

# Klamath Defeats Medford 11-7 When Hughes Loses Control

## LOCALS UNABLE TO BUNCH HITS AGAINST MEANS

### Christain Pilfers Home to Open Scoring—Valencia Clouts Three Bagger for Longest Hit.

Jack Hughes, on the mound for Medford yesterday, was wilder than a March hare, and Klamath Falls won the ball game, 11 to 7. Hughes, usually a steady pitcher, uncorked three wild pitches, and hit five men in the shortstop with his twisters. Coupled with this combination of events was the inability of the locals to bunch their hits.

Christian, right fielder for the locals, started the scoring right off the jump by stealing home.

Means, Klamath pitcher, whiffed 12 men. The longest hit of the game—a three-bagger—was clouted by Valencia, first baseman.

One of the smallest Klamath crowds of the season saw the game.

## FIRE DESTROYS BICYCLE BOWL AFTER RACES

NEW YORK, Aug. 4.—(AP)—The velodrome, big wooden cycle-racing bowl, was destroyed before dawn today by a spectacular fire.

It's frame track and stands burned like tinder when flames, apparently from carelessly-tossed cigarette stubs at last night's races, broke out near the main entrance, and although five alarms brought dozens of pieces of fire-fighting equipment to the scene the structure was reduced quickly.

With seats for 18,000 spectators, and a landmark of uptown New York since it was erected at 225th street and Broadway about nine years ago, the Velodrome was one of the largest cycle-racing stadiums in the world.

## PLAN MEMORIAL HONOR SEGRAVE

LONDON.—(AP)—A trophy to be known as the "Segrave Award for Achievement on Land, Water, or in the Air," in memory of Sir Henry Segrave, who was killed while making a world water speed record on Lake Windermere, has been established.

Friends of the dead speed king will award the prize each year to the Briton who gives the best demonstration of the possibilities of travel by land, air or water.

## Moore, Glorified Busher, Comes Back at St. Paul

ST. PAUL.—(AP) Wiley Moore had one season under the sun and now it looks like he is to have another.

The gangling Oklahoman, who early this season was thought due for a return to the sod, proved up with the saints here as the sensation of the American association.

His work so interested the Brooklyn Robins, battling for the National league pennant, that negotiations were opened to carry "old Cy" back under the big top.

Moore, the "glorified busher," shuffled on the national baseball scene entirely without advance notice.

Ed Barrow, business manager of the Yankees, had found him apparently winding up his career pitching minor league ball at Greenville, S. C.

Bar Barrow saw possibilities in a queer "sinker" and Moore went to the Yankees. At the time Moore was past 40, an age when most big league pitchers have passed the peak.

In the 1927 season, "Old Cy" shuffled to the box in 50 games for the Yankees, and that "sinker" was instrumental in winning the pennant for the club.

WILEY MOORE

But the next year, Moore's stuff failed, and he was a failure all season. He couldn't get started in 1929, and finally the Yankees sent him to St. Paul.

## 'Fourteen Count' Barry Knocked Out By Suburban Policeman; Was Drunk

CHICAGO, Aug. 4.—(AP)—Dave Barry, who gained the sobriquet of "Fourteen Count" after the Dempsey-Tunney fight in Soldiers Field in 1927, was knocked out early today by a Niles Center policeman.

Barry, according to Robert Bowman, was parked along a suburban road within the village limits of Niles Center, and the automobile had no light aglow.

The policeman investigated, but Barry refused to answer questions. At the Niles Center station, the prizefighter refused to leave his car, but when Officer Bowman attempted to drag him out, "Fourteen Count" jumped to the ground and assumed a fighting pose.

Barry led and Bowman came back with a right-cross to the chin which, according to Bowman, "knocked Barry cold."

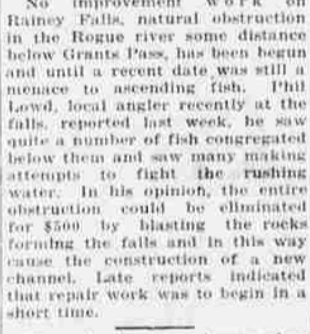

"If I thought it was a policeman, I'd have hit a justice of the peace in Niles Center today."

The justice fined Barry \$20 and \$5 costs on a charge of drunkenness.

Reports that portions of the Little Applegate river above the Crum ranch are open to angling are also misleading, and this stream is declared to be closed, like the Big Applegate, from the Perroll store at Applegate postoffice, to the California state line, including all the tributaries of the stream.

## With Rod and Gun In Rogue Valley

By Ernest Rostel and Dick Green

No improvement work on Rainey Falls, natural obstruction in the Rogue river some distance below Grants Pass, has begun and until a recent date was still a menace to ascending fish. Phil Loyd, local angler recently at the falls, reported last week, he saw quite a number of fish congregated below them and saw many making attempts to fight the rushing water.

In his opinion, the entire obstruction could be eliminated for \$500 by blasting the rocks forming the falls and in this way cause the construction of a new channel. Late reports indicated that repair work was to begin in a short time.

There is always a chance when recreationists are in the woods of being bitten by venomous snakes, with the chances much greater in the low lands. In such case the victim is urged not to run or become overheated, or drink alcoholic stimulants, either of these conditions speeding up the blood stream and distributing the poison much faster throughout the system.

The bleeding or suction of fang wounds is suggested by an American Game Protective association bulletin as being the best method, if the victim has no serum or snake bite antidote. All should carry these first aid kits however.

More than 1000 venomous snake bites were reported in the country last vacation season, with quite a number resulting in fatalities. Venomous reptiles include rattlesnakes, copperheads, cottonmouths and coral snakes. The first named is the only one common in this section.

Howard Fearay was at Fish lake last week and found no trouble in catching his limit. The consumption of irrigation water has reduced the depth of water by many feet and the width by over one-half. He fished with a fly in water that was around three feet deep. Guy Tex was there Friday evening, arriving after 5 o'clock and an hour or two of angling resulted in nearly the limit catch. These two anglers among others were told that the lake is already closed.

Walter Schulz found angling in Big Butte last week to be good. He caught his limit in the course of a day's fishing. Mr. Schulz is out on some stream every Sunday and a few times during the week. A contrast in success is reported by Bert Noblitt, who said he was fishing in the river 15 times last month for steelhead and failed to even land one.

## SPEARS GRIDDERS WILL INAUGURATE EVENING CONTEST

CHICAGO, Aug. 4.—(AP)—Chicago will see its first night football game Friday, October 2, when Dr. Clarence W. Spears brings his first Oregon team to soldier field to meet Drake university.

The experience to be nothing new to Drake, for the Bulldogs inaugurated night football at Des Moines, Iowa, in 1928. Soldier Field will be equipped with a lighting arrangement providing 200,000 watts.

## LA BARBA-MASTRO IN PLAYOFF BOUT

CHICAGO, Aug. 4.—(AP)—Fidel La Barba, Los Angeles contender for the world featherweight title, and Earl Mastro, Chicago's bidder for the same crown, today speeded up training for their 16-round encounter in the stadium Thursday night.

The match will be a playoff affair, each holding a decision over the other. La Barba shaded Mastro on the coast when they were bantamweights, but Earl evened it up last year at featherweight soundage.

## SOUTHPAW GOLFERS TO PLAY AT MIDLOTHIAN

CHICAGO, Aug. 4.—(AP)—Southpaw golfers will rally in Chicago Thursday for the Midlothian Country club's 21st annual 18-handicap championship tournament. Today's Journal of Minneapolis will defend title.

## PORTLAND WINS FIRST GAME IN ELEVEN STARTS

### Great Mails Turns Trick in Sunday Nightcap—Seals and Reds Tied for Second Place.

By the Associated Press.

After a week of one-sided series in the Coast league, San Francisco's Seals today found themselves tied for second place as a result of a striking succession of six defeats out of seven games, scored to Sacramento.

The Seals closed their string by taking two yesterday, 14 to 3 and 11 to 3. Tony Fogtias, erst-while league leading pitcher, was knocked out of the box in the morning, as was Perry, of the Seals, but Blivins finished to win. Furbin went the route for the winners in the afternoon, while his team pounded Thomas and Vini.

Hollywood was three games to the good in first place, having trimmed Portland six games to one. They wound up yesterday, taking the first, 16 to 5, and dropping the second, 8 to 7. Yde, best of Hollywood on the mound in the first, while Mails took over the second game, five runs to the bad in the first inning and won. It was the Ducks' first win in 11 games.

Missions have dropped considerably from first place, which they held earlier in the second half, having lost five games out of seven to Seattle. The last two yesterday were split. Ted Pillette hurled the Reds to win, 8 to 2, in the first, and Ruether working for the Indians as they took the second, 6 to 2.

## ROBBINS DEFEAT NEIGHBOR FOES IN TIGHT GAME

### Crews Blanked By Flatbush Crew, 1 to 0—Cards Take Two From Cincinnati—Babe Gets 40th.

By Hugh S. Fullerton, Jr., Associated Press Sports Writer.

The Brooklyn Robins and New York Giants have done each other several good turns this season by beating their rivals from Chicago and St. Louis at timely moments.

But when they go against each other, whatever friendly feeling they may have is forgotten, particularly when the Giants are trying to reach Brooklyn's place at the top of the National league.

There was great rejoicing in Flatbush yesterday when the Robins came out ahead of their rivals from the other side of the East river by a 1 to 0 score.

The Cub machine went to pieces after sailing along ahead of the Pittsburgh Pirates for seven innings, and Pittsburgh scored eight runs in the eighth for a 12 to 8 triumph. Al Bost led the victors by contributing his fourth home run of the three-game series to the rally, while Hack Wilson hit his 54th of the year for the Cubs.

Cardinals Win Two.  
The St. Louis Cardinals improved their fourth-place position by winning two games from Cincinnati, slugging out a total of 23 hits to win by scores of 11 to 6 and 6 to 3.

The Phillies, after losing 12 twin bills this season and dividing a few more, won their first double-header of the season, beating the Boston Braves, 11 to 5 and 4 to 1.

The theme of rivalry between neighbors was carried out in the American league by the New York Yankees and the Philadelphia Athletics, with the Yanks staging a slugging uprising in the eighth inning to win by a 5 to 3 count.

Before this assault on Babe Ruth's 40th home of the year as the one big clout. But Tony Lauer put the homer into the background when he settled the background with a triple with the bases full.

The Boston Red Sox finally broke their losing streak in their second game against Washington, with a 7 to 1 triumph after the Senators had carried it to 11 games by winning the first, 11 to 2.

Waite Hoyt also pitched a good game, stopping all of the Chicago White Sox but Carl Reynolds, to give Detroit a 4 to 7 victory. The St. Louis Browns continued their recent streak of stalling to place themselves only a game and one-half behind Chicago. They pounded four Cleveland pitchers for 15 hits to defeat the Indians, 14 to 6.

## FISH DYING BY THOUSANDS AS WATERS FALL

### National Disaster Seen by U. S. Bureau of Fisheries As Game Fish Decimated By Drought.

WASHINGTON, Aug. 4.—(AP) Any envy which may be felt by sweetening humans for the fish who spend the long days of heat and drought in cool-looking streams and lakes is misplaced, for the tiny ones are dying by thousands.

Low water levels and rising temperatures have decimated game fish in numbers approaching a national disaster, and the United States bureau of fisheries fears the long days of heat and drought in cool-looking streams and lakes is misplaced, for the tiny ones are dying by thousands.

The total damage is uncountable he said, but it will show up for years to come in depleted sport and barren streams all over the country. Trout have been the worst sufferers as they must have cold water to live and drying springs have sent up the temperatures of their streams.

COUNTY SCHOOL HEADS CONFERRING IN SALEM  
SALEM, Ore., Aug. 4.—(AP)—The annual conference of county school superintendents of Oregon met here today with most of the members present. The superintendents were greeted by C. A. Howard, state superintendent of schools.
