**WHAT
MANN'S
OFFER
YOU**

No doubt you have wondered about this store but it was just a passing thought because you as a customer like thousands of others see only the things you wanted to buy and take the service you received as part of your right as a customer, and that is as it should be, but a store as large as Mann's employing thirty-four people and selling many thousands of dollars worth of merchandise every year there is something else besides just counters and shelves filled with goods. There is a certain personality about a successful store like this, a certain pride of being a part of it and we believe you as a customer feel certain satisfaction when you shop here. You do no doubt because you are a steady customer, a satisfied customer, a friend to this fine store,—but why are you a customer of this store year in and year out, because it is a large store. No. A good store, No. Cheap store, No. Why then? Because this store SERVES YOU BEST serves you, that is the story. Mann's serve you and when a store can serve the community that surrounds it then it is a successful store, and Mann's do that just as the large and successful stores of our Metropolitan Cities serve their clientele. Mann's offer you twelve complete departments. They offer you a dependable delivery service, a mail-order service, a telephone and rest room service, a special order service, elevator service between floors charge account privilege, fair prices and quality merchandise. Yes this store is dedicated to the community it serves. Let this store serve you.

We believe the people of southern Oregon will appreciate the fine progressive spirit of Mann's. We have faith in Medford. It is exemplified in this announcement.

Mann's Department Store
"THE STORE FOR EVERYBODY"
PHONE -486-487 MEDFORD, OREGON.

**HERE'S
A Progressive
STORE**

A month or two ago we installed the first units of our beautiful new Main Floor equipment. A short time ago the final pieces were set in place... This modern store furniture consists of new Oak Tables for the Main Aisle, new Oak Island Cases, new Oak Infants' Section, and Matching Units for Silk Underwear and Corsets... Thus completing the finest store equipment in Southern Oregon... These modern cases are for your convenience; we hope to serve you better with them.

If things are not in their old places please ask a Floor Man or Sales Girl to direct you to the Department you wish.

We had to make these changes in order to serve our customers in a better way—a modern way.

A STORE DEDICATED TO THE COMMUNITY THAT IT SERVES
