

Many Gunners Enter First Annual Mail Tribune Trap Shoot

CLUB OPENING WILL BE GALA SPORT AFFAIR

Sunday Tourney to Rate Marksmen of Valley — Many Prizes Procured — Boy Scouts Benefit.

Who will be the first southern Oregon plover buster to have his name inscribed upon the beautiful Mail Tribune trap shoot trophy? That is the question trap enthusiasts are asking as the day for the Mail Tribune's first annual shoot draws near. The question will be settled next Sunday when the Rogue Valley Gun club's fine new trap grounds and clubhouse are opened to the people of southern Oregon with the first Tribune trap shoot an affair which promises to be one of the outstanding sporting events in this city each year. S. G. Mendenhall, manager of the Rogue Valley Gun club, is receiving many entries in Sunday's contest, which indicates that the initial shoot, sponsored by the Mail Tribune, will be an outstanding success.

Owing to the fact that the Boy Scouts lost their Applegate camp last year by fire, the proceeds of the first Tribune trap contest will go to the fund for the new scout camp at Lake of the Woods. Each year the funds derived from the annual shoot, above expenses, will be given to some worthy civic activity or charity.

In addition to the Mail Tribune's handsome silver shield, emblematic of trap shooting supremacy in southern Oregon, there will be scores of other awards for those who enter the initial Tribune plover-shattering tournament next Sunday. A fine kodak, presented by C. W. Wood of Prospect, will go to the high novice, while the runner-up will receive a silver platter, appropriately engraved. The platter will be awarded by the Rogue Valley Gun club. A year's subscription to the Mail Tribune, the prize for second high novice, and a five-dollar gold piece, the prize for the high woman shooter, were both presented by Mr. Wood. Clarence Eds has offered a gold watch to the low gun of the day, an incentive for beginners to enter the shoot.

A list of merchandise prizes, awarded by the merchants of this city will appear in the Tribune soon. Every shooter will be given a prize.

Entries in the first annual trap shoot will be handled by S. G. Mendenhall, manager of the Rogue Valley Gun club, with offices in the Fox Craterian building.

ASSOCIATED OIL TAKES PENNANT IN CAT LEAGUE

The Associated Oil team won the city kitten ball championship last evening at the high school athletic field, by defeating Your Office boys, 3 to 2, in a close and exciting game. Past fielding kept the score down. Dick Smith, all squirrel short stop, making a sensational leaping catch of a line drive from the bat of Sam Colton, for the second out in the final inning. The winners put the game on ice when an easy popfly back of Pitcher Sam Colton, scored two runs for the Associated squad. Catcher Pug Hamlin for the victors, was a Rock of Gibraltar. He was knocked for a time twice, but kept the foe from scoring two runs. First, Justin Smith crashed into him in a dash for the plate, and then Lee Watson did the same. Umpire Al Hagen ruled that the runs did not count, and is now the center of a controversy. The game last night closed the kitten ball season, and 100 citizens now have no place to go after supper. The games were well attended and created much interest from start to finish.

GOLD STAR GROUP HAVE SEA THRILL

NEW YORK, June 18.—(AP)—The liner President Roosevelt of the United States lines went aground in the mud and silt of Robbin's reef in New York harbor this morning, but tugs pulled her loose in less than two hours and she continued to her pier. On board the liner, inbound from Southampton and Cherbourg, were 252 gold star mothers, mostly from the Pacific coast.

TULANE FOOTBALL STAR GETS MOVIE CONTRACT

HOLLYWOOD.—(AP)—Bill Banker, Tulane university's blond blizzard of football, appears today in a new light—that of movie actor with a so-called "long-term" contract. Banker, who for the past three years, has spread terror on rival gridirons in Dixie and was chosen as half-back on numerous "all-American" selections, will appear in the comedies as a character actor and comedian—although not of the pie-throwing, falling variety. It is his slow southern drawl, and not his ability or intention to perform the antics of the typical movie clown that won his job. By accentuating the drawl the studio hopes to make Banker a good talkie bot of the serious, "dead-pan" type.

YANKEES STAGE BAT CAMPAIGN TO STARTLE A'S

Score 17 to 2 Victory Over Indians for Third Straight Win—Gehrig Gets 18th Homer.

By Orlo Robertson Associated Press Sports Writer. Slow but sure the New York Yankees are pounding their way back to the top of the American league pennant race with their powerful bats. The Yankees have slipped up to within one game of the league leading Athletics and hold jointly with the Senators and Indians, the runner-up position. In accounting for their last five contests Babe Ruth and company put together 89 hits for 69 runs. The Cleveland Indians fell victims to the Yankees' big bats yesterday for the third straight time, losing 17 to 2 when Roy Sherid held them to seven scattered hits. Lou Gehrig connected with his eighteenth home run of the season among his four hits, while Earl Combs and Harry Rice also combined four Indian hurriers for four hits each. Walter Johnson's team found the St. Louis Browns in one of their hitting moods, as they lost 9 to 3. The Boston Red Sox hammered three White Sox pitchers hard to win 8 to 5. In contrast to yesterday's free hitting, free scoring contest, the Pittsburgh Pirates and Philadelphia Phillies locked in a pitchers' duel to feature the abbreviated National League schedule. The Phillies won 5 to 4 in ten innings. The Boston Braves climbed into first division, eight games back of the pace setting Robins, with a double header victory over the Cincinnati Reds, 6 to 4 and 19 to 6.

MANACLE MATMAN AFTER ATTACK ON ASTORIA REFEREE

ASTORIA, Ore., June 18.—(AP)—Al Karasick, Portland heavyweight wrestler, familiarly known as the "roaring lion," went on a rampage in his match with Charles Hansen, Seattle, here last night and had to be led handcuffed from the ring. Hansen was awarded the referee's decision. Hansen won the first fall and when they returned for the second, Karasick started slugging and hitting. Referee Vern Harrington interposed and Karasick swung a right to his chin that sent Harrington into the ropes. Harrington came back strong and sent Karasick to the mat with a sharp hook to the jaw. Karasick jumped to his feet and leaped on Harrington, tearing off his shirt. By that time half a dozen police and sheriff's officers were in the ring and finally subdued Karasick sufficiently to handcuff him and lead him from the ring. No charges will be filed against Karasick, it was said. Several weeks ago Referee Harrington, himself a former wrestler, suffered three broken ribs when Bob Kruse, Portland heavyweight, kicked him for interfering too much with Kruse's style of wrestling.

M'QUILLEN KAYOS RATZLAFF IN 6TH

PORTLAND, Ore., June 18.—(AP) A terrific left-hander delivered by Ray McQuillen, clever Denver negro boxer, to the right temple of Herman Ratzlaff, Minot, S. D., provided a sudden and sensational ending to their 10-round main event, in the sixth round here last night. Until then the bout had been fairly even with Herman, if anything, having a shade. Charley Riske, 179-pounder from Tacoma, took a decision from Battling Slim, Portland, 168. Lou Sauer kayosed Harold Westover in the first round; Billy Ryan knocked out Johnny Snell in the second, and Tommy Mack knocked out Billy Jenkins in the third.

3-STATION NETWORK MAKES FOOTBALL PLAN

NEW YORK.—(AP)—The Radio Quality chain, made up of WOR, Newark; WLW, Cincinnati, and WMAQ, Chicago, already is making plans for the football season. The group has announced that it will broadcast a nation-wide football forecast each Friday, continuing the week of October, and starting through November 16. A national football authority is to make the forecasts. The International Automobile Cup race from Paris to Lyons, a distance of 251 miles, in 1929 was won by Ferdinand Charron, French driver, who averaged 28.4 miles an hour.

DOLP AND STEIN MAY BE PAIRED IN SEMI-FINAL

By Frank G. Gorrie Associated Press Sports Writer. VANCOUVER, B. C., June 18.—(AP)—Some tough battles were looked for in the second round of match play in the thirty-third annual Pacific northwest amateur golf tournament today with two former western amateur champions, the present northwest titleholder, a former northwest winner and any number of city titlists competing for honors. Provided they win their matches today and tomorrow, the two former western amateur champions, Frank Dolp of Portland and Ben Stein of Seattle will meet in the semi-finals Friday. Stein hurled a mighty challenge at the field when he tied the Vancouver golf course record with a brilliant 66—six under par—to take an 11 hole lead over his town mate, Lee Stell, in the morning 18. He maintained his lead in the afternoon and eliminated his old friend and jinx, 11 and 10. Portland gained the most number of survivors in the first round with six. Seattle and Vancouver had four each and Victoria and Yakima one each. In the women's division yesterday, Mrs. Vera Hutchings of Vancouver finally beat off a serious challenge by Mrs. E. A. Wheeler of Bellingham in defense of her championship. Washington's state champion, Miss Hilda McAuslan of Seattle was defeated in an upset by Mrs. E. McAllister of Vancouver, two up. Three Killed When Bolt Strikes Tolling Bells of Village Church

BUCHAREST, Romania, June 18.—(AP)—A dispatch from Scorsach, near Fagarasch, Transylvania, today said that three persons were killed and six fatally injured when lightning struck the tolling church bells of a church sheltering a crowd in a terrific storm there. Three peasants, frightened by the storm, climbed the church belfry and swung the bells with their hands in signal to the remainder of the crowd to kneel and pray. Just as they knelt, lightning struck the belfry and the three were killed. The church caught fire and six died later of burns received. A larger number of others were burned badly, the peasants remaining rooted to the spot.

St. Bernards Also on Water Wagon; Now Carry Coffee

NEW YORK, June 18.—(AP)—St. Bernard dogs no longer carry brandy in little casks tied to their necks for persons who may be snow-bound in the Alps. They have vacuum bottles filled with hot coffee. The news comes from Mukwonago, Wis., financier, who has returned with a prize St. Bernard, bought at the famous monastery.
