

THEY GAVE A new Thrill

THAT'S WHY THEY GOT THERE ... SO QUICKLY

FAST SUCCESS STORY NO. 8 MARILYN MILLER

From her grandmother's cellar... in just the twink of a toe. She really was the "Sally" — of the alley called Broadway.

How explain the miracle of Marilyn's success? . . . Nature simply blessed her with a charm all her own.

And that's the only answer to another young star's rise. OLD GOLD made its bow just 4 years ago. In a month it was popular. In a year a headliner. Today it's America's fastest growing cigarette. Nature again! Sun-drenched heart-leaves from better tobaccos. A new taste-thrill for jaded palates. A new throat-ease and freedom from coughs.
