AN ANNOUNCEMENT
CONCERNING YOUR HOME AND YOUR
POCKET-BOOK

We are just putting the finishing touches on a new, and greatly enlarged "S. & H." Green Stamp Merchandise Department. This beautiful Department on our main floor, will be completed and ready for your inspection.

Wednesday, June 25th, RED LETTER DAY
A visit to this display of vast and absorbing interest will reveal the true worth of "S. & H." Green Stamps, and the very substantial savings they mean to all collectors. In this "S. & H." Merchandise, one finds practically every article needed for the home, personal use and general comfort — just the type of goods found on sale at only the better grade stores. It will pay you, as it does millions of housewives throughout the United States today, to trade where this discount is given in appreciation of your patronage.

We extend a cordial invitation to all the residents of Medford and vicinity to visit this Mart of Merchandise on the Grand Opening Day, Wednesday, June 25th. We cannot urge too strongly that you plan to be present. You will surely find your friends in attendance. We expect a crowd, but will, of course, take care of the individual. Come early or late, but come.

The new "S. & H." Catalog is now ready for distribution. Your copy is waiting for you—free of course. Six percent of the splendid merchandise shown in this catalog, is either new or greatly improved, where old popular items are carried over.

Opening RED LETTER DAY, Wednesday, June 25th.
