PACIFIC FLIGHT FROM JAPAN NOW BROMLEY'S PLAN

SEATTLE, July 26.—(AP)—De-feated in his plans to fly the Pacific to Tokyo, Lieut. Harold Bromley and his navigator, Harold Gatty, with their plane the City of Tacoma, tonight were en route to Japan by boat.

Bromley plans a non-stop return flight from Tokyo.

Frustrated by the slowness of the monoplane, which made only 95 miles an hour in test flights, and by lack of landing fields for refueling in Alaska, Bromley brought the plane here last night and dis-mantled it. Bromley, Gatty and the plane were aboard the Presi-dent Lincoln at 11 a. m. when it sailed westward. The flight last night from Tacoma was to have been a final test before the pro-posed take-off from that city.

The fliers are scheduled to ar-rive in Yokohama August 8. The plane then will fly to Tokyo for the take off eastward to Ta-coma just before he sailed. Bromley said he hoped to complete his return flight in three weeks.

Percy Williams, Canadian winner of two dash titles at the Amsterdam Olympics, will com-pete in the 1932 games at Los Angeles.

The Cleveland Indians will have a new stadium to play in which seats 20,000 persons.

In the last four seasons, up to this year, "Wee Willie" Sherdel, new Boston Brave, pitched victories in 25 more games than he lost for the St. Louis Cardinals.

One reason Dan Howley, man-ager of the Cincinnati Reds, re-lieved the veteran George Kelly is that he has a three-year contract and is building for the future.

TREED FOR FAME AND FORTUNE

The endurance epidemic has gone hard with children; tree sitting in particular has claimed its victims from coast to coast. This particular aspirant for the crown or title or what ever it is they get is Warren Bentley of Chicago, who seems quite comfortably situated on his lofty perch.

WESTERN TITLE IS WON BY LEHMAN FROM HUGE FIELD

CHICAGO, July 26.—(AP)—Johnny Lehman, the erstwhile Hebecker player, whose big war clubs have been impotent in cham-pionship play since he won the big ten title for old Purdue three years ago today crowned himself western amateur golf champion.

He captured the title by turning back the challenge of Ira Couch, the youthful Chicago star, four holes in the final match after 4 ties over the stubborn Beverly country club.

The triumph was a "natural" for Lehman, now one of Chicago's bustling bond salesman. Out of a field of 215 starters he played the most consistently brilliant golf. He tied with Charles "Chick" Evans, Jr., of Chicago for the medal with a 147 for the 36-hole qual-ifying test; captured his first match with par golf; toppled the defending champion, Don Mac of Portland, Oregon, and crushed T. Phillip Perkins, in the last of two British threats, in the semi-final.

He ended his match by shooting perfect golf on the final seven holes with Couch today to break a tie and triumph. Lehman will try to make a grand sweep tomor-row when he meets Evans in an 18-hole play-off for the medal.

OREGON TENNIS ACE VICTORIOUS LAKEVIEW PLAYS MEDFORD TODAY

Medford baseball fans today at the fairgrounds will have a chance to see the Lakeview team in action against the locals, with Cliff Best in the box, pitted against Baker, University of Oregon star. Lake-view defeated Medford last Sunday 3 to 2, in the best played game of the season. They have high hopes of repeating and will be assisted by a large delegation of home fans and rodeo boosters, who accom-panied the team here.

The Medford team will be at its strongest. Valencia, out for sev-eral weeks with an injured leg will be back in action.

The visitors are composed of a number of college players, and are making a strong bid for the last half championship, and a chance to participate in the play-off, an honor desired by Klamath Falls.

Jesse Hill all around University of Southern California athlete, now is playing in the outfield for Hollywood in the Pacific Coast league.

Jack Coombs, former pitcher with the Philadelphia Athletics, now baseball coach at Duke uni-versity, has as one of his charges, Raymond Coombs, his nephew, a pitcher.

AMERICA'S CHANCE FOR DAVIS TOKEN THIS YEAR IS SLIM

PARIS, July 26.—(AP)—Another 1930 Davis cup plum dropped into the outstretched French hat today when Henri Cochet and Jacques Brugnon defeated Wilmer Allison and John Van Ryn in four sets, 6-3, 7-5, 1-6, 6-2. The victory made the score for France two to one and it sent further into the shadow distance America's hope that the big silver bowl cross the ocean this year.

It is to go back big Bill Tilden must achieve the almost impossible to beat Henri Cochet tomorrow and George Lott must tame Jean Borotra. American partisans were hopeful and doubtful, in the same breath but a good majority of the French tennis followers began their celebration tonight.

President Doumergue of France honored the stadium with his pres-ence and in the reserved seat boxes were almost all the fashionable women of Paris, disappointed per-haps, because of the hint of rain they had worn their old gowns and there was no rain.

The superiority of Cochet and Brugnon in what probably was the vital match of the 1930 Davis cup tourney became apparent early in the first set. They ran out the first three games easily placing careful-ly and safely from the net while both Allison and Van Ryn were misjudging distances, netting and over-driving in crucial moments.

BOSTON BESTOWS GIFTS, TRIBUTES ON MARANVILLE

BOSTON, July 26.—(AP)—Thirty-two thousand baseball fans flocked to Braves field today to pay hom-age to their perennial favorite, the grizzled "Rabbit" Maranville, who has been making his famous "vest pocket" catches for more than half of the National league clubs during the past 18 years.

Between the double-header with the St. Louis Cardinals the most loved shortstop that has ever played for a Boston club was called to the home plate to take the leading role in "Maranville day."

After several orators, represent-ing the city of Boston, the baseball fans and players heaped praise on the player, city councillor Thomas H. Green presented him an eight-cylinder sedan. Emil Fuchs, president of the Braves, then turned over a handsome silver service in behalf of the club management and he was followed by several other bearers of gifts. These latter in-cluded a substantial purse of gold, a reading lamp, an automobile robe and a cigar humidor and, lastly, a rabbit from Bobby Smith, Jr., son of the Braves' pitcher.

Walter Maranville, Sr., came from Springfield, Mass. to see Mrs. Maranville, and Mrs. Maranville, Elizabeth, came from their home in Rochester, N. Y., to be with their husband and father.

KLAMATH FALLS, Ore., July 26.—(AP)—Gordon Turner, of Medford, who last year swam continuously for 24 hours, 13 minutes, in a na-tatorium here, will make a five-mile trial swim in Klamath lake Sunday.

Members of the Medford cham-ber of commerce who are said to be planning to send Turner to Tor-onto for the 15-mile Wrigley race, are expected to witness the trial.
