

Sharkey Signs For Return Go With Schmeling in September

SATISFIED WITH SMALL PURSE IN SECOND MATCH

Boston Gob Will Get 12 1/2 Per Cent As Challenger's Share — Max Will Sign Soon.

NEW YORK, July 2.—(AP)—Jack Sharkey, Boston sailorman, signed articles today through his manager Johnny Buckley, for a 15-round return engagement with Max Schmeling, heavyweight champion, in the Yankee stadium here September 25.

The Boston gladiator who lost his bid for championship on a foul to Schmeling in four rounds June 12 agreed to take 12 1/2 per cent, the challenger's share of the purse. He also agreed to purchase Schmeling's freedom from Arthur Buelow, deposed manager, out of his own share of the proceeds.

Although Schmeling now is aboard-ship for Germany, his manager of choice, Joe Jacobs, probably will sign articles for him within a few days. Schmeling's chief demand regarding a return bout was that he be freed from his former manager whose contract does not expire until October.

A. A. U. Water Tournament Attracts Many Champions

Buster Crabbe (left) and Josephine McKim (right), both students at the University of Southern California, are two of the record holders entered in the National A. A. U. outdoor swimming meet at Los Angeles, July 3-6.

By Paul Zimmerman, Associated Press Sports Writer. LONG BEACH, Cal.—(AP)—The big "splash" question in the National A. A. U. outdoor swimming championships will be settled here July 3 to 6.

On the basis of individual titles won last summer in the men's events at San Francisco, and the women's meet at Honolulu, the west appears to be the candidate. Buster Crabbe of Honolulu, University of Southern California student, who will compete for the Los Angeles Athletic club, will be a chief contender, and a cause of deep concern for the eastern contingent. Crabbe stroked his way to four national titles last year and his form this season bids ill for other marks.

Chief opposition to Crabbe's plans for all-round honors probably will come from Walter Spence, British Guiana marvel, to compete under the colors of the New York Athletic club. Spence is fortified with three world records in breast stroke events.

In fact, the eastern entry list is replete with record holders. Besides Spence, the New York A. C. is sending George Kojac, back

stroke expert who claims two world marks, and Albert Zorilla, the South American who entered the last Olympics an unknown and emerged a champion in the 400-meters free style.

The Riley brothers, Mickey and Johnny, Los Angeles A. C. swimmers of the high and low diving boards, will appear as favorites to defend their titles in fancy diving.

Feminine competition also promises close races and startling times. Attention will be fixed on the sixteen-year-old Seattle school girl, Helene Madison, who shattered eight indoor records at the national meet in Miami last winter.

Then there is Josephine McKim, petite Panama canal zone star, now enrolled at the Southern California institution. Miss McKim holds three world records in the free style races. Eleanor Holt of New York, queen in the backstroke and medley events, will also appear to defend a pair of national titles.

In the women's diving events, Georgia Coleman of the L. A. A. C., who has dominated this division for some time, is looked upon as the probable champion.

The national water polo championship will top off the aquatic program.

ed at its special meeting yesterday to adhere to Landis' decisions in all disputes, the conclusion was drawn Miss Killilea would withdraw her suit to restrain the commissioner's order. But the conclusion was wrong, Miss Killilea said she would contest the case.

"The vote of confidence was very nice," she said. "But we can't win ball games that way. The judge can have the votes. We want Bennett."

The Bennett case has been postponed until Commissioner Landis makes his reply.

More game violations that anglers are warned to avoid are given by Deputy Game Warden Roy Parr as follows:

To refuse to show license on demand of proper officer.

To angle within 200 feet of any fishway.

To wantonly waste game fish.

To angle on lands without permission from the owner.

To net, trap, spear, gaff or snag fish.

To resist game wardens or other officer charged with enforcement of the game laws.

To take trout under six inches in length.

To transport or ship game fish without written permit.

For a woman to fish without angling license.

ONE OREGON NET STAR REMAINING

PORTLAND, Ore., July 2.—(AP)—Three Californians and one Oregonian today are to battle each other for places in the final bracket of the men's singles of the Oregon state tennis tournament.

Oregon's only hope is Bradshaw Harrison, who is to play Jack Coogrove, San Francisco, Harrison yesterday eliminated the only other remaining Oregonian, Jack Rhine, 5-1, 3-2.

Two other two Californians who still were in the running today were Ray Casey and Joe Coughlan, both of San Francisco.

Although his vision is normal, Miles Robb, eight-year-old Verdugo, Neb., boy, writes backward.

With Rod and Gun In Rogue Valley

By Ernest Rostel and Dick Green

While extensive Fourth of July celebrations have been arranged in several southern Oregon cities and in northern California, the usual large number of Medford residents will spend the fourth at lake resorts and along local streams for more quiet celebrations, of which fishing will be one of the attractive features.

The resorts, as usual, are prepared for the annual rush.

A new route to the Lake of the Woods by Butte Falls and Fish Lake over a forest road was announced yesterday. The trip can be made in two and one-half hours, covering a distance of 58 miles. This cuts off 20 minutes' driving time from the route via Dead Indian.

Fred Wahl returned from there yesterday and reported that he knew of only one person who failed to catch fish there that day. The lake is well known for its black bass fishing.

Diamond lake road in its good condition as usual and the trip can be made in a little over three hours. Angling is also reported to be good there.

At the Lake of the Woods, reservations have been made if patrons are to be sure of accommodations. Fish Lake will attract others who will camp, due to the absence of cabins or other service. Crater Lake will also come in for its share of travel and en route are found the Rogue Elk resort, Casey's, McCleod, Cascade Gorge, Prospect, Union Creek and other wayside camp grounds where celebrators may tarry.

Down in Del Norte county, Medford people bound for the Crescent City celebration may find their way northward to Chetco river, where perch and trout fishing is reported to be good.

The stream has many good sized steelhead, but they are not often caught by anglers. In this season, salmon afford good fishing, but at the present time, not many are being caught. Trolling and casting are the two favorite methods and in trolling, the use of No. 5 and 6 spinners with an angle worm has been found to do satisfactory work.

Clam digging on the Crescent City beach is always an attraction, but at the present time, the tides are not favorable.

The use of caterpillars for bait has a strong supporter in Miss Edith Inman of Medford. Until recently she made her home at Tolo and evenings always found her angling in the slough back of Gold Ray Barn.

The caterpillars are not hard to find and live in abundance on bushes near the water. The fish are good to eat and easy to catch. She has also caught her share of bass, using wooden plugs, but has known the fish to bite flies, especially toward evening when trout begin to jump around in the water.

Miss Inman's younger sister, Dorothy, is also an ardent fisherwoman.

LOWLY BOSTON RED SOX CLAIM BEST PITCHING

Gaston Holds Indians to Three Hits—Need Batting Strength to Put Team in Fore.

By Hugh S. Fullerton, Jr., Associated Press Sports Writer. Regardless of their humble position in the American league standing as the baseball season nears its halfway mark, the Boston Red Sox can put in a claim for the honor of having the best pitching in the major leagues.

They can't hit well enough to take advantage of their hurling.

Of the group of moundmen, Milt Gaston is perhaps the hardest worker and most effective pitcher. The star righthander pitched again yesterday and held the Cleveland Indians to three hits in his sixth complete game in succession and his 13th of the season.

He also made just as many hits as he allowed, having a perfect day at bat. The Red Sox collected 11 blows off Mel Harder, but the best score they could produce was 3 to

1. It was Cleveland's 16th defeat in 19 games.

Bob Grove, Philadelphia's speed ball ace, did about as well as Gaston in the brief time the weather allowed the Athletics to play.

He allowed Detroit just one hit in five innings while young Dibs Williams aided him to a 4 to 1 victory.

The Brooklyn Robins blew off the accumulated lead baseball of weeks in one inning against the St. Louis Cardinals, when the Robin fielders committed three errors.

Pittsburgh rejected Boston in fourth place by defeating the Braves, 8 to 3.

While this was going on, the league leading Chicago Cubs were in the process of losing a 7 to 5 decision to the New York Giants.

Kiki Cuyler's two home runs and Hack Wilson's one were all that produced tallies for the Cubs.

BEAVERS COME FROM REAR TO BEAT SERAPHS

Homer, Single and Sacrifice in Ninth Gives Victory—Sacs Take Twin Bill From Reds.

By the Associated Press. A homer, single, and sacrifice in the last of the ninth combined to overcome a Los Angeles lead and make a Portland victory yesterday. Walter Mathis holding the pace for league hurlers, Esacht was downed after a string of pitching victories.

The Missions suffered when Sacramento set out to recoup its fortunes, losing two games to the former league leaders, by 5 to 2 and 12 to 9 scores. With the aid of Portland, victors over Los Angeles, 3 to 2, the Senators cut in half the Angels' lead.

Frettas continued setting the pace for league hurlers, setting the Reds down in the first game, while the Sacs got to Lieber after six scoreless turns.

First division honors looked to be all between the Sacs and An-

gels as both San Francisco and Oakland lost. Hollywood extended its winning streak to eight games as Page rescued Shellenback on the mound for the Stars and McEvoy allowed one too many extra base hits. The Stars won, 6 to 5.

"Dutch" Roether, of Seattle, downed Curt Davis, Seal moundman, in 12 innings, the Indians winning, 4 to 2. Roether allowed one inside hit than Davis, but an Indian single and sacrifice in the 12th were the ones that counted.

LITTLE STRENGTH LOST TO TROJANS FOR 1931 MEETS

LOS ANGELES.—(AP)—Don't be surprised if the University of Southern California cinder crumples repeat their 1931 track triumphs a year hence.

Of the 57 27-70 total which brought victory in the national intercollegiate meet, only 11 2-7 points will be missing from the squad in 1931, while only 64 of the 414 collected in the I. C. A. N. A. A. meet were scored by seniors of Coach Dean Cromwell's aggregation.

By simple deduction, this leaves the sun tanned youths of Southern California in possession of the talent for another year which brought 45 67-70 points at Chicago and 28 at Boston, more than those gathered by second place teams in either classic.

Captain Jess Mortensen, javelin leader, and two pole vaulters, Bill Livingston and Bill Hubbard, are the three point collectors of the big meets who are lost by graduation.

Frank Wykoff, next season also will add more power by assaulting the 220-yard dash marks, along with his hundred yard activities which lead him to eclipse the world's record twice this year.

The squad will be strengthened by additions from the freshmen ranks. The new comers include three outsiders: Duncan MacNaughton in the high jump; Clarence Berry, a high hurdler, and Melville Shine, miler.

WELTERS READY FOR JULY 4 GO

SAN FRANCISCO, July 2.—(AP)—Young Jack Thompson, Oakland negro who wears the welterweight championship toga, and Young Corbett of Fresno, one of the foremost challengers, wind up training preparations today for their 10-round non-title bout here on the afternoon of July fourth.

Corbett, sturdy southpaw, twice won decisions over Thompson before the latter became champion and local fandom, mindful of those victories, made him a popular favorite with odds of 10-7 most widely quoted.

Woman Baseball Magnate Defies Powers of Landis

CHICAGO, July 2.—(AP)—A woman, whose business world is baseball, today was determined to fight alone, if necessary, even against an old warrior like Kenesaw Mountain Landis.

She was Miss Florence Killilea, president of the Milwaukee club of the American Association who has defied the high commissioner of baseball by filing suit in federal court against his transfer order on one of her players, outfielder Fred Bennett.

When the American Association of Professional Baseball Clubs voted at its
