

CHAMPION MOE FACING STRONG COMPETITORS

Western Amateur Golf Tourney Promises Hard Battle By Fastest Field in 33 Years.

BEVERLY COUNTRY CLUB, Chicago, July 23.—(AP)—Don Moe of Portland, Oregon, made a successful start in defense of his western amateur golf championship today by defeating Vincent Huntington of Chicago, 4 and 2, in the first round of play.

The youthful champion played the 16 holes in three strokes over par while his less experienced rival was six over perfect figures. Moe shot two up at the turn and ended the battle with a par four on the sixteenth green.

Their cards:

Par	Out	453	443	544	36
Moe	Out	453	544	434	36
Huntington	Out	463	444	644	29
Par	In	553	444	4	
Moe	In	363	446	4	
Huntington	In	454	544	5	

By Paul Mickelson (Associated Press Sports Writer) CHICAGO, Ill., July 23.—(AP)—The battle for the western amateur golf championship, won by the youthful Don Moe of Portland, Oregon, swept into the match play grind today with a strong, internationally-flavored field in the fight.

Facing the young champion as the fight opened over the stadium were trapped and tree-lined Beverly Country club course were at least a half dozen campaigners able to give an argument in almost any kind of a tournament. They were the two Britons, Cyril Tolley and T. Phillip Perkins who have won their own country's national amateur titles; Chick Evans and Johnny Lehman of Chicago, who backed to a deadlock with 147 totals for the medal in the 26-hole qualifying round; Keefer Carter of Oklahoma City, former champion, and Bob McCrary, fighting Scot from Des Moines, Iowa, who already has captured two trans-Mississippi championships in succession.

Fast Field
From the standpoint of real threats, it was probably the fastest field in the tournament's 33 years of play.

Moe spared the task of qualifying, faced an experienced mofey as his first rival in Vince Huntington of Chicago who breezed into the qualifying bracket yesterday with a 155 total. Moe ranked a big favorite naturally, but his game has been slightly off color since his return from the Walker cup wars in England and Huntington expected to stop his march before he got started.

Evans' comeback still was the topic of much discussion around the golf yard today. His clubs, ineffective since he captured his twelfth major golf championship in 1923, suddenly yielded to his artistry yesterday and he added a sparkling 72, one over par, to his previous total of 75 to tie Lehman for the medal. He putted well and looked to be on his game once again.

Today's elimination program called for two 18-hole round matches after which the battle of the fittest will enter 36-hole matches until the championship final Saturday.

Modern High-Speed Tennis Forces Ranking Players To Light Racquet

By Ted Vosburgh, Associated Press Sports Writer.
Light racquets are the rule in this modern era of high-speed, hard-hitting tennis. Only four of the first 20 ranking players in the United States use a racquet weighing 14 ounces or more.

The heavyest rackets are swung by Francis T. Hunter, New Rochelle, N. Y., who uses a racket No. 2, and Herbert L. Bowman, New York, No. 17. Both use a 14 1/2-ounce "bat."

Richard N. Williams, 2nd, national singles champion 18 years ago and still good enough to rank 11th in the country, is next in line with a 14 1/2-ounce racket. Fritz Mercer, No. 6, swings a weapon that weighs No. 14 ounces.

John Doe, No. 2, the most powerful built of all the ranking tennis players, wields the lightest racket. It is with a 13 1/2-ounce club that Doe smashes his terrific ser-

vice into court. The late Dr. Geo. King, No. 18, favored a 13-ounce bat, as he played his shots with a pronounced wrist-snap.

In general it appears that the players who lay most stress on a driving game use the heaviest racquets while the volleyers, smashers and cannonball servers go in for a lighter weapon as best adapted for fast swinging. Williams, a fine volleyer, is an exception to this rule.

Doe's racquet is quite a bit lighter than that of Mrs. Helen Wills Moody, who swings a club which is exactly the same weight as that of Bill Tilden—13 1/2 ounces. This seems to be the most popular weight among the men, but six of the first 19 ranking women players use racquets of an even 13 ounces. Little Miss Ethel Barkhert of San Francisco, No. 8, a six-foot, 110-pound slip of a girl, uses a "fly-swatter" of 12 1/2 ounces, the lightest of all.

OREGON STATE TO REPRESENT WEST

CHICAGO, July 23.—(AP)—The Chicago unit of the shriners' hospital announced a 10-year revival of the Thanksgiving day college football classic here.

The revival committee, headed by Melvin A. Traylor, banker, announced that West Virginia university and Oregon State College eleven have been contracted for this fall's turkey day game. The inter-sectional battles will all be held on soldiers' field.

Each year, the committee plans to bring together a leading team from the west and the east. Proceedings will go for hospital expansion.

INJUN MOUNDSMAN FOOL 'EM BATTER

LAC DU FLAMBEAU, Wis.—(AP)—Pete Joroni is the pitcher for a baseball team here, made up entirely of Indians.

Pete is worse than two men—for the opposition. His right hand is as good as his left. When he stumps up on the mound ready to pitch, he holds his hands behind him and has adopted a stance which makes it difficult for the batter to tell from which hand he will serve.

He also is adept at catching the base-runners. He throws to first with his right hand and to third with his left. He wears no glove. He bats from either side of the plate.

Besides being ambidextrous, there is plenty of stuff on the ball to fool the batters of the teams he meets, including those of Duluth, Minn., and Superior, Wis.

BROWNS, PHILS LOOK GOOD BUT MAKE NO GAINS

Both Clubs Stage Winning Streaks—Brooklyn Robins Regain National League Pinnacle.

By Hugh Fullerton, Jr. Associated Press Sports Writer.
Two teams which sometimes look as if they might get something in the major league pennant races, but which aren't doing it are the St. Louis Browns and the Philadelphia Nationals. Both clubs are having unusual winning streaks for them, with three successive victories apiece.

St. Louis made it a real triumph yesterday by downing the Washington Senators, 3 to 1, for a third straight win.

The Boston Red Sox pushed Chicago down behind the Browns by joining three hits with a Chicago error to score twice in the ninth inning and win the game, 4 to 2.

Collins Stars.
The feat of the Phillies in trouncing Pittsburgh, 11 to 5, for a third straight victory was somewhat over looked by the return of Brooklyn to first place in the National league standing. But the individual feats of Phil Collins could not be kept in the shade. Collins not only continued his effective pitching, but he hit two successive home runs and added a single to bring in four Phillie runs.

Brooklyn, with its pitching staff, tried Hollis Thurston as a starting moundman in its struggle to get back to the top. The American league castoff held the St. Louis Cardinals to three hits to win a 1 to 0 decision.

Giants Assist.
The Robins received a lot of assistance from the New York Giants, who sent Chicago's Cubs downward by winning the second game of a double header, 6 to 1, after the Cubs had won the first, 5 to 4.

Cleveland took both ends of a twin bill from the New York Yankees, 6 to 3 and 10 to 8.

The Philadelphia Athletics lost an opportunity to gain Washington's second place team when they dropped a 6 to 5 decision to the Detroit Tigers.

LINGLE CHARGES BASIS OF LIBEL

CHICAGO, July 23.—(AP)—Robert M. Lee, city editor of the Chicago Tribune, has filed a \$250,000 libel suit, asking recovery of the Illinois Publishing and Printing company, publishers of the Herald and Examiner, for an article published yesterday.

The suit was an outgrowth of charges and insinuations which have followed the assassination six weeks ago of Alfred (Jake) Lingle, Tribune reporter, who worked under Lee for 10 years.

PORTLAND WINS OPENING GAME UNDER MAZDAS

Mission Reds Overwhelmed 12 to 2 As 7000 Turn Out for First Night Baseball Tilt.

(By the Associated Press)
After the first experience of playing three out of four games under artificial lights, the Coast league today found six teams tied in standings, with the Missions out in front.

The Reds' lead was slight as a result of the trimming they received last night at Portland, 12 to 2, in which Bert Cole, erstwhile league leading pitcher, was driven to the showers.

Seven thousand fans witnessed the game.

Pinelli's double, scoring Corsett from first in the ninth after two were out, gave San Francisco a 6 to 5 win over Oakland in a sea-saw affair, the only daylight game.

Formal evening dress marked the night inaugural at Seattle and the Indians met the occasion by downing Hollywood, 5 to 4 as Zahniser held the Stars to four hits, two of which were homers.

Los Angeles won from Sacramento, 5 to 4, as Stutz centered

Paddy Harmon's Last Request For Funeral in Greatest Sports Arena

CHICAGO, July 23.—(AP)—The last request of P. T. (Paddy) Harmon, dreamer and builder of the world's greatest indoor sports arena, was "I hope you'll lay me out in the stadium—my stadium."

Just before he died yesterday from injuries suffered when his automobile overturned in a ditch, Harmon asked to be once more in the \$7,000,000 West Side building—the highest material accomplishment of a career that started as a street fighter and included promotion of championship boxing matches, six-day bicycle races and dances.

Arrangements for his funeral, however, were held up today, pending the result of serious injuries suffered by his wife, Mrs. May Harmon, who with Dr. Thomas Brand, was in the automobile.

Thousands of youngsters and grownups who as youngsters, benefited by Harmon's Christmas charities during the last 29 years, today mourned his death, as did hundreds of others who were associated with him.

"Dance Hall" Open Today Fox Rialto

Bringing the work of one of the greatest of modern novelists to the talking screen, "Dance Hall," motion picture adaptation of the story by Vina Delmar, opens today at the Fox Rialto theatre. It is the first time that a story of this sensational success author has been transferred to the screen.

Originally written for Radio Pictures, and published in Liberty Magazine, "Dance Hall" has had millions of readers. It is a realistic, human story of a little ballroom hostess and two rivals for her love, told in the manner which made best-sellers of "Bad Girl," "Loose Ladies" and "Kept Woman." Miss Delmar's successful novels.

Radio Pictures, producer of "Dance Hall," has adapted the story faithfully. Careful selection of the cast resulted in Olive Herden being chosen for the leading role with Arthur Lake, one of the screen's leading younger actors, featured with her.
