

Foul Epidemic Cuts Garden "Gate" for Chocolate-Berg Bout

ADVANCE SALE DISAPPOINTING TO PROMOTERS

Fighters Will Share Loss With Madison Square — Weight of 'Keed' Bothers Experts.

By Herbert W. Barker, Associated Press Sports Writer. NEW YORK, Aug. 6.—(AP)—The innocent must suffer with the guilty, as Kid Chocolate and Jackie "Kid" Berg are beginning to discover.

Madison Square Garden officials have been disturbed over the disappointing advance sale of the Chocolate-Berg battle in the Polo grounds tomorrow night. Cash customers have been so scarce Garden officials have revised their original estimates of the "gate" from \$200,000 to \$150,000.

Most of the blame for the public's lukewarm interest in this battle of two of the current boxing era's most popular figures has been placed in some quarters on the epidemic of fouls and generally unsatisfactory endings of most of the big bouts in the last year.

Apparently Chocolate and Berg, neither of whom wins or loses on fouls, will have to share the loss along with the Garden.

The weight question continued to bother the experts, especially since reports have become general that Chocolate has been growing fast and has taken on weight so fast he may have trouble keeping down to the featherweight limit should he ever want to go after the title.

The Cuban star's handlers, however, declared Chocolate would tip the beam at little more than 126 pounds at weighing-in ceremony tomorrow afternoon. Berg, who has fought at as high as 141 pounds, will have no trouble making the 134 1/2 pounds his contract calls for, but probably will be three or four pounds heavier by the time he enters the ring.

WOULD LINE UP STRIB AND MAX

HAVRE, France, Aug. 6.—(AP)—A match for the heavyweight championship of the world between Max Schmeling and Young Stribling in Berlin or London is the main purpose of Jeff Dickson, Europe's leading boxing promoter, in sailing today for the United States.

Dickson, accompanied by Pa Stribling, the Georgia boxer's father-manager, announced he was going to New York to try to obtain the signature of Joe Jacobs, the German boxer's pilot, to a contract calling for Schmeling to meet Stribling in a 12-round bout in September.

Acidity

The common cause of digestive difficulties is excess acid. Soda can not alter this condition, and it burns the stomach. Something that will neutralize the acidity is the sensible thing to take. That is why physicians tell the public to use Phillips Milk of Magnesia.

Medford Swimmer Would Compete For World Honor

With this date of the swimming contest in Toronto, Canada, drawing nearer each day it has not yet been decided whether Gordon Turner, 29, local aspirant to the speed and endurance record, will be entered in the world swim.

Since the trout staged in Klamath Lake a few weeks ago in which Turner convinced his sponsors that he is winning material, they have been endeavoring to raise funds to finance his entrance in Toronto. Lee Fourrier, nationally known swimming instructor, has agreed to pay the expenses of Turner's entrance in excess of \$500.

Mrs. Eve Benson, dancing instructor, is carrying on the campaign to raise the necessary \$500 in Medford.

SCORING ERROR BARS CHAMPION FROM TOURNNEY

JACKSONVILLE, Fla., Aug. 6.—(AP)—An error in the tabulation of his score by his playing partner disqualified Carl Kauffmann, three times champion, from further individual competition today and removed the Pittsburgh squad of which he was a member from team play in the ninth renewal of the annual public links tournament.

Marking a four instead of a five on Kauffmann's card for the ninth hole of the qualifying round by Guy McCall of Buffalo was not checked by Kauffmann before the card was turned in and was "wholly unintentional," a committee of the United States Golf association said. But it disqualified Kauffmann "as no alteration can under rule five be made on the card after it has been returned." Kauffmann had a ragged 83.

Meanwhile, Harry T. Givan, 19-year-old Seattle electrician, appeared as an outstanding contender for the throne vacated by the Pittsburgh steel mill clerk. He had a 73 at the start of the second half of the 36 hole qualifying test today.

In the team play, Brooklyn's four horsemen, Fabrizio, Strafaci, Mazza and Thoren, were in the van with a snappy total of 311.

Louisville and Portland, Ore., are bidding for next year's meeting.

SEALS AND REDS PRESSING STARS IN RUNNERUP TIE

(By the Associated Press.) San Francisco's Seals and Missions were tied for runner-up position in the Coast league today, only two games behind Hollywood's leaders, as the result of successful openings in the fourth week of the second half season.

The Missions took a close though loosely played game from Los Angeles, 3 to 2, yesterday, with Herm Pillette pitching.

BILLY TOWNSEND DECISIONS BROWN

LOS ANGELES, Aug. 6.—(AP)—Billy Townsend, Vancouver, B. C. slugger, today holds credit for an easy 10-round decision over Harry "Kid" Brown, veteran Philadelphia welterweight, won last night at the Olympia.

With Rod and Gun In Rogue Valley

By Ernest Rostel and Dick Green

Grover Youngs returned this week from a hunting trip to the wilds of British Columbia, where caribou, moose, bear and deer abound. However, he did not use the customary gun but had a moving picture camera instead.

He took 500 feet of small-size film, including scenes that man seldom visits because of inaccessibility. He plans to return there again in September, when the season is open, and spend an entire month bagging his limit of game.

A portion of the trip just completed included a 125-mile boat and canoe trip around a chain of lakes which form almost a complete circle, the last lake of the chain being located within 12 miles of the first.

Favorite flies that trout enjoy at this time of the year were listed yesterday by Verne Van Dyke as including red upright, royal coachman, March brown, black gnat, blue upright, and for steelhead Mr. Van Dyke suggested royal coachman, gray Palmer, California coachman, grizzly king and March brown.

The steelhead fishing continues to be more or less in the doldrums and trout fishing in the Rogue river is not up to average, but is declared to be better in tributary streams.

With Hyatt Prairie lake already closed and Fish Lake closing August 15, Diamond Lake and Lake of the Woods are the only two remaining bodies of water where anglers may find delight for the remainder of the season.

The former is open until November 30 and rainbow trout there are said to be continuing to bite well.

Ralph Cogwell of the state game commission is to leave this week on another inspection trip to Rainey Falls in the Rogue river and indicated that he is seeking permission to blast the entire falls out of the stream.

He declared this could be done for \$20 and also said that fish are making their way around the falls by means of the fish ladder, but said they were usually tired before they reached the ladder.

They attempt to fight the falls first. Further dredging is to take place in the river at Canfield riffle, where a sand bar has been obstructing the progress of the fish upstream.

A channel 10 feet long and two or three feet wide has been dug through the sand, but the fish have been reluctant to go through, though recent reports indicate the movement is better.

Evidence that the number of salmon ascending the Rogue river is decreasing annually is shown in reports that a commercial cannery at the mouth that had been packing thousands of cases annually last year packed only 3500 cases, meaning the catching of slightly over 4000 fish.

SENATORS RUIN YANKEE CHANCE OF LEADERSHIP

Johnson's Crew Take 12 of 15 Games With New Yorkers—Athletics Lose to Red Sox.

By Orlo Robertson, Associated Press Sports Writer

But for the presence of the Washington Senators in the American league, the New York Yankees might be up there fighting the Athletics for leadership. As it is, however, Babe Ruth and company are battling in third position, 10 games back of the champions and not much chance of gaining ground as long as they are scheduled to play Walter Johnson's Senators.

The Senators have beaten the Yankees in 12 of their 15 meetings this season. The Yanks succeeded in breaking the jinx yesterday but not until the Senators had won their seventh straight by taking the first of a double header, 6 to 4. Babe Ruth hit his 41st home run but that didn't help much when Walter Johnson's batters got busy on Pennock and Johnson. Charlie Ruffing was largely responsible for the Yanks' 7 to 1 triumph in the curtain

Berg In Toot Fight

A's Bow to Berg. The Athletics failed to take advantage of Washington's own break losing a 4 to 2 game to the Boston Red Sox.

Detroit put over four runs in the eighth to give Earl Whitehill his eighth consecutive victory, the Tigers defeating the Indians, 5 to 4.

The Giants and Robins furnished another one of their spectacular contests in the National league, Brooklyn finally winning, 9 to 8 in ten innings. The Giants trailed 6 to 1 going into the ninth, but a five run rally sent the veteran Adolfo Luque to the showers and tied the score.

The Cubs kept pace with the Robins, scoring three runs in the ninth to defeat the Cardinals, 5 to 4.

Fred Frankhouse held the Phillies to six hits as the Braves gave Philadelphia a 6 to 2 defeat.

LOMSKI-LENHART IN SECOND DRAW

SPOKANE, Wash., Aug. 6.—(AP)—Leo Lomski, Aberdeen Assassin, today was still a knockout ahead of Fred Lenhart of Elk, Wash., with two draws and a knockout in their three meetings.

They fought their second draw in the six-round main event of an American Legion card last night. In this battle, as in one at Portland a few weeks ago, neither showed superiority. After six rounds of furious fighting both were given three rounds, and Referee Don Fraser showed no hesitation in calling it even. Lomski knocked Freddie cold here two years ago.

TRAGEDY MARS ROYAL REGATTA KING A WITNESS

Racing Craft Collide in Manoeuvring for Start—Steward Loses Life in Accident.

COWES, Isle of Wight, Aug. 4.—(AP)—A steward was drowned and a racing yacht, the Lucilla, owned by J. Lauriston Lewis, was sunk in a collision at the start of the royal regatta events today. King George, aboard the Britannia, witnessed the tragedy.

King George saw the accident from the Britannia, which at the time was leading in the race for big yachts with the Astra, White Heather and Westward, not far behind.

The Lucilla, which was the stern boat, about two and one-half minutes behind the Britannia, collided from the race after the collision.

The Lucilla, maneuvering with the 12-meter boats for the get-away, was hit by A. A. Paton's big cutter, the Lulworth, and went to the bottom in three minutes. The Lulworth rescued the survivors of the Lucilla's crew.

When the crew of the Lucilla came ashore it was stated William Saunders, a steward on the sunken craft, had lost his life.

The Britannia won the race, which was excitingly close throughout, and thereby scored her 200th victory.

Look! Spit is a horrid word, but it's worse if on the end of your cigar

One of many actual photographs of "spit-tipping" cigar makers. The above picture was taken on March 15, 1930. An affidavit from the photographer is on file, showing that this workman used spit in finishing the end of a cigar.

... the war against Spitting is a crusade of decency... join it. smoke CERTIFIED CREMO!

Over 7,500 cigar factories are registered by the U. S. Government. Over 7,400 of these hand-roll cigars, producing 50 percent of the output. Every hand-rolled cigar—made by American Cigar Co. or anyone else—is subject to the possible danger of "spit-tipping." Certified Cremo is absolutely free from spit-tipping—No Cremo is made by hand.

Every leaf of the choicest, finest tobacco entering the clean, sunny Certified Cremo factories is scientifically treated by methods recommended by the United States Department of Agriculture. And its purity is safeguarded along every step of the way by amazing inventions that bind, roll, wrap and tip the cigars!
