Banish Constipation at the Start with Kellogg's ALL-BRAN

Look out when you wake up tired and stay tired. Beware of headaches, unpleasant breath. These are usually the first symptoms of constipation.

The trouble is that your intestinal system is clogged. You have eaten too many bulkless foods. But you can clean your system safely, if you start at once to eat Kellogg's ALL-BRAN.

Kellogg's ALL-BRAN is a cereal that you can eat naturally. It sweeps the intestines clean of poisonous wastes. Far better than habit-forming pills and drugs.

Kellogg's ALL-BRAN is guaranteed. Just eat two tablespoons daily—recurring cases with every meal. You'll like its crispness and flavor. Your system will benefit by its rich store of iron and healthful elements as well as by its roughage.

Ready-to-eat with milk or cream. Delicious with fruits and honey added. Use it in cooking. Recipes are on the package for muffins and griddle cakes. Sold by all grocers. Served by hotels, restaurants and dining-cars. Made by Kellogg in Battle Creek.
