GATES RETURNS FROM CONCLAVE
HIGHWAY HEADS
C. E. Gates arrived home yesterday noon from a several weeks absence in the east and will remain until Wednesday when he departs for Portland on state highway and other business to remain the rest of the week.
Pop was very glad to be home again, as the trip to and from the east, along with the sojourn there was an extra pleasant one because of its hurriedness and his being constantly on the go.
The trip, on which he departed Nov. 11, was made primarily in order that he could attend the national convention of the association of state highway officials, which opened November 17th and at which he remained five days. Then he began the homeward journey, breaking it up with stops for brief visits with relatives in Indiana, Illinois and Michigan, including a sister and brothers.
In fact Pop was so busy in arriving, visiting and looking up the train schedule for his next move that he did not pay much attention to general conditions in the sections he was visiting in.
