encampment developed in a post convention today and resulted in the reversing of the decision yesterday naming the southwestern Oregon town.

vention city was placed in the hands of the administration council.

EUGENE, Ore., June 26.—(AP)—North Bend today had won the 1931 encampment of the Grand Army of the Republic. The invitation of the western Oregon city was accepted at the closing sessions of the meeting here late yesterday. The encampment at North Bend will be the fiftieth and will be the "golden jubilee" of the order.

William Colvig, Medford, was elected state commander. Other officers elected are: C. M. Eichler, Eugene, senior vice commander; Henry Jones, Portland, junior vice commander; Dr. Joseph E. Hall, Portland, assistant adjutant and quartermaster general; the Rev. Henry Myers, Eugene, state chaplain; Dr. Hall, also state medical director.

The council of administration will be composed of T. E. Hills, Garden Home; James P. Shaw, Portland; T. M. Kellogg, Portland; R. J. Taylor, Portland; W. J. Terry, Portland; Fred R. Smith, Salem, was named delegate to the national convention.

Urge Soldier Home
A resolution adopted urged congress to construct a national soldiers home at Roseburg, at present the site of the state soldiers home.

The Women's Relief corps elected Mrs. Orpha Carlile, Hillsboro, president; Mrs. John Zimmer, Eugene, senior vice president; Mabel Neddell, Woodburn, junior vice president; Mrs. Nellie Erickson, Portland, treasurer; Mrs. Frances Goullie, Silverton, chaplain; Mrs. Nettie Greenough, Portland, chairman of the extension board; Mrs. Kittie Smith, Medford, delegate to national convention.

Ladies of the G. A. R. elected: Mrs. C. F. Egziman, Springfield, president; Mrs. Ethel Piner, Baker, senior vice president; Mrs. Hattie Hray, Albany, junior vice president; Mrs. Pearl Garrison, Portland, treasurer; Mrs. Grosse, Salem, chaplain; Mrs. Laura Tillman, Portland, patriotic instructor; Mrs. Anna Combrodt, Oregon City, registrar; and Mrs. Leota Brown, Pendleton, counselor.

SALEM, Ore., June 26.—(AP)—Colonel Carl Adams of the officers reserve corps said today that he had been detached from his command of the 382nd Infantry regiment for the annual training period beginning July 20 at Vancouver barracks, and assigned to command the 96th division which will train at Fort Lewis. Orders announcing the annual training period were sent out today.

SITUATION OF LABOR NOT SO BAD

Census Data Indicates Unemployment Is Overestimated—Conditions Very Much Improved Since Compilation of Figures.

WASHINGTON, June 26.—(AP)—Unemployment figures issued by the census bureau today indicated that 574,647 persons were out of work in April in territory comprising approximately a fourth of the country, with an estimated population of 23,264,480.

These were the first figures issued by the government as the result of the data on unemployment gathered during the present census.

Secretary Lamond said they indicated much less unemployment than was generally estimated. Those able to work and seeking work were listed as unemployed in the report, which included 756 counties and 75 cities.

Lamond said since April, when the figures were compiled, there had been an increase in employment because of seasonal occupations. The highest percentage of unemployment reported for any state was the 4.5 per cent in Nevada, although the territory surveyed there was only a portion of the state.

The lowest percentage of unemployment was assigned to Arkansas and amounted to four-tenths of one per cent of the total population.

Among the large industrial states, Ohio unemployment for its territory surveyed was placed at 3.3 per cent, while Pennsylvania's was 2 per cent, New York 1.9, Massachusetts 3, and Illinois 1.5. A population survey of individual cities in Illinois showed four 3-10 per cent of unemployment in a part of Chicago.

CANNERY OPENS OPERATIONS ON CHERRY OUTPUT

Peak of Crop Next Week—Quality Yield Estimated at 90 Tons—Other Crops in Good Condition.

The Rogue River Canning company started canning cherries this week, and next week the crop will reach its peak, when most of the growers will start picking. The cherry crop of the valley is now estimated at approximately 90 tons.

This is more than the spring forecasts indicated. Ideal weather conditions the past 10 days have increased the tonnage.

According to the cannery heads, the 1930 cherry crop will be the best quality in several years. The price per pound is from seven to eight cents.

The local plant is now employing between 50 and 60 workers, mostly women, and expects to increase the force next week.

All the products of farm and orchards in the valley are in fine shape, and like the cherries, have benefited by weather conditions. The first cutting of alfalfa has been stacked, without a damaging rain. Wheat, corn, tomatoes and beans are in fine condition, with the second crop of alfalfa well along.

The irrigation ditches are now carrying a peak load of water, according to Manager Ed Leach of the Medford Irrigation district, who estimates that the available reservoir supply will suffice until the first 10 days of August. The same conditions prevail in the other irrigation districts. No serious drainage problems have developed.

Summer showers are expected to relieve the drain on the irrigation systems sufficiently to carry the water supply beyond August 10.

According to present indications, the picking and packing of Bartlett's in this section will start about August 1st, a week earlier than last year.

MARKET SHOWS RALLYING SIGNS IN FEW DEALS

NEW YORK, June 26.—(AP)—The stock market again showed signs today of throwing off reactionary tendencies.

Bears found the market rather thoroughly sold out, for the moment, at least, and stocks worked substantially higher, under the influence of short covering.

The announcement of American tobacco two-for-one split up and 54 extra dividend, was a bright spot.

Call money continued cheap, touching 1 1/2 per cent for the first time in 13 years, after renewals at 2.

Absorption of the floating supply of dividend paying shares caught the bears when they sought to cover in the last hour, and advances of 3 to 12 points resulted.

The market closed strong. Sales approximated 2,400,000 shares. Today's closing prices for 15 selected stocks follow:

INCUMBENTS IN LEAD AS N. DAK. VOTES COUNTED

Governor Shafer and Three Congressmen Apparently Renominated On Republican Ticket.

FARGO, N. Dak., June 26.—(AP)—North Dakota's three congressmen and Governor George F. Shafer early today had good leads for renomination on the Republican ticket for their respective offices as returns were reported from precincts scattered over the entire state in yesterday's primary election.

Gov. Shafer, endorsed by the Independent Voters association continued to hold a substantial margin over his opponent, E. H. Brant, Non-Partisan league candidate. Returns from 442 precincts out of 2228 in the state gave Shafer 29,109; Brant 13,445.

A. C. Townley, founder of the Non-Partisan league was running third in the third congressional district where he sought the Republican congressional nomination.

The third district incumbent, James H. Sinclair, was leading in 71 precincts of 3,990, with 436 votes. Staale Hendrickson, independent, had 2574 and Townley 1298.

O. R. Business, Republican congressman from the first district had 2346 votes in 141 out of 522 precincts and led T. J. Clifford, Langdon, Non-Partisan, who had 3329.

In the second district, 122 out of 777 precincts gave Thomas Hall, Bismarck, Republican incumbent, 6066; and A. S. Marshall, Forbes, Non-Partisan, 3901.

With the exception of the race for governorship Democratic candidates for nomination have no opposition.

GREAT NORTHERN SURVEYING CREW EN ROUTE TO K. F.

KLAMATH FALLS, Ore., June 26.—(AP)—A Great Northern railroad engineering crew, under the direction of R. H. Nicholson, assistant engineer, was understood to be en route to Klamath Falls, today from Portland to start immediately preliminary work on the extension southward of the Great Northern.

GUARDSMEN HOME FROM DRILL CAMP

Members of Company A, and the Headquarters company, local units of the National Guard arrived in Medford at noon today from Camp Clatsop on the special military train which arrived in Medford shortly after the regular train from the north.

The weather was fine throughout the encampment, according to reports, and the training program which started Thursday, June 12 was followed out until yesterday. Both the headquarters company and Company A took part in the sham battle Saturday, at which over 5000 people were present. A revue was also held Saturday.

STORY 1
(Continued from Page 1)
Washington finished second and Columbia third in a field of six crews.
Syracuse was fourth and Pennsylvania and Navy so close together in a battle to avoid last place that official decision was postponed pending a consultation.

REGATTA COURSE, Poughkeepsie, N. Y., June 26.—(AP)—A great young freshman crew from Syracuse won the opening two mile dash for first year eights in the intercollegiate rowing association regatta today.
Syracuse won by a length and a half with Cornell second and Columbia third in a field of eight. Syracuse time was 11:15 1/5 for the two-mile course. Cornell's time was 11:25 4/5; Columbia 11:29 2/5. Fourth place went to Pennsylvania, fifth to Washington, sixth to California, seventh to navy and last to Massachusetts Tech.

GENERAL WHITE VIEWS FT. LEWIS MANEUVERS

SALEM, Ore., June 26.—(AP)—Major General George A. White, commander of National Guard troops in the northwest, did not return to his headquarters here with the termination of the Camp Clatsop encampment, but went to Fort Lewis, Wash., to observe night maneuvers of the 81st infantry and the 54th field artillery.

HARRY STUTZ OF AUTO FAME DIES

INDIANAPOLIS, June 26.—(AP)—Harry C. Stutz, widely known automobile designer and manufacturer, died here today from complications which followed an operation for appendicitis. He was 53 years old.

Inventions which improved rear axles of automobiles won Stutz his first recognition in automotive circles. He entered a car bearing his name in the first 500-mile race here in 1911 and it finished eleventh. As a result it became known as the "car that made good in a day" bringing with it fame and fortune to the builder.
Enoch Baeshaw, former University of Washington football coach for nine years, is supervising transportation in the department of public works at Olympia, Wash.
