## DISSIDENT GRAPE GROWERS CAUSE CRISIS IN FRESNO

SAN FRANCISCO, July 10.—(AP)—California's \$400,000,000 grape industry faced a crisis today as the campaign to sign up 85 per cent of the growers in a farm board relief program tottered on the verge of failure and night riders moved through one vineyard area, terrifying non-signers.

The Fresno county sheriff's office responded to two calls early today from grape growers asking protection from mobs attempting to force their signatures to federal grape control board contracts. As far as could be learned, there were no physical encounters.

The drive to sign up 70 per cent of the more than 500,000 acres of vineyards in California fell short of its quota by about 80,000 acres last night. Farm board officials had stipulated that 70 per cent of the acreage be signed by then. The plan was not to become effective unless 85 per cent of the acreage were signed five days hence.

The farm board program, in the event of an 85 per cent sign-up, calls for a loan of \$20,000,000 to a co-operative designed to handle this year's surplus, estimated at 300,000 tons or more. Signers must pay the co-operative \$1.50 on fresh grapes and \$4.50 on raisins on every ton marketed, the proceeds to be used to buy up the surplus and make it into by-products.

## MELROSE FARMER LOOKS LIKE DOVE

ROSEBURG, Ore., July 10.—(AP)—John Maddox, 53, Melrose farmer, was in a hospital today suffering shot wounds because he was mistaken for a whole flock of wild pigeons.

Gus Koken, neighboring farmer, employed Maddox to pick cherries. Koken, with a shotgun, was hunting wild pigeons destroying his orchards. He saw tree branches moving and fired.

Maddox, with wounds in his arm, chest and head, scrambled from the tree and collapsed. Physicians said he would recover.

## PLAYGROUND TOURNAY RESULTS ANNOUNCED

Results in horse shoe games, played in connection with the tournament at the city playground, are as follows: George Cook won over Russell Gordon, John Stelle from Chester Ferguson, Galen Knox won from Howard Schreckengost.

Raymond Erickson and Elsie Talbot won in the boy-scout tournament from Leslie Silanson and Olive Erickson, respectively.

Miss Gladys Murphy, instructor, announced this morning that baseball teams would be organized the latter part of next week.

## Interior of Lung Filmed

With lighting effected through a new reflector system a film of the interior of the lung during an operation was taken recently in Charles hospital, Berlin, Germany, by Dr. Seibert. The film is said to clearly show details of the operation.

## Fresh Schilling tea

Tea in vacuum! Just like your coffee! It is just as vital for one as it is for the other, to prevent the evaporation of the fragrant oils that give them both their flavor.

Science has been longer discovering how to do it for tea. So far it's a Schilling secret. Try it, and find what you have been missing all these years.

Iced Schilling Iced Tea is far more refreshing than any other because it is fresh to begin with. Black tea (orange pekoe) is best. So are TEA BAGS instead of loose tea. Schilling packs both in vacuum.

## Leads Mine Meet

Mr. and Mrs. Beach and Mr. and Mrs. Singler and son will leave by auto tomorrow afternoon for the state metropolis.

## FREE PARKING SPACE AT CARNIVAL GROUND

Arrangements were made today for free parking space for cars at the carnival grounds west of Medford on the Jacksonville highway.

A large crowd was reported at the carnival last night. And many people left the grounds because of lack of parking space.

## MINERAL CONFAB AT GRANTS PASS TO AID INDUSTRY

Reservations for the Mid-Pacific Empire Mineral Economic conference to be held in Grants Pass next Tuesday, July 15th, are being received daily and from all appearances the meeting will be well attended by those interested in the mining possibilities of this section.

The Northern California-Southern Oregon Development association, sponsors of the meeting, received information this morning that W. B. Dennis, president of the state board of engineering examiners, and A. R. Carter, secretary, will attend with another member of the board.

Mining magazines throughout the western part of the United States have given considerable publicity to the meeting and those in charge of the proceedings are hoping that the results to be obtained will give considerable impetus to the mining possibilities of this section.

## HARBOR WILL CUT FREIGHT CHARGES

Importance of the Crescent City harbor to every merchant in northern California and southern Oregon in bringing about a reduction in freight rates is brought to the attention of the officials of the Northern California-Southern Oregon Development association every day, according to C. E. Gates, president of the organization.

Recently a merchant in southern Oregon sent a bill of lading to the association which shows that it is possible to ship goods from the Atlantic seaboard at almost the same rate as the railroad charges only a distance of 200 miles from Portland.

A Grants Pass merchant recently received a barrel of powdered cocoa in bulk, and the freight charge on it was \$2.80 from New York to Portland. The rate from Portland to Grants Pass was \$2.25.

## KRUSE THINKS HE WILL WIN MATCH

Wrestling fans of Medford and southern Oregon are looking forward to the last match of the season next Monday evening at the armory where John Freburg, Seattle, will meet Bob Kruse, Oswego, in a finish match.

Kruse, in the pink of condition, expects to give Freburg a match for which he will never have cause to forget Medford. If Freburg is as rough as he is heaved, Kruse is apt to have the support of the fans, most of whom have been attending Kruse's matches to see him defeated.
