

VISITORS DECLARE BUSINESS STATUS GOOD IN MEDFORD

Business conditions look very good in Medford compared with those of other sections, according to Gordon Malone of Seattle, factory distributor in the northwest territory for Kelvinator, and J. H. Anderson of Portland, sales manager of the Powers Furniture company, who are in this city making a general survey of Kelvinator sales.

"Although business conditions in the east have been very poor, the past month has been the biggest in Kelvinator history," Mr. Malone stated this morning. "During all the depression period the factories have run at capacity. We are looking forward to the biggest year we have ever had."

Mr. Malone recently came to the coast from Detroit and states that business conditions seemed to be improving the two weeks before he left. Passage of the lumber tariff bill, he added, will bring increased business to the northwest.

"The Kelvinator market is not saturated," he gave as explanation for the fact that sales have increased through the depression period.

As one of the most popular features of the Kelvinator he named the thermal tube, the fastest freezing tray in the world, completely automatic in operation.

Mr. Malone and Mr. Anderson were calling at the Southern Oregon Electric, local Kelvinator distributors, this morning and will continue their trip on to Bend this evening.

VAWTER DIVORCE SUIT IS FILED

Mrs. Aletha Vawter filed suit for divorce in circuit court today from Vernon H. Vawter on grounds of cruel and inhuman treatment. The complaint states the couple were married October 24, 1914, and they were comparatively happy for the first 10 or 12 years of their married life. The plaintiff sets forth that the defendant on March 10, 1930, left her with the understanding that he would never return.

Mrs. Vawter seeks the custody of her son, Vernon Emerick Vawter, 9 years old. A property settlement has already been made out of court, the complaint also states.

Newport — New rest room will be built at foot of Fall street.

Fat Man Walks Ten Miles

I don't care how fat you are or how much you hate to get out and walk a couple of miles.

If you will take one-half a teaspoon of Kruschen Salts in a glass of hot water every morning for 30 days—

You will feel so good—so energetic and the urge for activity will be so great that you will immensely enjoy a daily walk of several miles—and lose fat.

Why will Kruschen Salts make this great change for the better in me—it is natural for you to ask.

Because Kruschen is a blend of the 9 vitalizing salts Nature says your body must have to keep every organ, gland and nerve in the body buoyantly healthy.

While you are losing fat you will be gaining in energy—in endurance—in ambition. Your skin will grow clearer and your eyes will sparkle with the good health that Kruschen brings.

Just try one 5-oz. bottle of Kruschen Salts; it will last you 30 days. After you have taken one bottle the old arm chair won't hold you any more—you'll want to be up and doing—you'll enjoy work and active recreation and you'll sleep like a top.

You'll lose fat and probably live years longer. Get Kruschen at any five drugists in America.

WOMEN'S MAGAZINE PRAISES MEDFORD AND CLUB LEADER

Considerable prominence is given the city of Medford in the current number of the Oregon Business Woman, magazine of the Oregon Federation of Business and Professional Women's Clubs, recently received here.

Of Mrs. Maud Chapman, president of the local club, elected vice-president of the state federation at the convention in this city, the magazine says: "Mrs. Maud Chapman of Medford has held many offices in the Medford club. She was its president last year and was re-elected for the coming year. She is an outstanding woman in Medford and has had much club experience, being greatly responsible for the successful state convention held in her city May 15, 16 and 17."

A copy of the resolutions drawn up at the Medford convention is carried in the magazine and first place in the Here and There department is given to Medford. A resume of the local club's activities is followed by a "Thank You, Medford," which reads: "Every club member who attended the Medford convention was impressed with the wonderful manner in which the Medford club members played hostess for the 1930 convention. Every detail was carefully planned and delegates and visitors were treated to a royal good time during the three days."

Considerable space is also devoted to the musical comedy, "Two Feet High," written by Mary Greiner Kelly and Jeanette Butler, which was presented during the convention. The words of the song, "Put Your Feet on the Desk," leads the magazine write-up which states "All who attended the Medford convention are still humming the catchy tune."

MANY CUP FLIGHT MATCHES PLAYED IN EGAN TOURNEY

The Chandler Egan trophy tournament is continuing at the Rogue River Valley Golf association course and quite a number of matches have been played so far this week. The semi-finals are expected to be reached by the end of the week.

Recent results include the following: Championship flight: L. Wilcox defeated H. H. Prince, three and one; R. Hammond defeated Buckingham, three and two; E. E. Kelly won from C. S. Newhall, four and three.

Second flight results: D. R. Wood, George Phyllian, three and two; Ted Baker, Sid Smith, one up; D. B. Gray, Keith Baughman, two and one; T. W. Miles, T. C. Travis, five and four; Harry Rosenberg, G. Robinson, one up on 19; Earl Tully, H. Deuel, three and one; Tom Emmons, George M. Roberts, seven and five; Homer Marx won from H. D. McCalister by default.

Third flight: S. Rezel defeated Corben Edgell, four and two, and C. Larson defeated W. F. Biddle, five and four.

HEAVY RECEIPTS WEAKENING EGGS; BUTTER IS FIRM

PORTLAND, Ore., June 19.—(AP)—Egg and butter prices remained unchanged today. Butter values were fairly firm, but egg quotations looked weak under continued heavy receipts.

Reviewing the fruit and vegetable situation, the Portland bureau of the U. S. department of agriculture says: "First arrivals of Oregon peas at New York City met with very favorable response, and wholesalers' wires indicate that the new Oregon pea crate is already popular there."

"Outside demand for strawberries is lighter and prices dropped at Portland to \$ and \$2.25 per crate today."

"The lettuce market is demoralized at all western shipping points. Portland retailers can buy good local head lettuce at 15 and 20 cents per dozen."

"Cantaloupes and watermelons are meeting with better demand."

RECOGNIZE MAX AS HEAVYWEIGHT WORLD CHAMPION

NEW YORK, June 19.—(AP)—The New York state athletic commission today recognized Max Schmeling as heavyweight champion of the world by virtue of his victory over Jack Sharkey on a foul in their bout here last week.

Both the German heavyweight and his Boston opponent of last Thursday night were present with their managers and attorneys.

Joe Jacobs, who guides Schmeling's fate destined, said he would issue a statement tomorrow after talking things over with Schmeling.

Sharkey and his companions were not so reticent. A three-page statement was issued declaring that under the circumstances no one should be recognized as champion until a return bout as the only way to settle the question. Sharkey's statement said he would sign immediately to meet Schmeling with only 12 1/2 per cent of the gate receipts as his share, 37 1/2 per cent to go to Schmeling, if he should insist.

Sharkey further said that if he fouled again he would agree to pay all the expenses for preliminary bouts and overhead for a return match and that if Schmeling fouled him he would refuse to accept the decision on that basis.

THE MARKETS

Livestock

CALIFORNIAN BUILDING HOME IN PHOENIX DIST.

PHOENIX, Ore., June 19.—(Sp.) Mr. and Mrs. Walker recently disposed of some of their property west of Phoenix to a Mr. Ayres from California. White in California, Mr. Ayres was engaged in the citrus fruit orchards.

The property is situated across the road from where the Walkers now live. Mr. Ayres has commenced building his garage and will soon begin his house.

While the building is under way he is boarding at the Walker home.

FISH PULLMAN CARRIES TROUT TO DESCHUTES

THE DALLES, Ore., June 19.—(AP)—The new fish pullman of the state game commission made its first visit here today, en route from Oak Springs hatchery near Manzanita with 3,000 five-inch rainbows which were distributed to 2,000 above the Deschutes river.

TANK CARNIVAL AT NATATORIUM ON WEDNESDAY

Races, learn-to-swim demonstrations, stunts, and presentation of awards are included in the program for the water carnival at the Natatorium Wednesday afternoon, June 26 at 1:30. This carnival is being carried on in connection with the swimming classes sponsored annually by the Red Cross.

Prizes will be given for the different events, including a season ticket for swimming in the Natatorium, given by Merrick's. Dana Thomas, life guard, is in charge of the races and the feature event of the program.

Senior life-saving examinations will be given Monday and Tuesday evenings at 7:30. Jean Eberhart announced this morning. Seventy-one are registered in this class, which is the largest ever conducted in Medford.

In contrast to the members in the adult classes, some who are sixty years of age, is the "get-acquainted (with water) class" with children from three to eight receiving instruction at 10:30 in the morning. Robert Beech and Charles Stacy, three-year-olds are included in this class.

In order to pass their test, the beginners must be able to jump off, and swim the width of the tank. Members of the swimming class must be able to dive and swim 100 yards, using two or more strokes.

Tests were being completed today for Junior life-saving, with 12 taking the test, following instruction last week by Miss Golda Joome. Fourteen are enrolled in the senior life-saving class.

AERIAL JOY RIDE PROVES POPULAR AT LOCAL FIELD

The popularity of airplane riding was proven again last Sunday when Pilots John Waage and W. J. Brown made over 100 flights from the Medford airport at rates of one cent per pound for passengers. The two aviators will have the same rates in effect this weekend, beginning Saturday morning. In addition to the low rates, the ships will also be available for special scenic and charter trips over any part of the valley.

The two pilots, flying the latest type of open and cabin planes, have been located at the airport several weeks and are becoming well known to the southern Oregon public. Mr. Brown was formerly located in Medford and plans to be here indefinitely with Mr. Waage.

The latter is planning a Crater Lake scenic flight service and will make his first passenger flight either this week or next. He plans to have a regular schedule in a short time, using a Curtis-Robin cabin plane, at reasonable rates. He is also planning on making timber cruises and is in a position to do photographic work.

A local orchardist is to make a flight in a few days with Mr. Waage with which he plans to determine the effect of irrigation on orchard land by the color of the trees in irrigated and unirrigated sections. This will be the first time such experiment has been attempted in the valley and is being awaited with general interest.

Dentist Killed

ST. HELENS, Ore., June 19.—(AP)—Dr. E. L. Lane, 69, retired dentist, died early today from injuries received in an automobile accident yesterday. The auto in which he was riding was struck by another driven by J. H. Ogle. Auto freight line from Condon Hood River. — New quarters to John Day has been taken over being established for Gilks Lodge by John Day Valley freight line. In old Oriental cafe.
