## RECORD FIELD TO CALL "PULL" IN TRIB SHOOT

Keen Competition and Many Prizes Lure Large Number of Entries in Sunday Tourney.

The stage is all set for the first annual Mail Tribune trap shoot at the fine new grounds of the Rogue Valley Gun club, on the Medford municipal airport tomorrow, when target-busters will vie for trap shoot honors of southern Oregon and \$250 worth of prizes and trophies.

The first annual shoot proceeds will go to the new Boy Scout summer camp at Lake of the Woods, owing to the fact that the scouts lost their Applegate camp by fire last year.

Tomorrow scores of trap-shooters will make an effort to have their names head the list of annual winners on the handsome Mail Tribune trophy, a silver shield which will each year signify the championship on the traps.

A silver platter for the runner-up, a kodak for high novice and a year's subscription to The Mail Tribune for the second high novice are among the prizes. The shooter breaking the most pigeons in the first 25 will win a \$5.00 book of theatre tickets, presented by the Fox-West Coast theatres while the high woman shooter will receive a \$5.00 gold watch.

Over 80 fine merchandise prizes secured through the co-operation of Mrs. Henry Bates and C. W. Wood and donated by the merchants of this city, will be incentive for experienced and inexperienced shooters to compete in tomorrow's opportunity to win one of the fine major awards.

## HANSON ABLE TO GIVE BOB KRUSE PLENTY TROUBLE

It took considerable negotiating before Herb Owen, matchmaker for the Medford boxing commission, was able to match Charles Hanson, "The Terrible" Charles Swede, with Bob Kruse, Oswego wrestler, in the main event of Medford's next wrestling show, June 30, at the Armory. The Swede was not anxious to wrestle Kruse in Medford and Owen was forced to add a guarantee for his appearance here.

Medford fans are well acquainted with Kruse, the neophyte, dating back over two years. Bob is a willing mixer and an all-around grappler. The wrist-locked, taught him by Ted Thye, is Kruse's favorite hold and he has recently won from champions with this favorably. However, he knows all the holds in the game and has many nearly as effective.

Hanson's appearance promises to cause a sensation in Medford as thoughtless spectators are accustomed in Washington are well known. He came west from Nebraska, the home of some of the best wrestlers in the business. He has had ten years experience as a professional and has wrestled in all parts of the United States and also performed in Europe. He weighs around 265 pounds, the same weight as Kruse. Hanson recently gave Ed (Strangler) Lewis one of the toughest matches he has ever had, taking a fall with his pet hold, the reverse body slam, which he will probably attempt in his scuffle with Kruse.

Ray Frisbie, 190, will meet Walter Logan, 185, Omaha, for four rounds in the special event. Harry Elliott will referee.

## ANGEL CATCHER CLOUTS HOMER TO BEAT SEALS

Eighth Inning Hit With Bases Full Breaks Up Pitching Duel—Stars Win From Mission Reds.

By the Associated Press. With a dramatic finish Los Angeles broke up a pitcher's duel yesterday and scored a novelty in their present series by recording two straight wins, downing San Francisco, 7 to 4, Catcher Warren slammed a home run with the bases full in the eighth, and the three-run rally of the Seals in the ninth was futile.

Sacramento stayed ahead of the second place Angels by downing Seattle, 3 to 1, as Ed Bryan set the Indians down in rapid fire order, last night. Two Senator double plays aided in making it a speedy contest. Veteran "Dutch" Reuther took another close beating.

Mission hopes slid another notch as Hollywood took its third game of the series, 19 to 6, scoring 11 runs in the eighth to clinch a contest which they already practically won, due to hitting which baffled Lieber and Nelson. Turner worked well on the mound for the stars while Turner led his team's batting with two homers.

Another tight game was played off with dispatch as Howard Craighead pitched Walter Malls, Oakland defeating Portland, 2 to 1. Two double killings by the Ducks and one by the Oaks aided. "Fenton" batters by Lombardi and "Pent" in the sixth won the contest.

## With Rod and Gun In Rogue Valley

(By Dick Greene)

Fishing in Diamond lake continues good, the fish striking best when the water is rough.

Nearly every fisherman who takes his favorite lure. Some prefer younger trips to Diamond lake, owing to the fact that the trout are of different sizes and makes, while others like to "nigger fish" with salmon eggs. Later in the year good catches are made on flies.

The writer prefers a number four nickel and copper spinner with the beads on. By letting this out 75 or 100 yards we have caught larger fish, all running between two and three pounds.

However, it is a matter of personal preference. Good catches are being made on Pop Crier's spinner with a single hook tied six inches behind, baited with a worm.

Fishing in the lake, while not so good as the first two weeks of the season, will continue fair until the middle of July with limit catches being reported daily.

The state fish hatchery on Diamond lake is the largest rainbow trout taking station of its kind in the world.

Between 6 and 8 million eggs are taken each year. Of this number a million trout fry are put back in the lake annually. This, together with the fish that spawn naturally, will keep the lake stocked for years to come.

Conservatively estimated, we believe fully 7000 fish were taken from the lake the first two weeks of the season. On the second Sunday a check showed that nearly a thousand fish were brought back to Medford besides those going to Klamath Falls and Bend, and many caught by those staying at the lake on vacation outings.

R. L. Ray caught a 10-pound fresh run steelhead yesterday in Rogue River on a spinner. He also reported hooking four salmon and landing two.

Any comments, suggestions on fishing, wild life or game are welcomed. Address all communications to the editor of this column.

## MAX TO MEET SHARKEY AGAIN IN SEPTEMBER

NEW YORK, June 21.—(AP)—Apparently not satisfied with his questionable world's heavyweight boxing title, Max Schmeling has agreed to meet Jack Sharkey in a return bout at Yankee stadium in September, under certain provisions.

Before he steps into the ring again against the man who gave him the championship on a foul in the fourth round, Schmeling says he must have an outright release from Arthur Huesow, German manager whom he deposed over a year ago but whose contract does not expire until October.

"The German heavyweight also says he will have no part of Graham McNamee as a radio announcer," on grounds the National Broadcasting company's announcer was partial to Sharkey and made errors in their June 12 bout at the stadium.

As the Garden management has agreed to take care of the Huesow settlement as well as finding a suitable broadcaster, there appears no reason why the heavyweight title will not be at stake once more.

TALENT, Ore., June 21.—(Sp.) Talent baseball team is sponsoring an ice cream social and entertainment at the city hall in Talent tonight. The public is cordially invited.

## PLAYER 'SWAPS' PROVE WISE IN AMERICAN LOOP

Teams Show New Life As Recent Acquisitions Add Strength—Goose Goslin Big Brown Aid.

By Hugh S. Fullerton, Jr. Associated Press Sports Writer. Recent trades among clubs of the American league seems to have been a series of wise moves on the part of the various managers involved.

Every team that acquired new life and the pennant race, already too close for comfort of the leaders, bids fair to become closer.

The St. Louis Browns, whose batting average has been down so far it was almost out of sight, certainly have benefited by the acquisition of Goose Goslin.

The Goosie, who was doing practically nothing for Washington, but loose with his bat, joined three home runs since he hit the Browns, two in the past two days.

Yesterday's homers aided considerably in the Browns' 4-3 victory over the Boston Red Sox.

With Ted Lyons on the mound and Ben Tate providing capable catching at last, the Sox nosed out a 2 to 1 triumph over the Senators.

The Philadelphia Athletics took advantage of the lapses by two of their leading rivals and made their place at the head of the American league standing somewhat safer by defeating a third, the Cleveland Indians, 8 to 0.

Brooklyn's Robins gave away a close encounter to the Cincinnati Reds, 2 to 1, while the Cubs were slugging out a 7 to 3 victory over the Boston Braves to place themselves only 1½ games behind.

The Cubs again scored early as Cuyler and English repeated Thursday's home run hitting act and Wally Berger's two four-baggers only served to give him the national league lead with a total of 20.

Pittsburg kept the New York Giants from gaining ground by slugging a six inning uprising that netted six runs and an 8 to 4 victory.

The St. Louis Cardinals batted and bickered their way to a 7 to 5 victory over Philadelphia.

LONDON, Eng., June 21.—(AP)—There were no reservations in the admiration bestowed today by the British press upon Bobby Jones, victor in yesterday's British open golf tournament (finals). Nor was there any expression of hour grapes in the golfing vineyard over his success at the expense of British players.

"The greatest of all living golfers," "The greatest golfing genius of all time," were among the epithets showered upon the victor today, while one writer suggested humorously that he be conceded both amateur open championships for life and an automatically presented two cups yearly.

"This would restore the competitive spirit of golf," he said.

## YALE'S VARSITY LEADS HARVARD IN THAMES ROW

Blue Ends Fifth Unbeaten Season With Decisive Defeat of Ancient Rival—Near Record Time.

By Alan J. Gould. Associated Press Sports Editor. NEW LONDON, Conn., June 21.—(AP)—With a characteristic exhibition of dazzling speed and unbeatable power Yale has closed another triumphant varsity rowing campaign on the intercollegiate seas—the fifth unbeaten season for the blue in eight years of coaching by Edward O. Leader, whose middle initial many just as well stand for optimism, or omnipotence, so far as Harvard an the crew world is concerned.

ALAN GOULD as Harvard an the crew world is concerned.

Harvard, with a fine show of ability, swept to victory in the two preliminary races of the annual regatta on the Thames river yesterday for freshman and junior varsity crews, only to absorb a decisive beating in the evening from one of the finest of Ed Leader's great collection of varsity boatloads.

For the third straight year and for the ninth time in ten years, Yale outrowed its old rival in the classic four-mile pull downstream from Bartlett's cove to the railroad bridge.

Yale led virtually all the way to win by five and a half lengths. Near Record Time.

It rowed the second fastest four miles in the history of the regatta, which dates back to 1852 and has witnessed 68 varsity races within that period, marked by only a few interruptions of competitive rivalry.

Yale stroked by the powerful Woodruff Tappin of Pleasantville, N. Y., and captained by Gus Bladgen of Greenwich, Conn., covered the four miles in 20 minutes, 52.2 seconds.

This was less than eight seconds short of the course record, set by Harvard's victorious 1916 crew.

Leader came to New Haven in 1923 and coached four successive undefeated varsity crews from 1923 through 1929 before the streak was finally broken by Princeton on Lake Carnegie in 1927. Harvard also conquered the blue that year.

Beaten in 1928, 1929, California outplayed the 1928 varsity in the Olympic trials and Columbia beat the 1929 Army on the Housatonic river at Derby. This year, Leader again turned out an all-conquering varsity, victor over Columbia, the 1929 Poughkeepsie winner, as well as Pennsylvania, Cornell, Princeton and Harvard.

Yale at least can claim a share of national championship honors on the strength of this record, although it may well be disputed next Thursday by the winner of the nine-crew varsity classic at Poughkeepsie, especially if it is Washington, now the only other unbeaten crew in the country.

## STRIBLING PUTS NORWEGION OUT IN FIRST ROUND

Georgia Schoolboy Surprises With Abrupt Climax in Chicago Battle—Von Porat Outclassed.

By William Weekes. Associated Press Sports Writer. CHICAGO, June 21.—(AP)—The angular figure of Otto VonPorat, Norway's heavyweight contribution, today was out of the heavyweight scheme—propelled there by the left fist of William Stribling of Georgia, U. S. A.

Two minutes and 50 seconds after they crawled into the ring at the Chicago stadium last night, VonPorat, the paralyzer, was stretched paralyzed on the floor by the same left hand that caused Stribling to ask postponement of the battle.

The ex-schoolboy from Macon, Ga., fighting in a fashion that amazed a throng of around 24,000 persons, carried VonPorat off his feet from the start. Stribling came out using everything and it was a thoroughly bewildered VonPorat who lawed a right swing to Stribling's jaw—and ran into a fat hook that dropped him like a rock.

VonPorat's head struck the canvas with a thud, and what the blow to his chin might have done to accomplish was finished when his head struck the floor.

Stribling not only battered VonPorat out of the heavyweight picture, but leaped into the center of it. He might have eliminated VonPorat by punching out a decision in the well known Stribling fashion. Instead, he was the killer—a pleasant-faced, laughing killer. Everything he did was impressive. Unofficial figures on the box office indicated the fight had created a new indoor attendance record for boxing. A crowd of 21,000 spectators paid more than \$80,000 to watch the stunning exhibition of what Stribling can do when he wishes.

The end came so abruptly that the crowd stood speechless. Stribling ran out of his far corner, assisted VonPorat to his stool, then laughed a few words into a radio microphone. Then he ran to "Big" Stribling, his father-manager, and embraced him.

New South Wales has reverted to the 48-hour week.
