A NICE GIRL COMES TO TOWN

MAX AWARDED CHAMPIONSHIP OF THE WORLD

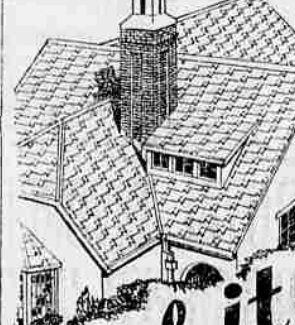

National Boxing Assn. Recognizes German As King of the Heavyweights On Strength of Foul.

CINCINNATI, June 14.—(AP)—Max Schmeling, winner over Jack Sharkey on a foul, was recognized today by the National Boxing association as the heavyweight boxing champion of the world.

There no longer is any doubt that Max Schmeling was seriously hurt by a low left hook Jack Sharkey landed in the fourth round of their 15-round title bout on Thursday, but public opinion seems almost as unanimous in its view that the Teuton youngster cannot, by any stretch of the imagination, be entitled to the championship. Sharkey was leading by such a wide margin when the low blow was struck that most experts contended it would be absurd to vote "Der Max" into the title.

In short, the heavyweight situation remains exactly as it was before the ill-fated battle was fought. If anything, the contradictory claims of Young Stripling and Phil Scott both have been strengthened by the result of Thursday's fiasco. Both, in the opinion of most experts, gave Sharkey a better run for his money than did Schmeling in the four rounds the battle lasted.

A hen that produced 325 eggs in a year was recently sold by J. H. Crocker of Martinsdale, Texas, to a Pennsylvania poultryman for \$50.
