## Lions May Stage Style Show in Connection With Beauty Contest

It has been decided by the Lions' Club committee for the "Miss Medford" Beauty contest, to allow a few more days for those who have not yet sent in coupons suggesting nominees, to do so. It will greatly help if those who are interested in seeing some young lady favorite in the race will fill out a coupon at once and send it in before Saturday, if possible.

It is expected that quite a number of girls will be chosen at the Dramaland dance Saturday evening. From that time until the close of the contest, most of the committee's attention will be focused upon the various events and entertainments which will be participated in by the girls, who are willing to compete in the pageant.

At the Lions luncheon Wednesday noon, the idea of featuring a style show as one of the events to precede the choosing of "Miss Medford" met with approval. It is yet undecided where the style show will be held, probably the Craterian theater. It is hoped that at this event many of the Medford merchants, who have not quite understood the significance of this beauty contest, will be present and employ this opportunity to sponsor some one of the

young ladies, who will appear as models, or name a candidate they wish to sponsor. Sponsoring simply means placing a picture of the fortunate young lady in the display window of the store which she is to represent. Some sponsors will wish to go even further to back their choice and will take the advantage this opportunity offers to advertise and feature some lovely young lady.

There are names coming in every day, but the Lions club wants more suggestions. Watch for coupons, or telephone Jean Braut, committee chairman, at 4526.

Girls are asked to be at the Dramaland dance Saturday evening when additional candidates for the title of "Miss Medford" will be chosen from the floor before 11 o'clock.

The list of names so far submitted to the Lions committee is composed of: Elsie Williams, Edna Allen, Theodosia von der Hollen, Helen Rice, Evelyn Snyder, Dorothy Orth, Helen Croft, Mrs. Allen Olive Latta, Dorothy Combes, Margaret Hennessy, Edna Mae Wells, Eleanor S. Howard, Maxine Vaughan, Vivian Mercer, Dorothy Riddell, Clara Fuson, Myrtle Healy and Kay Smith.

You can ideally modify the harsh "edge" of French dressing if you add

# A dash of Sugar

THERE is no reason for French dressing making you wince when you eat it on your favorite salads. A dash of sugar added to the salt, pepper and vinegar or lemon juice, blends these ingredients with the oil into a dressing that is simply delicious.

Try this dressing, flavored with sugar, on lettuce, cabbage, asparagus and tomato salads and see how much more you will enjoy these important foods. This dressing is

also delicious on fruit salads or combinations of fish and vegetables.

In cooking vegetables, a dash of sugar to a pinch of salt improves their flavor in a most surprising manner. For example, try this seasoning on carrots, string beans, peas, spinach and tomatoes and you will take new pleasure in eating these foods which have vitamins, mineral salts and roughage. The Sugar Institute.

"Most foods are more delicious and nourishing with Sugar"

## COOKER DISPLAY ENDS SATURDAY

The final demonstrations of Windsor Pressure cookers will take place at Montgomery Ward & company tomorrow, Saturday, with C. S. Alexander, factory representative, in charge. Sale prices have also been in effect all this week.

Considerable interest has been shown during the week of demonstrations which illustrated the new era in cooking by steam pressure. An entire meal of meat, vegetables, and custard may be cooked in ten minutes by using the Windsor pressure method.

Montgomery Ward & company will feature Ward Day tomorrow, Saturday, in every department in their big store. Drastic price reductions on every type of merchandise will be offered to southern Oregon shoppers who do their Saturday buying in Medford.

## ENGLISH WOMEN STUDY ORCHARDS

Mrs. S. Parker and Miss Maude Parker of Bradford, England left for the Shasta for Portland this morning after a short visit in the Rogue River valley. The visitors are interested in the fruit industry in England, and have been making extensive visits of the orchards in the valley.

The women have been touring the fruit sections of the United States for the past month, and will remain in the country for another month. Mrs. Parker and daughter visited the Rogue River valley in 1922, and at that time were taken for a trip through the country by the Rosenberg brothers.

Harry Rosenberg took the women to look over the orchards this morning, going out the Kings highway, to the Bear Creek and

## DEMOCRATS NAME TWO CANDIDATES

At a meeting of the Democratic county central committee, John Earnsburg was nominated for county commissioner and J. R. Bowen of Rogue River for state senator.

The committee will confer some more, and probably put a full legislative ticket in the field for the coming campaign.

Peace and harmony and high hopes of victory prevailed at the meeting, which was attended by 45 committeemen.

## Wall Street Report

NEW YORK, June 13.—(AP)—After a fortnight of steadily declining prices, interrupted by only one rally worthy of note, bears began to lose their courage in today's stock market and extensive short coverings set in motion a broad upturn, accelerated by heavy buying in anticipation of a substantial technical rebound. By midday, early losses were generally regained.

There was no inclination to forecast a sustained upward movement until a decided turn appears in business.

The leadership of U. S. Steel, which reached 166 in the last hour, gave considerable impetus to the general recovery.

The close was strong. Sales approximated 2,500,000 shares.
