Promoting New Airline

If proper financial backing can be obtained, a San Francisco inventor, who was in Ashland today, would establish a dirigible air line from Oregon to California. The dirigible, the product of his own inventive mind, has never been constructed outside of a model and embodies the use of airplane wings to increase its speed and lifting power.

Browns at Diamond Lake Friends in the city of Mr. and Mrs. Walter Brown, former residents of Medford, are interested in learning that the Browns are now vacationing at Diamond Lake. They make their home in San Francisco and are remembered here by many friends. Mr. Brown is a son of I. H. Brown, former miller of this city.

Return From Brookings

Plans for the construction of an 18-hole golf course by W. G. Ward, manager of the resort at Brookings, were taken in Medford today by Dr. R. C. Mulholland, who returned from that place Sunday night with Mrs. Mulholland and daughter, Marjory, after spending three days enjoying the swimming, boating, fishing and other sports offered there. The beach is bordered by the ocean and the river, Dr. Mulholland states, and is an ideal place for picnicking and swimming. Many improvements have been made at the resort and others in addition to the golf course are under consideration.
