The Lakeview team of the Southern Oregon league will make its first appearance in this city tomorrow at the fairgrounds, when it plays the Medford Merchants. It will be the last home game of the locals until July 6. The game will start a half hour earlier owing to the long trip home for the visitors.

ELLIOTT TO GIVE JOE A TUSSLE

Perhaps it is just as well for Yaqul Joe, world's junior middleweight wrestling champion, that he will not have his belt at stake when he meets Harry Elliott, Eugene, at the armory Monday night, in a finish match. Elliott, a former wrestling coach at the University of Oregon, is familiar with all tricks of the game, is strong and fast. He is expected to give this Indian one of his toughest bouts of the season.

Wildcat Pete was to have met the Indian in a championship match here, but a carbuncle made the match impossible. However, this match will probably be staged at a later date.

Elliott is well known to local wrestling fans and his match with the Indian is being generally anticipated. Dummy Powell, rough and ready mat man, will meet a worthy opponent in the special event.

Society Picnic is Enjoyed at S. S. Smith Cabin

It has been the custom for a number of years past for Crater Lake Chapter, D. A. R., to close the year's work with a picnic at the country homes of Mrs. S. S. Sumpter Smith and Mrs. Beaumont DeLosh, and so yesterday noon they gathered there for the final meeting of the year under the big trees on the banks of the Rogue.

After the picnic dinner Mrs. B. C. Harding, the regent, called the meeting to order. The opening exercises were as usual except that Miss Joan DeLosh gave the salute to the flag. The regent then gave a report of the state board meeting held last week in Oregon City and of the local board meeting at Hotel Medford.

Mrs. DeLosh gave a report of the committee on conservation and that of Jane Snelcor of the committee for marking historical spots. She gave a brief sketch of the history of Camp Baker which was marked temporarily the past week. She also spoke of the work of the national and state committees for beautifying our highways and the bill which will come before the voters of the state next fall.

Mrs. Bert Lowry was chairman of the entertainment committee, which assisted Mrs. S. Sumpter Smith, Mrs. DeLosh and Miss Joan DeLosh.

Mrs. W. M. VanSeoyce read a letter from President-General Mrs. Hobart in which she urged a greater respect for our national flag.

Standing committees for the coming year were appointed and the chapter adjourned to meet again in September. Six guests were present. Mrs. M. P. Davidson of Bozeman, Mont.; Mrs. Rose Fielder Adrit of Trenton, Calif.; Mrs. W. E. Crews, Mrs. R. C. Van Zah, Mrs. Frederick and Mrs. Y. H. Among other interesting things, Mrs. George showed the group two beautiful paisley shawls that had been handed down to her daughter, Mrs. King, from a great aunt.

After a very enjoyable afternoon, the meeting adjourned for the summer to meet September 9 at the home of Mrs. Grant.

Mrs. R. B. Hammond motored to Eugene Thursday and was accompanied on her return by her son, Bob, student at the University of Oregon, who will be in this city for the summer vacation.

distinguished British surgeon, says alcohol has made man kind, pleasanter, better, easier to live with, and wine will be "enjoyed" as long as the race of man lasts.

He attributes our American crime wave to the Volstead act, pointing out that crime in Europe, with no prohibition, is steadily decreasing.

The amazing thing is not that alcohol is "pleasant," but that, as a rule, nations and individuals that use no alcohol have not been among the most successful.

Examine an accepted list of the 1,000 greatest men in history. You will not find ten teetotalers.

Among nations, you see 300,000,000 non-alcoholic Asiatics in India, easily held down by a small crowd of Englishmen, whom prohibition interests not in the least.

Mr. Lucas, federal trade commissioner, says purchasers of \$29,000,000 worth of securities issued by the W. B. Foshay company, of Delaware and Minnesota, will get exactly nothing.

Possibly somebody will go to jail. What about companies that, in the insane gambling period, issued and sold stocks in single companies up to five, six, seven hundred million and more, outrageously watered, causing buyers to lose hundreds of millions, instead of \$29,000,000? Will anything happen to them? No, they are wholesalers.
