

Bobby Jones Opens Interlachen Tourney With Sub-Par Golf

LINKS KING TOPS FIELD WITH A 71

Fine Form Shown by Champion, Despite Heat—Horton Smith and Others Tour Course in Par Figures for Second Place Tie

Moe Gets Eagle.
INTERLACHEN CLUB, Minneapolis, July 10.—(AP) The first eagle of the meet was scored by Don Moe, Portland, Oregon, amateur. It was a 3 on the 455-yard ninth, one of the few ever recorded for that hole. It gave him a 35 for the out nine.

INTERLACHEN CLUB, Minneapolis, July 10.—(AP)—Bobby Jones, the defending champion, was tied for the lead in the first round of the United States open golf tournament today by the Brooklyn sharp-shooter, Wilfred (Whiffey) Cox. Each had the same score of 34-37—71, one under par, and a one stroke lead for the time being over the rest of the field.

INTERLACHEN CLUB, MINNEAPOLIS, Minn., July 10.—(AP)—Under a boiling hot sun, Bobby Jones shot a 71, one under par, for the first round of the national open golf championship and assumed the lead in defense of his crown. Bobby was out in 24 and back in 37.

Jones, playing magnificently except for inability to get down more than two fair-sized putts, made par look ridiculously easy, as he battled his way through a gallery of 5,000 spectators and in heat that sent the thermometer soaring over the 100 mark in the sun.

The champion, on the heels of Horton Smith, finished with a score that gave him a one-stroke margin over the young professional ace, Smith's 72 put him in temporary second place with Harry Cooper of Chicago, and George Smith, another Chicago professional.

Although dripping wet from perspiration, Jones seemed to play better as the heat became more intense. The champion never looked better off the tee or through the fairways. A few "breaks" on the green, where at least a half dozen putts missed going down by inches, would have put the champion well down in the sixties for his round.

There was keen excitement as Horton Smith and Jones, each out in 34, two under par, battled stroke for stroke on the incoming journey. Bobby lost a stroke to Smith and par on the 10th, when his second shot found a trap for his only serious error of the round.

Moe Gets 75.
Don Moe, western amateur champion, after a sub-par 35 on the outward journey, took 40 to return but was well up in the list with 75.

With the half-way mark reached, attacks on the mark set up by Jones were falling considerably short.

Two other amateurs, George Von Elm, and the British star, Cyril Tolley, each required 89 and were out of the running at the start. It was one of the poorest exhibitions Von Elm had given in the open championship as he needed 43 for the homeward nine.

Among those at 73, two strokes behind Jones, were Eddie Williams

PIGMY GOLFERS UPSET DOPE IN TOURNEY PLAY

The first bracket of the Medford midget golf tournament was played last night, and the "old oaken dope bucket" given a severe kick! Herb Grey and Al Hagen, Mail Tribune stand-bys, defeated George Lounsbury and Jim Johnson 1 up. Heck and Doug Fox won from Roy Shreve and Sam Colton, your office boys. John Reddy and Jimmy Edmiston came from behind to eliminate "Smudge" Perry and E. C. Ferguson. Bob Sleeter and Cliff Lord had a hard battle to win from Mert Hogan and Warren Turnquist, 1 up.

Later Sleeter and Lord played the second bracket against Heck and Rogers and defeated them also, thereby advancing three places.

All other teams entered drew lyes and automatically advanced to second position.

Matches played tonight will be between Young and Young, and Dick Green and Ernest Rostel; Whillock-Millard against Hambrick and Swanson; Roy Lee and John Patton vs. Mikache and McCracken; Phil Lounsbury and Bill Hagen play Lydia King and Mattacheck.

The finals are scheduled to be played off at 10:30 Sunday morning and a large crowd of interested spectators is expected.

Yesterday's low score for men was turned in by Warren Turnquist, who made a 37. Warren shot this score shortly after the match play. Low woman's score was played by Miss Eleanor Worthington who turned in a 48.

With Rod and Gun In Rogue Valley

By Ernest Rostel and Dick Green

Hitt Prairie dam is a great body of water in which to fish in the opinion of Guy Tex, Jack Southwell and Court Snyder who caught their limit of fish there Tuesday afternoon. The trio caught four kinds, perch, bass, blue gills and crappies, in less than 90 minutes, using a spinner with a black and white fly. One of the party used a plug but got only one strike.

The dam continues filled with water and fishing is said to be as good now as during any time in the season.

Southwell advanced the opinion last evening that the crappies caught by the party did not live up to their name and that he believed they were a species of perch, resembling that kind of fish he had seen in the east. The blue gills resemble sunfish. The fishermen also used angle worms to advantage and divided their time between trolling and still fishing until the limit was caught. They did not begin angling until after 6:00 o'clock at the time that bites generally come thick and fast.

The road is in fairly good condition and the trip can be made in a reasonably short time, but despite that, there have not been many anglers at the dam recently.

Four Mile lake, an hour's drive from Fish lake, is the destination of more than 150 fishermen and recreationists over the Fourth of July holidays, including Walter Painter and Michael Snyder, who caught their limit almost as fast as they could throw their hooks into the water. They found the fishing best at one end of the lake where the water is around 20 feet deep and clear as crystal.

At this point a hook, baited with a salmon egg and heavily weighted, can be thrown into the water nearly to the bottom and can still be seen by the angler from the boat. Silverside and rainbow trout like eggs and from 10 to 15 immediately come near the hook, with one or two nibbling. The angler must keep careful watch of the tackle and pull at the proper time.

Painter became so interested in fishing that he did not notice the motion of the boat in the region of a rear trouser pocket and when he did notice, a purse, containing \$25, hunting and fishing licenses, driver's license, had slipped out and fallen into the water. Anglers are now wondering if fish caught there will have greenbacks for a premium. They average around a pound apiece, with some going over five and six pounds.

P. C. Bigham reported the catch yesterday of three steelhead and a jack salmon in the Rogue river near Trout. He had hooked several others before landing his catch. The steelhead weighed approximately five pounds each, and he caught them on a spinner.

Leon Love and Twix Peart reported the catch of five large salmon in the Rogue river near Kelly Island last Friday with No. 5 brassie spinner. The former has been catching the big fish regularly most of the season in different parts of the river.

FILM STUNTERS IN CHUTE JUMPS AT PORT SUNDAY

Parachute jumping at the Medford airport next Sunday is the week's big attraction and will feature Bob West and Brownie Rai in death defying leaps. The jumps will be taken under the auspices of W. J. Browne and John Waage, pilots at the airport, and there will probably be a jump in the forenoon and one in the afternoon. The pilots will operate two airplanes at penny per pound rates for the benefit of spectators.

Bob West, a partner of Dick Grace, well known movie stunt flier, will attempt a double parachute jump, involving more danger than the ordinary jump, and will make the leap from a height of 2000 feet. West is also a movie director and took part in such productions as "Wings," "Lilac Time," "Hell's Angels" and others. He has made 638 jumps and has fallen 400 miles suspended by a parachute in the past nine years. He has been in the air 30 hours between plane and ground. He has appeared in every state in the union and has also been in Australia. W. J. Browne will pilot the ship from which the jumps will be made.

Jackson county was furnished by Deputy Game Warden Roy Parr today as follows:

Rogue river closed for a distance of 400 feet below the Gold Ray dam. Squaw creek closed between Big Squaw lake and Little Squaw lake. Applegate river, from a point on said river near the Applegate postoffice to and including the state line between California and Oregon on the Big Applegate, and including the headwaters of the Little Applegate, and to and including the Carberry fork of Big Applegate, closed until April 15, 1932. Fish lake closed from August 15 to April 15 of each year. That portion of Fish lake, extending from the head to one-quarter mile below, closed.

CHICAGO CUBS WILT BEFORE REDS' MENACE

Cincinnati Holds Jinx for Aspiring Champions—Cards Crowd Giants—Solon Wins Broken.

By Hugh S. Fullerton, Jr., Associated Press Sports Writer.
The Cincinnati Reds are struggling deep in the second division of the National league but when the Chicago Cubs, champions last season and contenders for this year's title, come along the Reds step out and play some first division baseball.

The Reds knocked the Cubs clear out of first place in the last few days by winning four games in a row, taking the final game with a 4 to 3 victory.

The defeat dropped the Cubs two full games into second place as Brooklyn took both games of a doubleheader from the Boston Braves, the first game 8 to 0, and the second 6 to 4.

The steadily advancing St. Louis Cardinals picked up another game on the New York Giants and now are only half game back of this place as the result of their 7 to 5 victory over the Pittsburgh Pirates, while New York dropped another to Philadelphia by a 5-4 count.

The American league celebrated the end of Washington's long winning streak, which came at the hands of the Boston Red Sox in the second game of a doubleheader, but the Senators still gained a half game on Philadelphia and lead by that margin.

Lose Second Game.
Washington took the first game, 5 to 2, behind Sam Jones' pitching, to make it 10 straight, but lost the second, 5 to 4.

The Athletics, in second place, had a very bad day against the New York Yankees and went down by a 12 to 6 score.

Once more Babe Ruth provided one of the day's biggest pieces of news by drawing down a three-day suspension because of the previous afternoon's dispute with umpire Brick Owens. The punishment did not turn out to be very severe as an injury was keeping the Babe out of action.

Cleveland and Detroit won their games. The fourth place Indians slammed out a 9 to 5 decision over the St. Louis Browns to win their first series in almost a month. They took three of the four games.

The Detroit Tigers strengthened their hold on the top of the second division with a 6 to 1 triumph over the Chicago White Sox.

COAST LEAGUE RESISTS DRAFT STAR PLAYERS

Seal Manager Spokesman in Defiance of Majors—Los Angeles Near Cinch for First Half.

By the Associated Press
Although Los Angeles was today within one game of cinching at least a tie in the first half season of the Pacific Coast league, that fact shared attention of fans with the baseball meeting in Chicago, where San Francisco was leading the defiance of the Coast league to threats of the majors.

In the face of 15 major league club representatives, George Putnam, secretary of the Seals, stood out as spokesman for the coast as a result of his declaration yesterday attempts of the majors to force the universal draft system on rebellious minors would be met with a fight.

The Angels, with Ed Baecht and Harry Hannah starting at pitching and hitting, yesterday beat Seattle, 4 to 3, to gain a full game on the runner-up Sacramento club.

The Senators' trump card was beaten yesterday when Freitas, league leading pitcher, was driven to the showers in the fourth, Hollywood winning, 13 to 3. The defeat put the Seals four games behind Los Angeles again.

Portland beat San Francisco, 12 to 4, when Fullerton scored another net pitching victory. Oakland went into a fourth place tie with the Seals by trimming the Missions for two straight, 9 to 3. McEvoy, recalled to the New York Yankees, won his last for the Oaks. The Missions continued giving experience to newcomers.

TOUT GALLANT FOX AS 'SURE THING' SATURDAY

CHICAGO, Ill., July 10.—(AP)—Not "Who will win the \$70,000 added Arlington classic Saturday?" but "What price Gallant Fox?" is the question among Chicago racin' fans.

As far as the customers are concerned, Gallant Fox is "in." Only absolute calamity, they think, can keep the great son of Sir Galahad III from winning the season's richest three-year-old event. One western horseman opined that the Fox would be 1 to 10, and that a lot of eastern money would not be covered.
