## HELEN WILLS NOT TO ENTER FOR U. S. TITLE

World's Tennis Champion Will Not Defend Her Title This Year—Will Stay at Home With Husband.

SAN FRANCISCO, Aug. 12.—(P)—Mrs. Helen Wills Moody will not defend her national women's tennis title at Forest Hills, N. Y., this month.

Mrs. Moody, who has won the national title six times and captured the French and English championships this spring, said last night she intended staying at home with her husband and relatives for a time.

"It wouldn't be right for me to go away so soon when I have just returned from a long trip," she told the Associated Press. "I love competitive tennis and have no intention of giving it up, but I am not going to defend my national title this year."

The entry list for the national women's event closes today. In past years Mrs. Moody always has filed her entry well in advance of the closing date.

This year's championship matches begin August 18 at Forest Hills, N. Y.

## MAX BAER PUTS OUT CHRISTNER IN 2ND ROUND

OAKLAND, Cal., Aug. 12.—(P)—Max Baer, Livermore, Cal., heavy-weight, took another step along the path to a championship fight by knocking out K. O. Christner, Akron giant, in the second round of their scheduled 10-round fight last night.

Baer, the finest heavyweight prospect developed on the Pacific coast since Jack Dempsey started here in 1913, won just about as he pleased. He scored three knockdowns in the first round and the going was all that saved Christner.

The Akron fighter came up groggy when the going sounded for the second round and Baer swarmed all over him. The Livermore butcher boy scored two more knockdowns with a series of lefts and rights and finally laid away his more experienced opponent with a right hand punch to the jaw.

Christner looked fairly good during the first two minutes of the first round, but after that he didn't have a chance.

Christner, with a longer and more impressive record and weighing 200 pounds, compared to Baer's 192½, was a short order in the betting.

## GRAY HAIR AND DANDRUFF FOR YEARS BANISHED BY NEW TONIC

Prominent Teacher Gets Rid of His Gray Hair and Dandruff by Using Lea's Wonderful Hair Tonic

READ WHAT THIS GENTLEMAN SAYS

"I was troubled with premature gray hair and dandruff. It was turning gray at 19 years of age and quite gray at 35. Dandruff fell so profusely my coat was often littered with it, but nothing I found would stop the dandruff, until I bought Lea's Hair Tonic. This remarkable preparation easily kept my hair its youthful color, and the dandruff entirely disappeared. I'm convinced Lea's Hair Tonic will do all the company says it will," writes Professor A. H. Bailey, teacher in High School, at Mountain Grove, Mo.

A short while does the work so natural-like and pleasing, one can defy even an expert to detect its use. Gray Hair or Dandruff are a detriment socially, or in business. Many not gray but troubled with Dandruff, use Lea's. It does not effect hair of natural color. Mothers often use it on the children's heads. Beauty shops often use Lea's but it may easily be applied at home by anyone. Send a bottle, check or stamps for bottle prepaid to your door. Results must please you in six weeks or money back. ## Paddy Harmon, Who Built Seven Million Dollar Sport Palace Died With Only \$2.50 Cash to His Name

CHICAGO, Aug. 12.—(P)—Paddy Harmon, the dreamer, whose dream of a \$7,000,000 sport palace came true, died as he started life—virtually penniless.

This was revealed today when plans were set in motion to stage a benefit boxing show in the Chicago stadium, the building Paddy built, next month with the receipts going to his widow and four-year-old daughter.

When Harmon's car skidded off the road two weeks ago and killed him, he had \$2.50 in cash to his name. That was found in his pockets. He had no life insurance, no other bank account, nothing left to his fortune except the money he sunk in building the Chicago stadium, largest indoor sport arena in America. When he was ousted from the presidency of the stadium, he still retained a

great amount of stock, but this may or may not be valuable for several years to come.

Friends of the dead promoter said today his most difficult task was managing his money. He allowed it to slip through his fingers, making loans to needy friends, much after the fashion of the late Tex Rickard, who allowed his fortune to slip away.

Sidney Stortz, the present head of the Chicago stadium corporation, said Harmon only a few months ago had between \$70,000 and \$80,000 cash in the bank, but it had disappeared with no accounting left to show how it was spent.

It can now be revealed that Harmon's funeral expenses were paid by his friends—the same friends who are behind the movement to stage the benefit to raise funds for his widow and daughter.

## LOCAL GOLFERS URGED TO SIGN UP FOR TOURNEY

Donald Clark, chairman of the Southern Oregon golf tournament committee in charge of arrangements for the annual meet August 28, 29, 30, 31, and September 1, today issued the following letter to members of the Rogue Valley Golf Club:

"Entries for the southern Oregon championship are coming slowly from local players and, as the success of the tournament depends upon a large entry from this club, the committee hopes there will be a much heartier response from now on."

"It is important to know more definitely how many are playing, so as to arrange the number of flights, prizes, etc. Every golfer entering will have a chance at winning something in any one of the flights he may land in. His classifying round will classify him and no matter what he shoots he will be in a flight, on an equal basis with the other 15 men in that division.

"There will be no handicaps, the lowest 16 scores being the championship flight, the next lowest the second flight, and so on, and there will be as many flights of 16 as entries.

"There will be first and second prizes for all flights, and every entry will have one round of match play no matter what his qualifying round.

"Qualifying rounds will start Friday, August 29, to play 18 holes, any time after 9 o'clock in the morning.

"Match play for all flights will start Saturday, August 30, at 1 o'clock.

"The eight men defeated in the championship flight will then become the first flight of this tournament. All winners of first day play will play second and third rounds, Sunday, August 31, with finals of all flights Monday, September 1, Labor day.

"The committee will appreciate your support and interest in this tournament by signing the entry card at the club at once. Fred Mozell, the pro, will be glad to explain and answer all questions so come in on and make this a real annual affair."

## GREAT BATTLE FOR LEADERSHIP STARTS TODAY

Brooklyn Robs Face Cubs in Crucial Series of Year—Chicago Climbs to First Place—Senators Gain.

By Edward J. Neil, Associated Press Sports Writer

The Chicago Cubs breathed deeply today of the dustless air at the head of the procession—leaders of the National league parade once more.

In second place, crestfallen and perhaps just a bit weary of the frantic struggling that is marking the final drive for the flag, are the Brooklyn Robins, out of first place, with the exception of a couple of one-day lapses, for the first time since June.

The margin is only a point, but it is a margin, and the worst is yet to come for the falling flock of Uncle Wilbert Robinson, for the Robins must face the battling Cubs themselves in a four game series that opens today in the back yard of the 1929 champions.

The Cardinals dealt their final blow to the overthrow of Brooklyn yesterday, coming from behind in the ninth to score three runs and whip the Robins for the third straight time, 7 to 6, while young Buddy Teachout, freshman southpaw of the Cubs, was taming the Boston Braves, 4 to 2, the third time McCarthy's warriors have turned that trick in two days.

More woeeful even than the drop of the Robins is the record of the flock against the Cubs themselves. Brooklyn has beaten Chicago only four times against 11 defeats.

The Cubs' tussle with the Braves was a simple thing with Teachout allowing but six hits, Wallie Berger got his 29th homer, but Cantwell was hit freely.

The Pittsburgh Pirates beat the Giants 5 to 3 and kept them from gaining precious ground. Larry French pitched nice ball to halt a Pirate losing streak that had reached five straight. Bill Terry did most of the Giant hitting with a homer, double and single and French helped his own cause with three hits.

Washington's Senators picked up a game on the pace-setting Athletics in the American league, but the Braves is still very wide. Washington clipped Cleveland, 9 to 2, while old Red Faber and his spiltball were taming the A's and Lefty Walberg, 8 to 3. Goose Goslin hit a pair of homers to lead a St. Louis attack that halted the Yankee winning streak at six games, 10 to 5. O'Rourke and Blue also hit home runs.

Danny MacFayden turned in the best pitching performance of the day, letting Detroit down with three hits, two of them by Easty Collins, as the Red Sox won, 5 to 1. Ray Kolp also hurled well for Cincinnati, holding the slugger Phillies to six hits, as the Reds won, 4 to 2.

## With Rod and Gun In Rogue Valley

By Ernest Rostel and Dick Green

Take the bunch out of him and the guess out of zoning by never shooting at movement or sound, and there will be less fatalities during the hunting season, is the advice of the American Game Protective association, in urging hunters over the entire country to cooperate with state game officials and conservation groups who have recently inaugurated educational campaigns to stop the needless killing and wounding of hunters every year.

Wind-blown tree limbs, bushes and movements in the brush often cause optical illusions, with fatal results. With the 1930 season for deer scheduled to open next month, every hunter is urged to begin thinking things over to reach plans for better than average caution when the season opens.

The careful hunter always holds the muzzle of a loaded gun down or in such an upright position over his shoulder when walking that his comrades will not be hit if the gun is discharged accidentally. Old-timers unload during rest periods and before they arrive in camp. Never aim at anyone—no one knows what might happen.

Hikers, campers, sportsmen and others going into the wilds can materially aid conservation of wild life by scattering quantities of sweet clover seed in suitable places, such as open spaces in the forest, along old roads and creek banks.

The resulting plants will provide natural feed for game birds, deer and other wild life. This practice has been followed with good success in different parts of the country.

It was southern Oregon's fame for fishing that attracted Frank Ovelman from southern California to make his home in Medford, and he is now one of the city's most active fishermen. When angling is at its height in the springtime, Mr. Ovelman is either fishing in the Rogue river or at one of the several mountain lakes surrounding the valley. If most southern Californians knew what this section has to offer, it would be a task to keep them away, he declares. However, quite a number of anglers from that section are familiar with local fishing conditions and have been attracted here.

If the river is closed to commercial fishing, Mr. Ovelman said, this entire section will be regarded as a fisherman's paradise to residents of that section where the nearest angling water is over 200 miles away and is poor water at that.

Fishing in Diamond lake is improving, according to recent reports, and anglers are having better success. For a time the fish refused to bite and this was hard

## ALL GAMES IN COAST LEAGUE PLAYED AT NIGHT

(By the Associated Press.)

The league leading Hollywood Stars play Seattle at Hollywood today, and unless the northerners show more baseball than last week, when they won only one of the series with Portland, indications are the top position of the Stars will not be seriously threatened.

Seattle is at the tail end of the list. The Senators go home for a session with Los Angeles, the latter team trailing Hollywood by one game for the leadership of the league, while San Francisco, in third position and only two games behind the leading Stars, plays host to Portland.

The fourth series will see the Oaks and the San Francisco Missions tangling in Oakland. With the exception of San Francisco, which is awaiting completion of a new park, all games are being played at night this week. Coast league officials report night baseball a success as far as attendance is concerned. San Francisco, which formerly headed the league in attendance records, has dropped to last place.

## LEGION BASEBALL PLAYOFF AUG. 14

SEATTLE, Aug. 12.—(P)—The Rainier-Noble American Legion baseball team, Washington's junior champions, left this morning in a special car over the Union Pacific for Baker, where the boys will compete in the regional playoff with teams from Oregon, Idaho and Montana, August 14 and 15.

The winner of the Baker tournament will compete for the western championship at Colorado Springs, August 21 to 23. The winner of the western states, in turn, will compete at Memphis for the national title.

Robin Hoods Compete. CHICAGO, Aug. 12.—(P)—America's Robin Hoods assembled at Grant Park today for their 50th annual national archery championship. Bowmen from all sections of the nation were on hand to challenge the champion, Dr. E. K. Roberts.

Championships were scheduled in both women's and men's divisions.

Hood River.—Construction of M. Yasin building on Oak between First and Front streets nearing completion.

On the patience of rod wielders, but this condition is rapidly disappearing. The lake is continuing to attract good-sized delegations of local residents, in addition to the usual, if not larger, number of motor tourists, who had heard much of the lake before entering Oregon.

It is not necessary to tar fish caught in Crater lake to ship them out of the state, as this body of water is under the direction of the Federal government and does not come under state regulations. No license is required there for angling, which is a popular pastime for lake visitors.

JACKSONVILLE IS BEATEN BY COQUILLE

The champions of the Coos Bay area, Coquille, came to Medford Sunday and presented the Jacksonville Pirates, runners-up in the Antley bush league with a defeat of 8 to 6 at the fairground diamond before a fair sized crowd. It was a close battle and tested the ability of pitchers of both sides. The Pirates, under the management of Louis Puhl, are not discouraged and are looking forward to a return game with the Coos Bay hurlers.

Vernonia.—Bids opened for construction of new jail and garage in basement of city hall at cost of about \$2,000.

## PORTLAND'S NEW FLYWEIGHT IN SIZZLING VICTORY

PORTLAND, Aug. 12.—(P) Matt Culo, San Francisco and Joe Marquez, Portland, lightweights, fought a slow 10-round draw here last night.

Abie Israel, Portland's first little flyweight and Jackie Evans, Kansas City, stole the show with their fast six-round exhibition on the strength of skillful boxing and foot work. Israel was given the decision on the strength of his aggressiveness in the last three rounds, although Evans had an edge in the earlier rounds. In the first round Jackie shot home a sharp right to Abie's jaw and the local boy went down for a fractional second. Again in the second Jackie put over a similar blow and Abie was on one knee for another split second. Because of the closeness of the decision, Israel agreed to give Evans another chance at 10 rounds.

Eddie Edelman won a technical knockout over Joe Elaine in the eighth of their scheduled 10-round match. Referee Louttit stopped the bout to save Elaine needless punishment. Chuck Rosander took a four-round decision over Ray Morgan in the curtain raiser.

HE SUFFERED FOR YEARS WITH PILES

Some Doctors Said Ulcers; Others Abscesses and Others Piles

A SIMPLE LITTLE REMEDY CURED IT

"After you have suffered as I did for three years and spend all I did in vain, you surely feel grateful when something comes along and heals you up and makes you well, and happy, at my age, 79 years," writes C. F. C. Stamp, who like scores of people here, praises Colac Pile Pills to the sky.

"Some doctors called it, abscess, others ulcers and some just piles, but I was in terrible pain with almost a steady flow of bloody fume, or sometimes it was clear red blood. Our family physician, and a couple more did their best for me, and I had already used the remedies advertised in the papers so you can imagine my relief when I found Colac Pile Pills were each day lessening the pain, and bloody flow. It got less and less until it quit, and the bowels moved regular, and comfortable again. They surely healed me up, and made me well and happy, continued Mr. Stamp a well known farmer of Preston, Iowa.

Seven out of ten past forty years of age are apt to suffer with some mild or serious rectal trouble. Colac Pile Pills—a couple with a swallow of water at meal times, do good to countless thousands. They are sold on positive guarantee of results or money back by leading druggists or send 75c cash or stamps to Colac Chemical Co., Brentwood, Md. for full size bottle return mail.
