

RAMBLERS WIN BY SMOTHERING TRY FOR POINT

Army Blocks Carideo's Punt To Score, After Schwartz Run Gives Edge—Thrilling Game as Elements Rage.

By Paul Mickelson (Associated Press Sports Writer)

SOLDIER FIELD, Chicago, Nov. 29.—(AP)—By the breath-taking margin of a single point, in the last few minutes of play Notre Dame today beat back the fighting threat of the Army, and marched off to its 18th consecutive football triumph in two seasons. The score was 7 to 6.

Stopped dead for 55 minutes by a valiant Army stand and the elemental barriers of rain, sleet and ice, two of Knute Rockne's prize rough riders, Marchmont and Frank Carideo, snatched the hard earned victory by suddenly rushing over a touchdown that the Army duplicated two minutes later and place kick for the precious extra point that the Cadets could not match.

One hundred thousand faithful football fans huddled in blankets and oil cloth robes, watched the thrilling battle, the stiffest Notre Dame had to fight during its long victory march.

At the end of the game, Notre Dame will ride the football crest but with the no uncertain knowledge that they had been to war and lots of it. They were happy and exultant that any touchdowns are not credited equal and that the sure toe of Carideo again had come through in a pinch.

The Rockne riders outplayed the cadets and had them hanging on to the ropes no less than five times with touchdown threats. But each time the cadets stiffened and beat back the attack. The winning points came just when no one expected them on a long dash by Schwartz.

With five minutes to go, Army confidently expected nothing worse than a scoreless tie and punted back to Notre Dame's 42-yard line, then the Notre Dame bomb exploded. Two smashes at the line by Mullins and Carideo carried the ball to Notre Dame's 46-yard line, and the ramblers, fighting desperately, went into a huddle.

The ball was handed to Schwartz. Twisting and squirming, he cut through Army's left end and left tackle, bounced two tacklers off his shoulders, and whirled away for a touchdown. The run, perfectly blocked, ended the huge crowd and not until the referee raised up his arms did many realize what had happened. At this point Carideo, one of the coolest of the rough riders under fire, nonchalantly place kicked the extra point.

Only a few cheers echoed thru-out the stadium as Carideo's sure toe sailed the pigskin on a two-foot arch through the uprights, as no one expected that an extra point would even be necessary.

But it was. The Army came right back with a touchdown. Back, almost behind his own goal line, because of a beautiful punt by Ken Fields, Carideo attempted to play for time by punting. Dick King, substitute Army left end, crashed through the Notre Dame line, and blocked the kick, almost as soon as it left Carideo's toe. The ball bounced back to the Notre Dame goal line, toward the side lines, and King pounced on it. While the big crowd looked on, stunned at the sudden turn of football fortune, Coach Sasse of the Army, immediately sent in a substitute, Broshaus, to try for the extra point. Broshaus, rushed by the fighting Notre Dame line, attempted to drop kick for the extra point which meant a tie or a defeat, but a cloud of blue-shirted players swarmed all over him, smothered the kick, and blasted the Army's final chance for a moral victory. It was a heart-breaking loss for the cadets who had put up such a stand, but it was the way of football.

The game ended a minute later but Notre Dame held the ball and stalled for time.

CHICAGO, Nov. 29.—(AP)—Any discussion by Notre Dame football players of their game with the Army today, will be done aboard a train headed for the Pacific coast tonight. The rough riders, 23 players and the coaching staff, will leave Chicago for California where Southern California will be met next Saturday.

VILLANOVA BY FINE DEFENSE HOLD COUGARS

FRANKLIN FIELD, Philadelphia, Nov. 29.—(AP)—

Washington State college's red jerseyed football juggernaut, champion outfit of the Pacific Coast conference, turned loose its power attack on the east's frozen fields today but wasted most of it in accomplishing the defeat of the scrappy Villanova eleven, 13 to 0.

The Cougars from the Pacific northwest, outweighing their eastern rivals by a big margin, battered their way up and down the game-swept field most of the afternoon but had only two touchdowns to show for a rushing attack that gained enough ground to produce at least a half dozen more fumbles. The burly westerners, led by their pile-driving captain and fullback, Elmer Schwartz, repeatedly smashed deep into Villanova territory, only to find a stone wall defense that turned them back seven times altogether.

All Villanova exhibited was a fine defense, in which Captain Gardner, Right End Mike Terry and Kobbis, a substitute guard, stood out, but it was sufficient to keep the visitors from running up anything like the score they had expected.

Otherwise Washington State failed to show a scoring punch consistent with the team's ability to gain ground. Three times in the second period alone the Cougars lost the ball on downs inside Villanova's five-yard line. They failed to score from the one-yard mark in four plays which lost seven yards instead of producing any gain. On two other drives, Villanova's fighting defense stopped the westerners on the three-yard stripe.

These were the most conspicuous of State's lost scoring opportunities but the red jerseyed warriors lost the ball on four other occasions deep in Villanova territory, on the seven, eight, 12 and 16-yard lines.

The figures showed State rolled up 16 first downs and gained 265 yards by rushing, whereas Villanova registered only two first downs, both in the third period, and advanced the ball a total of only 87 yards by rushing as well as passing.

PARISH JUNIOR HIGH OF SALEM defeated the Medford Junior high football team 6 to 6 at Van Scoyoc field yesterday afternoon, before a small crowd and thereby won the mythical state junior high championship.

The Parish juniors won in the last half minute of play when seller let loose a wild heave from center that went over the punter's head and rolled to the one-yard line before it was downed by a Salem player. Up to the miscue both teams battled on even terms with neither having an edge.

Parish's air attack was smothered and while they completed several and threatened from this source, the Henderson kids tightened up in their own territory.

Medford's most consistent gaining play was an off tackle buck, but were diffident about using it and once when deep in Salem territory tried a forward pass which was intercepted instead.

Turpin, tackle for the Medford juniors, showed the best defensive play of either team and broke through often to smear Salem plays.

The lineup:
Medford POS Salem
Quinberry E DeJardin
Kindred T Moody
Lewis G Green
Turpin C Witzel
Prentice G Campbell
Baker T Hobbs
Barnett E Brownell
Swank Q Perrine
Goble H Nicholson

SALEM JUNIORS BEAT MEDFORD BY WILD PASS

STANFORD STADIUM, Calif., Nov. 29.—(AP)—

In a smashing climax to an up and down season, Stanford's red Indian met and matched the challenges of an invading Dartmouth team today to turn back the great eastern threat 14-7.

Held to a 7-7 tie in the first half and on even terms in the third period, Stanford's white-jerseyed stalwarts thrilled 40,000 frenzied spectators with a fourth quarter finish that saw them drive 59 yards in three plays.

The battle was fast and furious from the start. A scoreless first period saw the easterners on the defensive most of the time with Stanford's warriors making long sally into enemy territory but unable to sustain the marches.

Stanford scored first in the second period after a 25-yard drive and its supporters let loose a mighty roar. Enthusiasm ebbed, however, when the green clad court a few minutes after.

Stanford took the ball on its 44-yard line without resorting to the air, four first downs were reeled off, the longest being a 17-yard run by Caddell. From the 10-yard mark Rothert smacked through center, pushing half the opposing team ahead of him. Moffatt converted the try for point with a place kick.

Seemingly doomed to take a hard beating with Stanford in possession of the ball most of the time, Dartmouth snatched at a break to even the game. Stanford had pounded 22 yards to its 44-yard line when Johnson, sub half-back for the visitors, intercepted Rothert's pass and ran 22 yards before being downed. Morton started the fireworks with an 11-yard dash through tackle. He added six more and Wilkin ripped off two yards. With three yards to go Stanford was penalized half the distance while the ball was in play. Wilkin was held for no gain and Morton went over as the Dartmouth rooters tossed their hats in the air. Wolff's place kick added the extra point.

PHILADELPHIA, Nov. 29.—(AP)—The west took another football game from the east today, when the powerful Drake university eleven overcame Temple university here today, 49 to 20.

The Missouri valley champions from Des Moines completely outplayed the Philadelphia football toters throughout the game with the exception of the final period when the western team, playing many substitutes, was scored on twice. Drake, however, scored an equal number of points in this quarter.

ROGUE RIVER VALLEY—The Scenic paradise of the world.

The ball saw-sawed up and down the field in the third quarter with Stanford having the edge in offense but Dartmouth holding in the pinches.

An intercepted pass in the last quarter put Stanford in the lead. Grey, lanky tackle, was the hero of the scramble, jumping up to snare the oval on his 41-yard mark. Rothert dented the line for four yards and Moffatt skirted left end for 24 yards. On the next play Caddell swept around right end to cross the line standing up. Grey added the extra point with a place kick.

PORTLAND, Ore., Nov. 29.—(AP)

The Northwest conference football season closed here today with Willamette university crushing the Pacific Badgers, 34 to 6.

Willamette's victory gave Witham college the undisputed conference championship. Witham has won three games and tied one—scoreless tie with Pacific. A Pacific victory today would have given the Badgers a tie for first place.

Three of Willamette's touchdowns were direct results of intercepted Pacific passes.
