TALKING NEWS

"This Is A Great Country"
And in the further development of this great country, agriculture plays the leading role. Knowing and progressive farmers will welcome this announcement of the opening of another Farm Equipment House in their community featuring the universally known
McCormick-Deering Tractors and Farm Machines
This is the oldest and most complete line of farm machinery offered the farmer today. Nearly a hundred years of manufacturing experience is your absolute assurance of quality in every tool — in fact, the names McCORMICK and DEERING have been associated with good farm machines so long that they need no further introduction to the farmers of any progressive and Great Country.
Whether you need tractor or horse-drawn equipment, you can make your selections from this famous line, feeling confident that you are getting the best machines of the highest quality that your money can buy at prices well within keeping of prices you receive for your produce. The past two weeks have been spent in assembling machines and stocking repairs, and otherwise arranging to better serve you in our Medford location at the corner of Fourth and Bartlett Streets
Medford, Oregon Phone 282
And on Saturday, June 28th, we especially invite you to call and inspect our line, get acquainted and make known your present or future needs in farming equipment.
Our repair stocks for your McCormick and Deering cutting machines are very complete. BINDING TWINE IS NOW HERE. Make your wants known and don't fail to ask for a FREE OIL CAN. We trust we will have enough to go around. Open until 9:00 o'clock Saturday evening.
Special—For This Saturday Only!
A regular \$5.00 Sickle Grinder for only \$4.00. Subject to the stock on hand. Come early and make sure of getting one of these handy machines at this very special price.
