# Economy Groceteria

THE HOME OF BREAD LIKE MOTHER MADE

## Why Hunt So Long for a Place to Park?

There's nothing more annoying than driving round and round to find a place to park your car while trading—on Saturday and during the rush hours of the week days it's a tough problem—in fact it's some times impossible to get reasonably near to where you want to go.

That is—unless you are trading at the Groceteria—with two stores off the crowded streets—parking room is always available—within the street or our free parking lot. Try this tomorrow—go to the Groceteria—if a parking place isn't right close—go to the other store—there's always room at one or the other—and besides the saving from our lower prices—you will save a lot of time and annoyances.

The same goods at the same prices—at both 6th and Central—and 6th and Grape.
