

# Your Glasses Should Harmonize With Your Features

Women all know that a hat or gown may be decidedly becoming to one woman and positively unbecoming to another wearer.

It's the same way with glasses, and for that reason no one should insist on any one particular style of mounting simply because that style "looks good" on some friend or acquaintance.

Optometrists make a specialty of selecting the lenses your eyes require and designing mountings that harmonize perfectly with your features and general appearance. Glasses properly fitted and mounted need never detract from one's appearance—rather, they should make a decided improvement, and often do—by relieving that tired, drawn look about the eyes and "smoothing out" the squint and frown.

Some look best in gold-rimmed glasses, others in shell rims, or, perhaps, rimless. Optometrists have all the newest styles in mountings and lenses in both eye glasses and spectacles and can supply you with glasses that make you "see good and look good."

If you are so unfortunate as to break your glasses—save the pieces, and take them to an optometrist. Without re-examination of your eyes, they will duplicate the lenses you have been wearing.

The money you put into optometric service or a pair of good, correctly-fitted glasses is well invested—not merely spent. Rights Reserved.

## LOCAL TENNIS STARS SWEEP K. F. TOURNEY

Southern Oregon Championships Go to Medford High Students in Brilliant Campaign.

1930 Champions  
Men's singles, Jimmy Edmiston, Medford.  
Ladies' singles, Vivian Coss, Medford.  
Men's doubles, Jimmy Edmiston and Ralph Bailey, Medford.  
Mixed doubles, Ralph Bailey and Helen Edmiston, Medford.

Mooping up every title and trophy offered, racquet stars of the Medford Tennis club are home from Klamath Falls where, Sunday, they made a clean sweep of every event in the southern Oregon championships held on the courts of the Klamath club July 4th, 5th and 6th. Every winner was a Medford high student or graduate.

Edmiston disposed of Doug Ballantyne of Klamath, former title holder in the finals, 6-3, 7-5, 7-5, after outting Kenneth Ballantyne of Bend, central Oregon champion, in the semi-finals, 6-3, 6-4.

Playing of Ralph Bailey of Medford in the doubles was one of the outstanding features of the tournament. Paired with Jimmy Edmiston, he won the men's doubles in straight sets from Wilson and Spaulding in another all-Medford final. After a short rest Bailey teamed with Helen Edmiston, returned to the courts and captured the mixed doubles and trophy from Gustaf and Miss Gertson of Bend in straight sets, 6-1, 6-4.

## SEATTLE MERMAID REACHES HEIGHTS IN LAGOON TESTS

LONG BEACH, Cal., July 7.—(AP)—The placid salt waters lay undisturbed today in Recreation Park lagoon, where during the past four days one of the greatest groups of swimmers in the history of National A. A. U. competition, churned its way to seven world records and a quintet of American marks.

At the top of the list stands Helene Madison, comely 17-year-old high school lass from Seattle, whose steady rhythmic strokes, driven by a strong heart established her as the greatest woman swimmer the world has ever known. She won four titles, from the 100 meters to the mile. Each time she took to the water, a world record went splashing into oblivion.

## PORTLAND GROCER HELD AS ARSONIST

PORTLAND, July 7.—(AP)—O. E. Davis, grocery owner, was in jail today charged with arson, following the burning of his store yesterday. Fire department officials said Davis told them two robbers entered the store, rifled the cash register and set the place afire. Firemen said they found piles of papers and rags, oil-soaked. They said they found the store poorly stocked and that Davis was in debt heavily. He had operated the store about a year.

## Landis Sees Night Game; Gives OK To Lighting

Judge K. M. Landis, baseball's high commissioner, saw his first night game at Indianapolis, commenting that the play seemed smooth despite the artificial light. Gov. Harry G. Leslie of Indiana and Mrs. James Barton of Indianapolis accompanied him to the game.

INDIANAPOLIS.—(AP)—Kenesaw Mountain Landis, high baseball commissioner, saw his first night game here, at the official inauguration of night baseball in the American association.

Milwaukee walloped Indianapolis as each team made two errors. "This is the first game I have seen," said the judge. "There hasn't been anything yet to indicate that the artificial illumination problem has not been solved. The high fly, the line drive and the close, quick infield play all seem to be effectively served."

## OUT & KEELER'S GOLF BAG

By G. B. Keeler.  
George Voigt told me another pretty story about the Prince of Wales, who, with his three brothers, was out at Sunningdale following the play in the Golf Illustrated Gold Vase 36-hole medal competition, just before the British amateur championship, at St. Andrews.

"You know," said George, "that boy is a real democrat. I wish some of our so-called financial aristocracy in the United States could take a leaf out of his book. He was out watching the play at Sunningdale, and he followed me five holes, walking along with me, and at the proper time asked me about certain shots, and how I played them, and so on—he's a very keen student of golf."

There was one hole, for example. "Remember that eleventh on the 'Old Course' at Sunningdale?" George inquired. "Well, it's a very short two-shotter; a drive and a chip, if you can hit a big one to the right side. But it's narrow and the green is small, and with the prince following me closely, what do I do but wheel off a high, wide and handsome slice into a flock of small trees over at the right of the course, and a short pitch from the green."

## SPORT SLANTS

Alan J. Gould

The next big championship bout in golf is the national open at Interlachen, Minneapolis, July 10-12. Among the American professionals checking Bobby Jones, the champion, will be that well known and ultra-fashionable trio—Walter Hagen, Gene Sarazen and Johnny Farrell. All three teamed up in the British open in order to be thoroughly rested and well-dressed for a renewal of their rivalry with the Georgian.

## JONES STUDIES LINKS HAZARDS FOR OPEN PLAY

MINNEAPOLIS, July 7.—(AP)—Bobby Jones introduced himself to Interlachen yesterday and demonstrated he could produce par golf, or better as his defense for the national open championship, which begins today.

The thirty-fourth annual gathering of the professionals and the amateurs opens Thursday, but more than half of the hundred and a half entrants were already here for acclimating rounds.

The Atlanta amateur studied Interlachen's difficulties on two rounds Sunday and produced a par 72 on each. Bobby was not concerned with scores, however, but with a study of the course's character and contours.

## TERRIBLE SWEDE TO GRAPPLE BOB HERE ON MONDAY

Good news for Medford and southern Oregon wrestling fans was contained in a telephone call received this afternoon by The Mail Tribune from Herb Owen, matchmaker for the Medford boxing commission, that he has arranged a finish match between John Preburg, the "Terrible Swede," a recent arrival on the Pacific coast from Minneapolis and Bob Kruse, Oswego, Ore., at the armory next Monday. There will be a fast special event.

## NEW PUBLICATION AT DIAMOND LAKE FOR FISH STORIES

Someone at Diamond Lake has gone journalistic and hides his identity under the name de plume, Kant B. Seen. A copy of the Diamond Lake Scandal Sheet, of which he is editor, reached Medford this morning disclosing information on sales, fish stories, and sports now popular at the resort.
