pass completed the program with a take-off on a colored darky preacher and kept the bankers in hearty laughter most of the time.

**Getchell Gives Prizes**  
With a delightful introduction in which he referred to the wonders of southern Oregon, urging every visitor to become thoroughly acquainted with this section of the state before leaving, Delroy Getchell, president of the Farmers & Fruitgrowers' bank, presented prizes to participants in the bankers' golf tournament held at the Rogue Valley links yesterday. First prize of a silver loving cup and clubs went to L. S. McCready of Eugene, low gross; Eugene Courtney, Woodburn, loving cup and equipment, low net; Al Grutze, runner-up; A. R. J. N. Edlefson presided at the banquet, a feature of which was a public address system, amplifying the speakers' voices so they were heard without effort in the entire room. The committee in charge of the banquet and ball was composed of Eugene Thorndyke, Medford, chairman; George Frey, Fred Wahl and Treve Lumsden, all of Medford.
