National Congress of Parents and Teachers Told Organization Should Interest More Men—Now Dominated By Women.

COLUMBUS, O., July 1.—(AP)—With the presentation of committee reports on tenure laws and retirement systems for school teachers the National Education Association swung into the first business session of its 68th annual convention today.

Reports of committees of tenure and retirement allowances through which the association hopes to build a more efficient body of teachers for public schools were outstanding among committee studies offered at the initial session of the representative assembly.

Nominations for president to succeed E. Ruth Pryor, of Lincoln, Neb., were in order. Three outstanding educators mentioned for the presidency are Joseph Roster, Fairmount, W. Va., president of the West Virginia State Normal school; Willis A. Sutton, superintendent of schools at Atlanta, Ga., and Dr. John W. Abercrombie, Montgomery, Ala., assistant superintendent of education in Alabama.

Women Predominate

Dr. Jessie A. Charters, of Ohio State university told the National Congress of Parents and Teachers, an affiliated body, that their organization is too greatly predominated by women and that steps should be taken to interest more men in the adult study classes sponsored by the P. T. A. "Fathers believe parental education is not for them—and as our parental education program usually is set up, it is not," she said, "when we are talking about parents we think and act and anticipate 'mother' meaning of the word parent, the methods and concepts of parental education are bound to exhibit this mental set."

Miss Gore, violin. Mr. and Mrs. Chester Cummings will spend the Fourth of July and following week-end at Mitchell as guests of Mrs. Cummings' parents.

Miss Vilim Becomes Bride of Mr. Hart

Lilies and sweetpeas were castling romantic shadows across the stone walk in the beautiful garden of Mr. and Mrs. Carl Swigart, Geneva street, last evening when Miss Eileen Vilim, daughter of Mr. and Mrs. E. N. Vilim, and Robert C. Hart, son of Mrs. Anna Hart, were married in the grape arbor at 7 o'clock, Rev. Wm. B. Hamilton of St. Mark's Episcopal church officiating. The evening hour was filled with fragrance of many blossoms and soft pre-sunset colors when the bride, dressed in old ivory chiffon, wearing orange blossoms in her hair and carrying a shower bouquet of cream rosebuds, walked down the path to be given in marriage by her father.

Mendelssohn's wedding march was played by Miss Elizabeth Swigart at the piano. Miss Betty Vilim, her sister's maid of honor, wore a dress of peach-colored georgette and carried a shower bouquet of sweetpeas in pastel colors. Little Harriet Hart, daughter of Mr. and Mrs. Floyd Hart, acted as flower bearer and wore a quaint frock of white net over blue. Mr. Floyd Hart, brother of the groom, was his attendant.

There were 75 guests in the garden to view the ceremony, which was followed by a wedding supper at the Vilim home, which joins the Swigart residence. Mrs. Vilim was assisted in the garden and dining room, where the wedding table was set with silver candelabra, white tapers and sweetpeas as decorations by Mrs. Emma Frederick, Mrs. Carl Swigart, Mrs. Floyd Hart, Mrs. Emil Schmidt, Mrs. John Barnburg, Mrs. Lewis Ulrich, Mrs. Eunice Hills, Mrs. Jonas Wolf, Mrs. O. O. Alexander, Mrs. W. P. Quisenberry, Mrs. Justin Smith, Mrs. W. B. Johnston, Jr., Mrs. Helen Holt Wilson and Miss Josephine Koppes.

Following the supper, Mr. and Mrs. Hart left for a two weeks' motor trip, after which they will be at home to their friends in their new residence on Hillcrest road. The bride, who has been the inspiration for much entertaining in local circles during the past two weeks, is a graduate of Oregon State college and a member of the Beta Phi sorority. She has been instructor of home economics in the city high school of Marysville, Cal., for the past three years.

Mr. Hart is a graduate of the University of Oregon and a member of Sigma Nu fraternity. He is associated with the First National bank of this city.

Mr. and Mrs. E. W. Pease and daughter Jean, leave today for Crescent City, Cal., where they will spend a week vacationing at the beach.

Mrs. Mulholland Luncheon Hostess

Mrs. R. C. Mulholland entertained with a bridge luncheon yesterday afternoon for a group of friends at her home, Westluna Heights. Tables and room were attractively decorated in sweet peas and hosts of other garden flowers in shades of pink and lavender for the occasion. There were five tables of bridge in play.

Mrs. Powell Plant of Eugene, who is visiting her sister, Mrs. C. Lammom of North Oakdale, was an out of town guest.

Guests From Modesto, Cal.

Mr. George L. Myers and daughter, Miss Lucille Myers, of Modesto, Cal., are guests in this city of Mr. and Mrs. Ray Henderson of West Jackson. The Myers formerly made their home in this city and are remembered by many friends. Mrs. Henderson is a daughter of Mr. Myers.

Will Spend Summer At the Beach

Mr. and Mrs. Louis H. Vale and children, Dorothy, Junior and Robert, left by motor Monday for Sunset Beach, where Mrs. Vale and children will spend the summer. They will have as their guest for the next two weeks, Miss Zeta Williams of Marshfield. They will visit friends and relatives in San Francisco and Portland before returning to Medford September 1.

Will Visit Daughters

Mr. and Mrs. G. H. Maasdam of 420 South Central will leave this city tomorrow for Salem, where they will spend a week as guests of their daughters, Mrs. Carl Atm-priest and Mrs. Jack Craig.

Mrs. Gore To Leave For California Soon

Mrs. E. E. Gore and daughter Beulah, will leave Medford immediately after the Fourth of July week-end for San Francisco, where they will assist with musical work at the State Teachers' college. Mrs. Gore will coach piano and

JACKSONVILLE WOMEN MEET WITH MRS. FICK

JACKSONVILLE, Ore., July 1.—(Special)—The Women's Missionary society will meet Wednesday at 2 p.m. with Mrs. Fred Fick at her home. Each member is asked to answer roll call with an interesting item or story about the Philippine islands or West Indies, and also to bring her missionary study book.

ROTARIANS HAZY UPON HEROES OF YANKEE HISTORY

Heroes of the past may rise up and haunt members of the local Rotary club when the Fourth of July rolls round. And when they are confronted with Thomas Jefferson's ghost or, perhaps, a phantasmal likeness of Americus Vesputius they may know those gentlemen are just breaking even for the neglect exhibited at today's luncheon of the club at Hotel Medford.

For the history quiz, conducted by Glen Smith in honor of the approaching holiday, showed heroes and statesmen are gone and forgotten.

It also showed there should have been more women mixed up in the history books for the only question all members could answer was, "Who made the first American flag?"

Alexander Hamilton, the famous exponent of the strict construction theory, was credited with standing for women's rights by composing the Declaration of Independence. The Saturday Evening Post was named as Benjamin Franklin's greatest contribution to American history. Another member maintained that America derived its name from a ship and that the most intelligent tribe of Indians populating the place when Columbus came over was known as the Mastoids.

Heine Pluhner refused to be questioned in view of the fact that he was born in Canada and Tom Travis complained that he couldn't be expected to know about things which happened before he was born. Horace Bromley surprised the club with his wealth of knowledge and went so far as to tell the members of Americus Vesputius.

Hum Gregg declared that it pays to advertise and challenged the members to name "the other 18 amendments." No one attempted to do so and the quiz ended with asking H. W. Hamlin for advance information on the price of pears.

C. J. Semon asked the club for financial aid in construction of the Boy Scout camp at Lake o' the Woods and the matter was referred to the board of directors. J. W. Wakefield, who recently returned from a trip east informed the Rotarians he is glad to be back in Medford.

Births

A 9½ pound daughter was born today at the Sacred Heart hospital to Mr. and Mrs. William J. Hutchinson of 37 Mistletoe street.

MRS. HILL TELLS LOCAL GROUP OF GUILD WORKINGS

"From Portland on the Atlantic to Portland on the Pacific is the extent of the National Plant, Flower and Fruit Guild," Mrs. George E. Hill of New York city said today at the luncheon which 25 local civic leaders attended at the Hotel Medford.

That the organization was merely on a friendship basis and not charity was a point stressed by Mrs. Hill in her explanation of the purpose and work of the guild. Many of the people present expressed interest in the distribution of fruit and how it could be sent to other cities without excessive charges to the local people.

A committee, including Mrs. T. W. Miles, president of the Wednesday Study club; Miss Anne Livingston and Mrs. H. D. McCaskey, president of the Humane society, were appointed by John Mann, who presided over the meeting, to present to the Medford Garden club the platform of the guild, with the recommendation that beautifying the waste spaces and distribution be added to their program.

Mrs. Hill stated that the waste on the Pacific coast was so much greater than that in the east she said that the policy of conservation should and could be carried out extensively here.

During the meeting, pictures taken in California of the accomplishments of the guilds were shown, as well as beautiful pictures of gardens in Italy.

Following the luncheon Mrs. Hill met with Harry Rosenberg, Paul Scheber and Davis Wood to discuss the fruit interests and their connection with the guild's work.

ROYAL NEIGHBORS MEET NEXT JULY SEVENTEEN

The Royal Neighbor camp will postpone their regular business meeting from the evening of July 3 to July 17, at which time there will be an initiation of new members followed by a social evening. The Royal Neighbor Mistletoe club gave a surprise house-warming party for Mrs. Gore at her home on South Orange street, on June 25. The regular business meeting of the club was also held at this time. There were about twelve ladies present.

FURNAS TO VISIT GOODYEAR PLANT

C. C. Furnas, of the Medford Service Station, Goodyear, the dealers of this city, is planning to visit Akron, Ohio, by air in a Goodyear Zeppelin, inspect the gigantic airship dock and factory where a Zeppelin nearly twice the size of the Graf-Zeppelin is under construction for the United States navy, and enjoy a two day frolic with dealers from all parts of the country this September.

To win this trip for him at the expense of the Goodyear tire factory, his men have organized a Zeppelin "crew" which will man a mythical Zeppelin in a world-wide race against other dealers of similar size from this territory.

Each sale of a Goodyear tire or tube counts so many points or "miles" in carrying the ship over its course.

The hop-off takes place Tuesday, July 1st. The race will end August 31st, covering a period of nine weeks.

"We are going to pass up no opportunities to offer values and service which will repay our customers and their friends for their cooperation in this contest," says Mr. Furnas.

His "crew" is also holding a contest among themselves. Mr. Furnas having offered them prizes.

The Medford Service Station "crew" had the honor of winning a model Zeppelin and mooring mast for beating the speed set for them in a similar race held last summer by Goodyear. Many people have seen this prize trophy on exhibition.
