Grants Pass Water Warning

A warning has been issued by the city park commission for park visitors to avoid drinking water from the hydrants in the park. The water comes from irrigation ditches and is not pure. There are three fountains in the park and one pump. Two fountains are located at the bathhouse and there is one by the children's playground. The pump is located in the middle of the park.—Grants Pass Courier.

THE HOME OF BREAD LIKE MOTHER MADE

LOWER BREAD PRICES

With the decline in the cost of all materials, a reduction in the price of bread is in order. Flour is cheaper than for years—and other materials have declined to such an extent that its time to pass the saving on to the consumer.

For some time we have had special Saturday prices for bread—with a slightly higher price thru the week—Beginning at once—Saturday prices will be effective at all times—the pound loaf selling at 3 for 20c—the 1½-lb. loaf at 10c.

The quality will remain the same—no substitutes will be used—and you who have been buying heavily on Saturday may now have that famous Home-Style Bread—fresh every day.
