Miss Luola Benga was absent from school nearly all week. Mrs. Follers substituted for her. Mr. Wayne Keese was absent Friday. This was the first time Mr. Keese had been absent from duty since he came to junior high. Amy Elliott, Barbara Holt and Jack Nelson returned to school after an absence of two weeks.

Debate Tryouts in debate are now over and the prospective teams are settling down to hard work on individual briefs. Final debates will soon be scheduled. The judges, Miss Gray, Mr. Keese and Mrs. Church, selected the following eight from the 24 members of the club: Cleo Hicks, Helen MacCollister, Joan DeLoach, Helen Patton, Herbert Neilson, Earl Harrison, Suzanne Stennett and Betty Thornzyke.

From this number four will comprise the teams, together with two alternates. Theater Party The pupils in Miss Luola Benga's and in Miss Sinema's rooms were the guests of the Holly theater Friday afternoon. Although they couldn't all ride in the "fresh air taxi" with Amos 'n' Andy themselves, they all enjoyed "Check and Double Check." They wish to thank the management and the P. T. A., who made this party possible. These two rooms got the highest percentage of members to the Junior High Parent-Teachers association.

Noonday Lunches at Howard School A very interesting as well as a very worth while enterprise has been initiated at the Howard school in the move to provide warm lunches for the children who remain at school during the noon hour.

The school board has provided the tables, stove and other furniture necessary for the undertaking and the enterprising patrons of the district have provided the organization. Mrs. Crawford, acting as general chairman, appointed six chairmen in different parts of the district. These chairmen chose five members for their committee who are to prepare and serve the lunches for one week, then pass the task on to the next committee. This plan gives every mother in the district a chance to aid.

Last Friday Mrs. Frank Croucher and her committee served one hundred ten pupils or about ninety per cent of the entire school children. This is so satisfactory many of the children have wondrously, willfully or maliciously lost their lunch pails.

Stomach Trouble Chan & Kong Herb Co. Gentlemen: For several months I suffered untold agonies from stomach trouble. Day and night I had terrible pains and a burning sensation accompanied by headaches, gas and frequently sourness. Through a friend I was induced to try your herbs and am glad to say that after only one week's treatment I was made completely well and am now able to work. Once again, I am able to eat and enjoy my meals. Worth fall me in expressing my pleasure at my speedy recovery. I wish to thank you for all you have done for me. (Signed) E. W. PEARSON, 1716 H Street, Sacramento.

Operation Averted Dear Chan & Kong, Gentlemen: It is now three weeks since I began taking your herb treatments and I feel that I am entirely cured and you may imagine my relief when it has come to me through herbs alone and not because of an operation which two doctors insisted must be performed if I were to be cured. I suppose I let it go too long or your remedies would have relieved me in a shorter time. The pain seized me so that I could hardly walk and as it was intermittent, I thought it might be coming from something I had eaten, so for quite a time I had no appetite and when I did eat, my stomach would be distended and filled with gas. I can't tell you how much I appreciate what you have been able to do for me and I shall be very glad if this testimonial shall reach others similarly afflicted. Yours truly, (Signed) GUADALUP ORNELAS, 620 Q Street, Sacramento.

Rheumatism January 17, 1930. Dear Chan & Kong: I suffered for many months from rheumatism in my arm and shoulder. The pain was so intense that I was unable to use my arm and was finally forced to quit work. I was very discouraged, for no doctor seemed able to cure me. A friend who had been cured of stomach trouble by Chan & Kong's herbs urged me to go to them. I consented and now, after three weeks' treatment, I am cured and can return to work. I urge you to use this letter so that others will know of your wonderful herbs and can be cured as I have been. Sincerely yours, CLYDE DUCHE, 813 L Street, Sacramento.

Inflammation of the Bladder, Blood Disorders, and Eruptions of the Skin To Whom It May Concern: I wish to add my testimonial to the good merits of your herb treatments. I suffered intensely from inflammation of the bladder, blood disorders and eruptions of the skin. I was very dependent after treating with other doctors, with no relief. I read your ad and decided to avail myself of your services. It was a happy conclusion. After three weeks of your treatment I am now as well as I ever was and happy to add my testimony to your long list. Yours very truly, P. PIKARAINEN, 1141 Post St., Apt. 3, San Francisco, Calif.

Saved From Operation By the Use of Chinese Herbs Chan & Kong, Dear Sirs: My trouble was diagnosed as appendicitis and the physician whom I consulted advised an operation. In the first place I did not fancy going under the knife and in the second place did not feel that I could afford the heavy hospital and other expense. I let the matter drift along for a time until finally sharp attacks warned me of the necessity for quick action. Before deciding to go to the hospital I chanced to see one of your advertisements in which the patient testified that you had cured him of appendicitis and I decided to give you a trial. The second day in taking your herb tea my pain was mostly gone and a steady improvement prompted me to continue with you through the four weeks, when you last told me I was again all right.

Now, I know that this is true as I have no return of the trouble and can go about my work in better feeling than I had been able to do for years, as your herbs not only cured the appendicitis but benefited me generally. I am more than grateful for what you have accomplished and shall be pleased to send others to you for treatment. (Original Signed) Yours truly, AUGUST AUGUSTINI, 48 Maynard Street, San Francisco.
