## NO FINANCIAL TRIBULATIONS DECLARES TOM

### Two Major Clubs Offer Rose City Prexy Job, Is Claim—Refuses to Set Price On Club.

PORTLAND, Ore., July 3.—(AP) Thomas L. Turner, Portland baseball club president, announced today the club was for sale and he was considering two attractive offers from major league ball clubs, one to act as president and the other as chief scout and advisory manager.

Turner said Bob Brown, Vancouver, B. C. sportsman, offered to purchase the team, franchise and realty holdings, but no option had been taken. The ball prexy said Portland offers would be given first consideration.

He denied financial difficulties had influenced him in placing the club on the market, saying the Portland Beavers was one of the highest salaried teams on the Pacific coast.

Turner, who has been at the head of the Portland club for five years, said he intended to maintain a permanent home in Portland and spend his winters on the coast. He refused to name the major league clubs which offered him positions and also refused to set a sale price figure.

VANCOUVER, B. C., July 3.—(AP)—Bob Brown, Vancouver baseball promoter, denied reports today that he had attempted to purchase the franchise of the Portland club of the Pacific Coast baseball league.

Brown denied that he ever had considered purchasing the club, saying: "At present I'm well satisfied with my interests in Vancouver."

## Jones Keeps Pros From Rich Winnings

Professional golfers this year hope to keep Bobby Jones, America's hardest working amateur from cancelling the profit which would go with winning the American open, starting at Minneapolis this year July 10. Among the pros with this aim are Walter Hagen, Horton Smith and Leo Diegel.

By Loren Disney (Associated Press Sports Writer)

NEW YORK.—(AP) The golf professionals are in something of a fret over Bobby Jones. Young professional who persistently hauled off the largest winnings in the winter tournaments.

Some of the professionals didn't even enter the British open on the hope of working into better form for a grab at the rich American prize.

Walter Hagen was one. Hagen has won the British open numerous times, but he says the play took so much out of him that he was never able to win the American the same year. The last time he won, in fact, was in 1919 at Braemar.

Nor were the names of Johnny Farrell, who made a nice profit from winning the American open in Chicago in 1923, or of Gene Sarazen who won the event on the Skokie course in 1927, found among this year's British open players. They, too, hoped not to

## TUFFY TROUNCES RUBBERY JOHNNY IN CHICAGO BOUT

CHICAGO, July 3.—(AP)—Gerald Ambrose Griffith, the aspiring heavyweight hope from Sioux City Iowa, has changed his ring moniker from "Tuffy" back to "Tuffy."

Fighting for the position he once held as heavyweight of the championship, Griffith silenced his chiding critics at the Chicago stadium last night by giving Rubbery Johnny Risko, the big cake baker from Cleveland, a sound thrashing in 10 rounds.

It was his third victory over the notorious despoiler of championship hopes and by far his most impressive.

He outgassed and outboxed his rugged rival and cracked him almost at will with his shower of lefts, rights and hooks.

From a financial standpoint, the match was far from a success. Less than 10,000 watched it and the receipts only totaled approximately \$20,000.

## OREGONIANS LOSE CHANCE IN TENNIS

PORTLAND, Ore., July 2.—(AP)—The 1930 Oregon state tennis crowns for both men's and women's singles tonight will rest on the brows of Californians. The southerners eliminated the last three Oregon contenders yesterday.

The battle for the men's singles will be between Jack Cosgrove and Ray Casey, both of San Francisco, while Mrs. Gold Meyer Goss, Oakland, and Charlotte Miller, San Francisco, seeded in that order, will play for the women's titles.

## KLAMATH NEGRO LOSES DECISION TO TRULMANS

KLAMATH FALLS, July 3.—A Trulmans, San Diego, won a decision over Sam Langford, Klamath negro boxer, in a bout here last night. Both weighed 148.

Earl Beebe, Portland, lost to Dick Reed, Klamath heavyweight. Ray McCoy, Durie, Cal., light heavy, knocked out Gus Eaton, negro, in the second round of a preliminary. It was McCoy's first ring fight.

## FAIL TO ACT ON CLIFFORD OUSTER

SALEM, Ore., July 3.—(AP)—Owing to a lack of a quorum no action was taken by the Marion County Game Protective association in connection with a resolution asking the state game commission to oust Harold Clifford, state game warden.

The resolution, the exact contents of which were not divulged here, asks for Clifford's resignation on the grounds of inefficiency and failure to co-operate with game protective organizations of the state.

## WESTERN CLUBS FARE POORLY IN EASTERN PARKS

Forty-Six Games of 65 in American Go to East—Senators Move Into Second Place.

By Hugh S. Fullerton, Jr. Associated Press Sports Writer.

Of 65 games played in their recent home stand, the eastern clubs of the American league won 46, leaving only 19 victories for the western clubs.

Washington put the big spurt into the finish of the interest in the rivalry, moving into second place in the standing and bringing its total of victories for the home stand to 12 against three defeats, by winning both games of a double-header from the St. Louis Browns, 5 to 4 and 5 to 3. The first contest went 11 innings.

The double victory gave the Senators a game's advantage over their rivals, the Athletics and the Yankees, both of whom divided double bills. They now are a full game ahead of New York and only one and a half games behind Philadelphia.

The Athletics five-game winning streak was broken when Detroit beat the champions, 4 to 3. Philadelphia returned to slam White Hot for a 7 to 2 triumph in the second game.

An injury to Babe Ruth's finger and the slugging feats of Carl Reynolds shared the interest as the Yankees won the first game from Chicago 5 to 1, as the Babe hit his 31st homer of the season, then took a 15 to 4 drubbing in the second. Reynolds equaled two records by hitting three home-runs in successive times at bat and by driving in eight runs. The injury may keep the Babe out of the coming series with the Athletics.

Boston put on a fine late rally to take a single game from the sadly slipping Cleveland Indians, 5 to 4.

The Giants defeated the Chicago Cubs, 8 to 8, but putting on the better rally in the ninth inning, while the Robins pulled out a 6 to 5 decision over the St. Louis Cardinals on the strength of Ray Phelps' pitching.

The result put Brooklyn in first place once more by the margin of less than half a percentage point. The Boston Braves also improved their position a bit, turning back Pittsburgh's threat to take fifth place with a 6 to 1 triumph.

The modest lawyer and bank director of Atlanta, Ga., stepped off the liner Europa yesterday to be greeted by a reception being the first American to win both the British amateur and open championships.

Above the din of shrieking sirens, popping firecrackers and the cheers of thousands, Bobby managed to say that he had no plans for retirement from competitive golf; that he had given no thought to winning all four major championships this year, which include the American open and amateur yet to be played; that he did not leave his bag of famous clubs behind in England, and that luck played a large part in his triumphs at St. Andrews and Hoylake.

## Jones Turns To American Open at Minneapolis Next

NEW YORK, July 3.—(AP)—Flushed with a stirring welcome celebrating his dual victory abroad, Bobby Jones today turned his face westward seeking new golf worlds to conquer.

Bobby spent today resting at his hotel and preparing to start at 2 p. m. (E. S. T.) for Minneapolis and the American open tournament on the Broadway limited.

His mother and father will accompany him, but his wife will return to Atlanta and the Jones children, who she has not seen since she and Bobby sailed for England.

No demonstration was planned at the train when Bobby departed. He was said to prefer to leave quietly.

## VIETNAM WELTER SUFFERS BROKEN HEAD IN BATTLE

CLEVELAND, July 3.—(AP)—Sergeant Sammy Baker, the veteran New York welterweight campaigner, was in a serious condition today from head injuries suffered in a lacing at the hands of Baby Joe Gans of California in their 12-round fight at Taylor bowl last night.

Baker collapsed in the last round and was taken to St. Alexis hospital, where an X-ray was ordered today to learn whether he was suffering from a hemorrhage of the brain or a fractured skull.

Baker, resting from Gans' onslaught and at the limit of endurance from eight knockdowns staggered backward and sank to the canvas after a minute and 35 seconds of the final round. As referee Matt Brock tolled nine, the New Yorker gamely pulled himself to his feet to face another two-fisted falling from his negro rival. He sank to the canvas once more and this time referee Brock ruled it a technical knockout.

Baker's condition was reported somewhat improved today.

## JEWISH GRAPPLER BEATS KARASICK

PORTLAND, Ore., July 3.—(AP) Abe Colman, Jewish light heavyweight wrestler of New York, defeated Al Karasick, Portland, two out of three falls here last night. Colman took the first fall in 24 minutes, 40 seconds with a series of flying tackles and the third in 14 minutes, 20 seconds with a croch and armbar hold.

The second fall went to Karasick in 18 minutes, 20 seconds with a series of headlocks. Karasick weighed 185½ pounds; Colman weighed 182½ pounds.

## ELLIOTT DEFEATED IN SALEM MATCH

SALEM, Ore., July 3.—(AP)—Ernie Arthur, Canadian middleweight champion, defeated Harry Elliott, University of Oregon wrestling coach, here last night, two matches out of three. Arthur took the first fall in 25 minutes with a half body scissors and arm-bar after he had shoved Elliott through the ropes in breaking away from a leg hold.

Elliott clamped on a Boston crab to take the second fall after five minutes. The deciding fall went to Arthur in 10 seconds when he grabbed Elliott from behind and the head Elliott from behind and the head Elliott turned to speak to a second fall after the clang of the bell started the noise.

## With Rod and Gun In Rogue Valley

Last Tuesday P. C. Bigham, one of Medford's most active fishermen, was on the Rogue near Bybee bridge, using flies for steelhead, now starting to run in the river, and was having little success. The steelhead are not biting as well as they will later in the season and Bigham, familiarly known as "Soda Pop," was getting a bit impatient when he saw a steelhead jumping 100 feet or so below. It was having a great time disporting itself in the water and the angler became inspired.

He worked down the river to a point near the fish's playground, took off the flies and changed to a No. 2 spinner which he cast into the riffles where he had last seen the salmon, and with the first cast the fish was on his hook. Without further ceremony, it was landed, seven pounds of wriggling, jumping ocean meat. The day before, "Soda Pop" landed two salmon and two steelhead.

This angler is of the opinion that the river is still a little cool for good steelhead results, and said that the fish have no difficulty in finding food without biting at lures. The main run is yet to come and until that time, angling is apt to be mediocre. "Soda Pop" early this season took a lease on 350 acres of land bordering the river and reserves it for a private fishing preserve, allowing permission to others to use if they make application.

They receive a key to the entrance gate near the bridge for one season. The property is also open for picnic parties. He was invited to lease it following a dispute with a Honolulu sportsman who had established a small lodge on the property, and ordered Bigham from the property, allegedly emphasizing his remarks with a club. Bigham started litigation which was settled out of court. Following this, the local man gained possession of the property and the Honolulu man has now established a similar lodge near Gold Hill.

## Wins For Philly

PHILADELPHIA.—(AP)—The most pleasant surprise a rather dismal season has had in store for the Phillies has been the pitching of Earl Collard.

Collard, a rookie in big league experience, though he is 29 years old, won six games during the earlier season.

He was obtained from the Shreveport club in the Southern association. His home is in Jamestown, Cal.

## ANGELS DEFEAT BEAVERS TWICE TO CROWD SACS

Half Game Gain Over Runners-Up Important As First Half of Season Nears End.

By the Associated Press.

A half game gain, all important so late in the first period of the Pacific coast league season, which ends July 13, was made yesterday by Los Angeles over the runners-up, Sacramento, as the Angels downed Portland twice, 10 to 9 and 3 to 2, while the Sacs beat the Missions, 9 to 8.

Los Angeles overcame Portland leads in both games. Peters came in to win for the Angels in the 10-inning first contest after the ducks had started by pounding Delaney.

The Senators made it three straight from the Reds. The latter used 16 men, some newcomers to the lineup. Bryan finished and was the winning pitcher.

San Francisco lost again to Seattle, by a 7 to 4 score. The Indians pounded Jacobs for an early lead and never were headed, while Zahniser kept the Seals well in hand.

Hollywood moved into a fourth place tie with San Francisco, winning its ninth straight game by trouncing Oakland, 12 to 1. Daglin was ineffective and Holleran limited the Oaks to five scattered hits. Barbee's fifth homer in 15 days with the Stars was one of their four circuit clouts of the game.
