Dr. and Mrs. R. C. Mulholland and daughter, Marjorie, accompanied by their house guest, Mrs. Mulholland's brother, Arthur J. Cole, will motor to Diamond Lake tomorrow to spend the holiday week-end. Mr. Cole, who is president of the McGraw Electric company in Omaha, Neb., will spend a week visiting in this city.

Mr. and Mrs. Edward Steep of Neenah, Wis., arrived in Medford Sunday to spend the summer with their daughter, Mrs. W. M. Van Seyoye.

Mrs. Nellie Kelly and daughter of Oakland, Cal., are in this city to spend the remainder of the week as guests of Mrs. Kelly's brother, Harry Lay and family.

Mrs. Chas. Wood has as guests this week her mother, Mrs. Merrill and brother, Will Merrill of Albany.

Mrs. George E. Hill of New York City left today for Crater Lake, where she will remain over the Fourth. She will then go on to Portland, where she will meet with the National Plant, Flower and Fruit Guild.

Make July 4th Celebration A Happy Event

Health, exhilaration and keen refreshment along with celebrations, flags, fireworks and picnics make the 4th of July a happy event.

The picnic dinner or week end outing will be made all the more enjoyable if you include cool, refreshing, healthful drinks, as suggested in the Canada Dry ad in this issue.

"Canada Dry's" very foundation is "liquid ginger," made from selected Jamaica ginger root by a special process exclusively controlled by the company, which enables it to retain the original aroma, flavor and natural essence of the ginger root. Rigid laboratory control assures uniformity, purity and highest quality, and a special process of carbonation enables Canada Dry to retain its sparkle long after the bottle is opened.

Two new drinks, Canada Dry Golden Ginger Ale and Sparkling Lime were recently put on the market. They are put up in hostess packages of twelve bottles and can be had at your dealers.

The destroyed structure was the property of W. Duprey. Butte Falls volunteer firemen fought the flames. Both buildings were empty.

Fresh Schilling tea

Tea in vacuum! Just like your coffee!

It is just as vital for one as it is for the other, to prevent the evaporation of the fragrant oils that give them both their flavor. Science has been longer discovering how to do it for tea. So far it's a Schilling secret. Try it, and find what you have been missing all these years.

Iced Schilling lead Tea is far more refreshing than any other because it is fresh to begin with. Black tea (orange pekoe) is best. So are TEA-BAGS instead of loose tea. Schilling packs both in vacuum.
