

IS ENTHUSED OVER SARGON BENEFITS

"In spite of all the medicines I took my health gradually failed me, my appetite dwindled away to almost nothing and practically

EMIL SCHRADER

everything I ate brought on indigestion. My liver was slow-acting, I was constipated and always felt "fuzzed out." The strengthening and invigorating effects of Sargon on my entire system was remarkable. My appetite is keen now, I never have a trace of indigestion, sleep fine and am full of new life and energy.

"The way Sargon Pills straightened out my liver and rid me of constipation is certainly gratifying."—Emil Schrader, Beaverton, Oregon. Magill Drug Co., Agents.

APPRECIATION FOR POOR OLD FATHER IS AIM ON SUNDAY

Father's seventh anniversary occurs next Sunday, June 15, in the United States and Canada. Anniversary of what? Father's day, of course. Within the past few years its popularity has become so widespread that millions annually observe it in his honor by giving him gifts.

The movement to set aside one day each year in honor of father began less than a generation ago, its object being to let father know that he was something more to the family than merely a provider, shock absorber and complaint bureau.

Several of the churches in Medford will observe Father's day Sunday with special music and sermons.

A theater party for residents of the Jackson county farm has been planned by S. G. Mendenhall, manager of the Craterian theater, and "Toggerly Bill" Isaacs. Both men and women who make their home at the poor farm will be guests at "The Rogue Song" Saturday afternoon.

PORT ARTHUR, Tex., June 13. (AP)—One man was dead, 35 were injured, 11 seriously, and damage estimated at more than a million dollars had been caused today as a result of an explosion and fire at the refinery of the Texas company here.

Official investigation into the cause of the explosion was begun

FOX THEATERS OF STATE UNDER NEW DIVISION DIRECTOR

Extensive plans for expansion of the Fox West Coast circuit of theaters throughout the entire north-west necessitates creation of a new division office to be established in Portland, according to an announcement made today by Earl L. Crabb, division manager in charge of Fox West coast theaters in Washington and Oregon. The two states will henceforth be divided and under the jurisdiction of the Portland office will come all theaters operated by the company in the state of Oregon, numbering 18 at present with 12 new houses to be constructed in the near future.

Harold B. Franklin, president of Fox West Coast Theaters, has assigned Port Major, who for the last eight years has been a member of the home office organization in Los Angeles, to be the division manager of the new Oregon division with headquarters in Portland.

The Washington division, comprising 35 theaters with 11 new houses soon to be constructed, will continue to be under Mr. Crabb's supervision.

The coming season offers many new innovations in talking pictures and August first will inaugurate the beginning of "Greater Talkie Season" which will outstrip the wonderful progress already in the fast moving industry.

By Superintendent M. K. Holme, Leonard Match was fatally burned

Keep Your Eye on Medford And Jackson County, Says Editor Irvine in Laudation

B. F. Irvine, editor of the Oregon Journal, who gave the commencement address for the local high school, writes in praise of Medford's growth and prospects in a recent edition of his paper. Under the caption, "A Twelve Million City," the Journal editor says:

"In the past 10 years the population of Medford increased from 5756 to 11,955. It was an increase of 5329, or 92.7 per cent. The population of Jackson county increased 65 per cent.

"This remarkable growth was not of the jazz or boom order, but a steady, substantial development. As told the Journal by S. Sumpter Smith, who, as one of the owners of The Medford Mail Tribune, has been a part of this development, following are some of the reasons for a 92.7 growth in Medford in the last census period:

"First and foremost, was the increase in irrigation from only a small acreage to over 35,000 acres, divided into five districts covering nearly every section of the valley. This not only increased the acreage of fruit, and production, but improved the quality. It also greatly increased the growing of alfalfa, grains, vegetables, berries, melons, etc., which in turn increased stock raising, dairying and poultry raising and brought in canneries, fruit packing and cold storage plants.

"The increase in pear production alone was from 842 cars shipped in 1919 to 3666 cars in 1929.

"In lumber the shipment increased from a few cars to over 4000 the past year, while cannery products were 225 cars, box shooks 875 cars, and cement from the Gold Hill plant 1200 cars. There were also many cars of other products.

"The total value of all products shipped from Medford in 1929, at a conservative estimate, was \$12,250,000.

"Building permits have gradually increased from year to year and reached the maximum in 1929.

"Postoffice receipts increased from \$24,595 in 1919 to \$91,924 in 1929. The first four months in 1930 showed continued gains.

"Bank deposits in 1929 in four banks in Medford were \$7,157,956.08, a steady gain from year to year. The percentage of gain in deposits in the Medford banks for the year 1929 over 1928 was the greatest in 10 of the largest cities in Oregon.

"The school population made a remarkable growth during the 10-year period and in 1929 totaled 2500 school children registered, with 800 in the high school. A new modern high school was built a few years ago and Medford now faces the erection of another high school building and one or two grade schools.

"One million dollars was spent four years ago to bring absolutely

IMPROVING ROUTE TO LAKE O' WOODS

The Dead Indian road to Lake O' Woods is being improved by the county, and it is expected to be in good shape for those going to the lake over the week end. Since schools have been closed, many tourists have been visiting the lake daily, and many big catches have been reported.

A number of the Medford and Klamath Falls Boy Scouts are there at the present time building cabins and fixing up their camp

for the summer. Troops will open camp July 10. The Boy Scout camp is located directly across the lake from the resort.

Supplies and equipment may be obtained at the store, and a number of boats are available for rides on the lake and for fishing.

STATE HAS NO PENSION FOR LIBRARY EMPLOYEES

SALEM, Ore., June 13.—(AP)—Oregon laws do not provide for a retiring fund or a disability pension system for public library employees, says an opinion by Attorney

General Van Winkle in reply to an inquiry by Miss Mirpah Blair, acting state librarian. Miss Blair asked if the board of library trustees in any city in Oregon has authority under existing laws to establish such a benefit to be paid for jointly by the employees and the library, and administered by the board of trustees directly or through a commercial insurance company.

Card of Thanks. To our friends: We wish to express our heartfelt appreciation for the beautiful flowers and acts of loving kindness extended to us during the illness and passing for our loved one. IF YOU HAVE AN ACHE OR PAIN LET THIS EXPERT HELP YOU

HE LOOKS AFTER THE TWENTY-SIX ATHLETES OF WASHINGTON BALL TEAM

For More Than Twenty Years He's Been Relieving Lame Back, Sore, Stiff Muscles, Swollen Joints, Sprains, Achy Feet, Rheumatic Pains and Kindred Ills of Big League Athletes

Greatest Living Expert On Keeping Athletes In Perfect Condition

TRY HIS METHOD ON YOUR ACHE OR PAINS

We want to introduce the reader to Mike Martin, who probably knows more about keeping a person in fighting condition than anyone else living. For over 20 years at various universities and with the New York Yankees, Cincinnati Reds and now as trainer of the Washington Ball Club, Mike Martin has won fame as a lightning quick fixer of sprains, pains, aches, etc.

Mike Martin is a genius. He can take men claimed to be too old, stiff or rheumatic to play baseball at all and make them as frisky, vigorous, sup-

ple and quick as a boy. Mike Martin knows his business—ask Herb Pennock, Ty Cobb, Geo. Sisler, Lea Meadows, Ray Kremer, Walter Johnson, Alexander, Chief Bender, Nick Altrock, or any of the big stars of today, or the past few years. They know. Ask the trainer of any of the Big League Ball Clubs.

HE CAN HELP YOU

Mike Martin has had a little folder printed, telling how he quickly banishes stiff, swollen joints, achy, lame backs or feet, various rheumatic pains, etc. He has arranged with leading druggists here in town to sell you generous sized bottles of the liniment these great "Stars" use. He has made it a long time for his own use. Athletes on other teams kept Mike busy making his "Mike Martin Liniment." Trainers, coaches, colleges, big league teams all over the country buy it by the gallon from Mike. Now, Mike Martin, swamped with demands for this

MIKE MARTIN, Trainer Washington Baseball Club

liniment and directions how to use it, has employed a big sales company to distribute it and they are supplying all the druggists—Mike still superintends the making of it—during odd times between acting as trainer of the American League Washington Ball Club.

ASK THE DRUGGIST

If your druggist hasn't secured a few bottles of Mike Martin's Liniment, ask him to get it. There is no other liniment like it. Mike's liniment is used in cases of chronic lameness, swellings, stiffness or pains, yet is so mild it can be used on baby's skin. Mike Martin's Liniment is unquestionably the most effective, quick, sure, up-to-date remedy made. Big league players couldn't afford to do with weaker, slower remedies. No one else should. If your druggist has some remedy of his own he prefers to sell—just ask Mike Martin, Trainer, Ball Park, Washington, D. C. 45c for smaller and two ounce bottle of liniment or \$1 for large four ounce bottle.

cording to reports from local real estate dealers. During the month of May there was more activity in real estate transfers than in any month for the past four years, it is stated. Business men also report a decided increase in sales.

MRS. McCORMICK FOR LIMITING CAMPAIGNS

TOLEDO, Ohio, June 13.—(AP)—Mrs. Ruth Hanna McCormick, Republican senatorial candidate from Illinois, in a speech here today before the Women's Republican club of Toledo, urged adoption of a constitutional amendment or any other method which would eliminate necessity for large campaign expenditures by senatorial candidates at primary elections.

GET WASTE OUT OF YOUR SYSTEM

Banish Constipation at the Start with Kellogg's ALL-BRAN

Look out when you wake up tired and stay tired. Beware of headaches, unpleasant breath. These are usually the first symptoms of constipation.

The trouble is that your intestinal system is clogged. You have eaten too many bulkless foods. But you can clean your system safely, if you start at once to eat Kellogg's ALL-BRAN.

Kellogg's ALL-BRAN is a cereal that you can eat naturally. It sweeps the intestines clean of poisonous wastes. Far better than habit-forming pills and drugs.

Kellogg's ALL-BRAN is guaranteed. Just eat two tablespoons daily—recurring cases with every meal. You'll like its crispness and flavor. Your system will benefit by its rich store of iron and healthful elements as well as by its roughage.

Ready-to-eat with milk or cream. Delicious with fruits and honey added. Use it in cooking. Recipes are on the package for muffins and griddle cakes. Sold by all grocers. Served by hotels, restaurants and dining-cars. Made by Kellogg in Battle Creek.

Kellogg's ALL-BRAN Improved in texture and taste.
